### Preamble

In the pursuit of academic excellence and holistic development, Srinivas Institute of Technology (SIT) remains steadfast in its commitment to fostering an environment that nurtures innovation, research, and entrepreneurial spirit. The institution acknowledges the vital role that workshops, seminars, conferences, and specialized programs play in shaping the intellectual landscape of our academic community. Over the past five years, SIT has consistently strived to enhance the academic experience by organizing a spectrum of events dedicated to Research Methodology, Intellectual Property Rights (IPR), and Entrepreneurship. These initiatives serve as pillars that fortify our commitment to providing students with a comprehensive and forward-looking education. As we reflect on our journey, it becomes evident that these workshops and programs have not only expanded the horizons of knowledge but have also contributed significantly to the overall growth of the SIT community. The exchange of ideas, the exploration of innovative methodologies, and the in-depth understanding of intellectual property and entrepreneurship have become integral components of our academic ethos.

## WORKSHOP ON PROTOTYPE / PROCESS DESIGN AND DEVELOPMENT PROTOTYPING

The Institute's Innovation Council (IIC), in collaboration with the Entrepreneur Development Programme (EDP) cell, has organized a "Training Programme" in association with the company TinkerSpace.in on 20-6-2022. The founder of Tinker Space was Mr. Manoj Acharya M, the program's resource person. He shared his experience starting the Start-up and the legal steps to follow. He shared the objective of starting the Start-up "TinkerSpace.in". In DK and Udipi districts, more than 40 schools got funding from the central government for beginning the Atal Tinkering lab. Apart from a few schools, the lab was active in other schools because of a lack of Skilled Teachers to teach in the lab. His idea was to train the Engineering students who are in the II, III and Final years and these students could go and train the school children. Dr. Soorya Krishna K, EDP Co-Ordinator & Head, Dept. of E&C, welcomed and told the students to participate in this program actively.

**Activity on "Field/Exposure Visit to Incubation Unit/Patent Facilitation  
Centre/Technology Transfer Centre"**

Institute's Innovation Council (IIC), in collaboration with the Entrepreneur Development Programme (EDP) cell, has organized a visit to attend the function "Be an Entrepreneur Become an Employer," workshop under the activity "Field/Exposure Visit to Incubation Unit/Patent Facilitation Center/Technology Transfer Center" on May 12 2022 at TMA Pai International Convention center, M G Road, Kodialbail, Mangalore. The main motto of the function is to educate youth through community-centric education, marking an important first step toward developing the next generation of entrepreneurs. Session resource persons were Sri Mahesh Masal, Human Mindset coach, director CONNECT, Dharwad, Sri Ng. Iboyaima Singh, Chief scientist CFTRI, Mysuru, Mr. Yathish Baikampady, Former CEO of Beach tourism development project, Mangaluru, Sri Suhas Gopinath, chairman and CEO, Global Inc member, advisory committee of innovation, Govt of India, Sri H M Srinivas, Additional director (MSME & PP), Industries and commerce department. Sessions provided an overview of the present start-ups and how to plan for start-up which aims to cultivate a long-term entrepreneurial ecosystem. Also, central and state government development schemes for entrepreneurship are discussed. More than 100 students participated in this program and shared their perspectives. Dr. Soorya Krishna K., EDP Co-Ordinator & Head, Dept. of E&C, encouraged students to attend a workshop to develop new entrepreneurship ideas in the college. Prof. Sathyaprakash and Prof. Girish A R coordinated and monitored the entire program.

## WEBINAR REPORT ON “GROWTH AND OPPORTUNITIES IN AEROSPACE TECHNICAL PUBLICATION & INDIAN DRONE INDUSTRY”

Automobile & Aeronautical Association, AMARA organized a webinar titled “Growth and Opportunities in Aerospace Technical Publication & Indian Drone Industry” on 10/5/2022 in association with Aerotics Technologies, Bengaluru. Mr. Elangovan Rajagopalan, Former VSSC-ISRO research scientist and technical advisor for Aerotics Technologies was the resource person. He gave brief introduction about Aerospace technical publication and job opportunities in different fields. Another resource person was Mr. Tamilarasu Kaliannan, Director, NSDC approved trainer and DGCA approved RPAS pilot and training instructor, Aerotics Technologies. Mr. Tamilarasu explained in detail about Aerospace – Technical Documentation/Publication, the components of aircraft and various manual requirements for different components, global supply chains, and various aerospace technical manuals and also about drone industry. All the 6th semester Aeronautical students participated in the webinar. The program was coordinated by Ms. Neha KU & Ms. Vidyashree HG, 6th Sem, Aeronautical students under the guidance of Prof. Srinidhi Kukkila, AMARA faculty coordinator, Dr. Ramakrishna N. Hegde, Head of the Department and Dr. Shrinivasa Mayya D, Principal, SIT, Mangaluru.

