## **Preamble**

In the pursuit of academic excellence and holistic development, Srinivas Institute of Technology (SIT) remains steadfast in its commitment to fostering an environment that nurtures innovation, research, and entrepreneurial spirit. The institution acknowledges the vital role that workshops, seminars, conferences, and specialized programs play in shaping the intellectual landscape of our academic community. Over the past five years, SIT has consistently strived to enhance the academic experience by organizing a spectrum of events dedicated to Research Methodology, Intellectual Property Rights (IPR), and Entrepreneurship. These initiatives serve as pillars that fortify our commitment to providing students with a comprehensive and forward-looking education. As we reflect on our journey, it becomes evident that these workshops and programs have not only expanded the horizons of knowledge but have also contributed significantly to the overall growth of the SIT community. The exchange of ideas, the exploration of innovative methodologies, and the in-depth understanding of intellectual property and entrepreneurship have become integral components of our academic ethos.

**Seminar on "Effects of Architecture in Buildings-IKS"**

The Department of Architecture- SIT Valachil and the department of Civil Engineering, Srinivas University in collaboration with Apex Professional University organized a one-day seminar and workshop by Internationally renowned Vaastu scholar Acharya Dhanvant Singh in SIT auditorium on 15-11-2019. The seminar and hands on workshop titled "Effects of Architecture in Buildings" was attended by around 300 students, Faculty from department of Architecture and Civil engineering, The principal of SIT; Dr. Srinivasa Mayya D and was presided by honorable chairman of Srinivasa group of institutions; CA A. Raghavendra Rao. The participants were enlightened on the impact of Vaastu on occupants' health. The hands-on workshop involved a demonstration and analysis of Vaastu layout on existing building plans.

### **Entrepreneurship Awareness Program**

Entrepreneurship development club (EDC) of Srinivas Institute of Technology, Mangaluru, organized one day Awareness Program on "Entrepreneurship Awareness Program" for Engineering, MBA and MCA students on May 18 2019. Dr. Chidanand C. Gavimath, Special officer ED Cell, Visvesvaraya Technological University, Belagavi was the chief guest of the programme. The programme was aimed at providing information about Entrepreneurship and the steps used to be a successful entrepreneur. The first session provided invaluable information on role of an Entrepreneur, Characteristics of Successful Entrepreneur and Qualities of an Entrepreneur, Entrepreneurial skills and the roadmap ahead. The second session provided Types of Entrepreneurs According to the Business, Entrepreneurs in Technology, Career Paths /Skills associated with engineering. This program was initiated and supported by Dr. Srinivasa Mayya D, Principal. The event was organized by Dr. Radhakrishnan, EDC Co-Ordinator, Secretary Mr. Sudarshan K, Dept of CSE and Joint Secretary Ms. Sowmya, Dept of ISE.

## **Workshop on Integrating ICT for Enhanced teaching learning & Research Invention**

Internal Quality Assurance Cell (IQAC) was established in the collage on 21 Jan 2016. The IQAC has placed an important role in quality sustenance an enhancement of the collage. It takes decisions regarding curricular, co-curricular, extra-curricular, and extension activities. The IQAC also constitutes academic and administrative committee and prepares its audit report. IQAC suggests and implements improvements for effective teaching-learning and innovative methods in teaching, qualitative improvements in services provided to the students, faculty development and continuous improvement in infrastructure. Two days' workshop on ICT enabled Teaching learning process conducted successfully on 18<sup>th</sup> and 19<sup>th</sup> February 2019 by IQAC cell. Resource persons Prof.PrapullaS.B. B, Dept. of CSE, RVCE, Bangalore and Prof.Jyothi Shetty, Dept. of CSE, RVCE, Bangalore briefed about Webpage creation for ICT enabled Teaching, Preparation for Blended Classroom Teaching, Introduction to Moodle, Pedagogy of Active Learning Hands on Sessions was conducted. About 45staffsofmembers attended the workshop.

## DEPARTMENT OF ELECTRICAL ENGINEERING

### **Empowering Innovation in Electrical Wiring Workshop**

The two days Electrical wiring workshop was conducted successfully on 28<sup>th</sup> and 29<sup>th</sup> September 2018 by Mr. Rakesh Sharma and Mrs. Deepthi Shetty, Assistant Professor, Dept of E&EE, S.I.T, Valachil, Mangalore and discussed about residential wiring as well as practical aspects of wiring. On the first day of workshop, there was hands on wiring explanation using circuit diagram & wiring diagram of various connections like lamp control by one switch, 2-way switch & so on. On the 2<sup>nd</sup> day of workshop he discussed about lighting points, fan points, power socket points, load sharing calculation, conducting, types of conducting and types of wires for different circuits. Students were given hands on wiring for lighting circuit and switch sockets, also for two-way control of switches. Also, theory explanation about wiring design for residential building, Typical AC Power Supply system, Voltage levels, and knowledge about basic equipment required for wiring like MCB, CABLES and also some abbreviation used in electrical wiring. Also, there was discussion about load details for different equipment's in Watts, and students were given some simple residential building wiring layout. The two days hands-on workshop were conducted successfully and gave complete details including design and practical aspects on Residential Wiring.