### Aerospace - Technical Documentation / Publication

- Technical Publications are a part of the complete Airplane/Helicopter/Drone/spacecraft deliverable.
- All engine, aircraft systems and components have to undergo predefined service, maintenance and overhaul during defined intervals.
- The purpose of the Technical Publications is to supply operators with all data necessary to maintain and repair the AIRCRAFT, ENGINE, Aircraft and engine Components thus ensuring the safety of flights and of the personnel. This data shall enable a mechanic who is unfamiliar with the aircraft to maintain and repair the aircraft whether such action is required on the line or in the service hangar.
- Technical Publications are a mandatory requirement for the manufacturers in obtaining airworthiness certifications (C of A) and are essential for subsequent maintenance, repair, overhaul and operational support.

**Aerospace - few important Manual**

- Maintenance Manual, Spare Manual, Emergency flight Manual
- Take off & Landing Check List / Docking Undocking Manuals
- Service, Repair & Inspection Manual
- Component Maintenance Manual & Service Bulletins

## A TALK ON CAREER AWARENESS PROGRAM

Career awareness Program was held on May 4<sup>th</sup>, 2022 for third year Information Science and Engineering students. The dignitaries presented are Dr. Anoop B K Head of ISE, and Mr. Vinod From Skill House. Dr. Anoop B K formally welcomed Mr. Vinod and introduced him to the students, He also mentioned the importance of developing new skill and how it can be used in an effective way. Mr. Vinod from skill house addressed the students and spoke about the skill set that one student should develop in order to get placed in an IT industry. He spoke about how one has to prepare and face the technical interview and clear it successfully. He also spoke about how one Can become a professional full stack developer by mastering HTML to ReactJS, plus server-side java Script and fundamentals, of C#, Dot Net, ASP.NET and more. He talked about how students can get and work on real time internship projects to understand the ins and outs of professional work environment and get a taste of life after graduation. At last, he answered all the queries of the students and provided the opportunity to join the skill house platform so that Student can improve their skillset.

## SESSION ON "HOW TO PLAN FOR START-UP AND LEGAL AND ETHICAL STEPS"

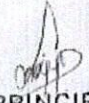

The Institute's Innovation Council (IIC), in collaboration with the Entrepreneur Development Programme (EDP) cell, has organized a program on how to plan for Start-up and legal and Ethical Steps for young entrepreneurs on April 26 2022 at the Institute's Seminar hall. The main motto of the function is to educate youth through community-centric education, marking an important first step toward developing the next generation of entrepreneurs. Sri Damodar Puthye, Technology social entrepreneur, Misys Technologies, Bengaluru, Karnataka, India, was the resource person who provided an overview of the present start-ups and how to plan for a start-up that aims to cultivate a long-term entrepreneurial ecosystem. Also, talked about legal and Ethical Steps which every entrepreneur should follow. More than 60 students participated in this program and shared their perspectives. Dr. Soorya Krishna K., EDP Co-Ordinator & Head, Dept. of E&C, thanked the resource person and encouraged students to come up with innovations. Prof. Dr. Rajesh D S and Prof. Girish A R coordinated and monitored the program.

## WORLD IP DAY

NSS Unit celebrated World IP Day on 26/04/22 in association with Institutions Innovation Council. Sharanya of 8<sup>th</sup> sem ECE welcomed the gathering. Prof. Gourish S Hegde of ECE Department introduced the Chief Guest to the gathering. Chief Guest of the function Rangarajan MG, Project Associate & Co-Ordinator KIRAN IPR KSCST, Bengaluru, detailed on importance of trademarks, patents and other intellectual property rights. President of the function, Dr. Shrinivasa Mayya D, delivered a presidential address on "IP and Youth Innovating for a Better Future," which is the theme of world IP day 2022. He also persuaded students that doing Innovative projects is equally important as protecting such projects with the help of intellectual property rights. Gourish S Hegde conducted a quiz for the students; winners were given prizes. NSS officer Mr.P.Rakesh Mallya delivered the vote of thanks.

## INTELLECTUAL PROPERTY RIGHTS (IPRS) AND IP MANAGEMENT FOR START-UPS

Institute's Innovation Council (IIC) in association with the Intellectual Property Rights (IPRs) Cell has organized a workshop on Intellectual property rights (IPRs) and IP management for start-ups on March 14 2022 at the Institute's Seminar hall. Presiding over the inaugural function, the Principal, Dr. Srinivasa Mayya D., also the President of IIC, encouraged students to get awareness on the IPRs that will help them in the innovation process. The convener of the IIC and head of the department of aeronautical and automobile engineering, Dr. Ramakrishna N Hegde, elaborated on the various IPRs and how they would help start-ups in protecting their rights. He also briefed me about IIC. Soon after the formal inauguration, Prof. Jayaram Tumble, coordinator of the IPR activity of IIC, handled a session on Intellectual property rights (IPRs) and IP management for start-ups. The session covered topics of various IPRs available and due diligence to be taken by the start-ups about trademarks, logos and brand names. Students and Faculty of the Institute actively participated in the workshop. Dr. Praveen Shenoy of the Aeronautical department coordinated the event. Prof. Sathish of the EC department rendered vote of thanks
