Preamble

As the youth of India aspire for a better life millions of them enter higher education institutions and are exposed to a new world of ideas. it is essential to inculcate in them asense of social responsibility.Srinivas Institute of Technology is sensitive to society with a mission of solving societal problems through social innovation and engineering. The College is committed to carving out a generation who would take an active role in social activities. With this aim in view, extension services are made available to nearby schools, villages and communities .The college offers several extension activities wherein the students and faculty are engaged in promoting institution-community network thereby sensitizing students to social issues . In addition to these, each department conducts several activities through its student association. NSS and Red Cross clubs have been established to reinforce the national vision by engaging all the stakeholders in Swacch Bharath Abhiyan, Blood donation camp, Medical camp, Flood relief activities,Awareness on epidemic control, Safety awareness programs, supporting the old age homes, and schools for specially-abled, nurturing the desirable attributes of social responsibilities.

Swachtha Pakwada Program

Association of Electronics and Communication Engineering Department, 'STEADY' and NSS Unit of Srinivas Institute of Technology organized "Swachtha Pakwada" in Tannir Bavi Beach and Someshwar Beach on 06/11/22 and 20/11/22. Fifth and Third ECE student volunteers participated in the activity and cleaned the beach by picking up plastics and other wastes. The beach authority issued an appreciation letter to volunteers and urged the volunteers to spread awareness of beach cleanliness among the public

Program Outcome: Students created awareness about the need and the requirements to maintain cleanliness in the public space from this drive.

Beautification of school-An Outreach program

The students of Srinivas School of Architecture (SSA) created artwork on the walls of Dakshina Kannada Zilla Panchayat Higher Primary School in Padavu, Bikarnakatte, Mangaluru Taluk on 2nd and 3rd February 2023. The faculty of SSA launched "Coterie", the event of beautification. The interior walls of the classrooms were also painted and the students got inspired after seeing the artwork. About 35 artworks on the outer walls were about the environment and other subjects. Pictures on the water cycle, solar system, aquatic life, functioning of the heart, among others grabbed the attention of the on lookers with their unique style.

Program Outcome: The art work inspired the students and motivated them to concentrate on studies with interest and enthusiasm .

Swachh Bharat Abhiyan

"Swachh Bharat Abhiyan" was organised in Association with the NSS Unit of SIT, Mangaluru on 15-4-2023. The students participated in this program and decided to clean Padil Urban Health Care Center. Swachh Bharat Abhiyan is a national campaign launched by the Indian government to promote cleanliness and hygiene across the country. The Padil Urban Health Care Center is an essential medical facility that serves the local community, and maintaining a clean and hygienic environment in its vicinity is crucial to ensure the health and safety of the patients, medical staff, and visitors.

Program Outcome: Cleaning near the health care center can involve various activities such as garbage collection and disposal, cleaning of drains, removal of debris, and awareness campaigns to educate the local community about the importance of cleanliness and hygiene

Awareness program on Wildlife Conservation

In order to create the awareness among and study the Wildlife conservation, 6th semester students of department of Automobile engineering, Srinivas institute of Technology, Valachil, Mangaluru visited "Pilikula Nisarga Dhama" mangaluru on 12th May 2023. Wildlife conservation and protection encompass the efforts aimed at safeguarding wild species and their native habitats, thereby ensuring the vitality of wildlife populations and fostering the rejuvenation, preservation, and enrichment of natural ecosystems. The global human populace has undergone an unprecedented surge in numbers over the last two centuries, exceeding seven billion individuals at present, with this trajectory showing no signs of abating.. The program was coordinated by Prakash ST, under the guidance of Dr.Ramakrishna N. Hegde, HOD, Automobile engineering.

Program Outcome: The students explained and created awareness about Wildlife conservation to the general public. Also given detailed information of Threats to Wildlife and the ways to save wildlife.

Old Age Home Visit-An Outreach program

On 17 June 2023 students visited an old age home Anandaashrama,Puttur. The visit began with an introduction of home staff, who provided an overview of the facilities and services offered by the ashrama. Students saw the various facilities available to the elderly residents, including the dining hall and the medical facilities. Later on that day students visited the Prajnaashrama which is a residential place for mentally retarded/person with disability. With an introduction of a home staff, who provided an overview of the facilities and services offered by the ashrama for physically disabled people. The residents of ashram introduced them self and students spent time with them. In the evening the students visited the Ramakrishna seva samaja and interacted with the students. Students conducted various games for the residents of the seva samaja and distributed the prizes and pencils to the residents.

Program Outcome: students spent time with the residents of ashrama. Students understood the problems of aged people, joy of serving and being with the aged, and also importance of providing an excellent recreational facility for old people

Outreach Programme on "Government School Visit"

4th semester students of SIT Information Science and Engineering and Artificial Intelligence and Data Science visited Govt. Primary School, Valachil on 25/05/23 as an outreach program. This activity was carried out by the department association AISE & AADE with NSS and IIC cell. Students performed different activities such as awareness about cleanliness, Talk on Moral values and Joyful session. Firstly, Students gave awareness about cleanliness and a joyful session was conducted for school students. Then a talk on Moral values was given which was an interactive session. The session was winded up by distributing Chocolates, Pencils and erasers. Students received appreciation letters from the headmaster of the school. It was a wonderful experience for students of the school and a big learning experience for NSS volunteers.

Program Outcome: The objectives of the program was to give awareness about cleanliness. A joyful session was conducted for school students. Then a talk on Moral values was given which was an interactive session.

Beautifician of School -An Outreach program

Coterie is a two day event initiated by Srinivas School of Architecture, Valachil to beautify the government schools in and around Mangalore throughart. The students of Srinivas school of architecture added colors to the blank walls of the government schools inreturn providing a better study environment for the children of these schools. Students wanted to install a sense of community engagement among its own students so as to actively involve architecture students inthe surrounding that caters to them. The event served as achance for architecture students as well as the faculties to let their inner child out by filling colors on the walls of these schools. The school kids and teachers also interacted alongwith the SSA students and actively participated inthe effort of decorating their own school. The event was first held in Government Anganwadi–Valachil in2022 and was continued in Zilla Panchayat Higher Primary school in Bikarnakatte on2nd&3rdofFebruary 2023

Program Outcome: The objectives of the event was to install a sense of community engagement among its own students so as to actively involve architecture students inthe surrounding that caters to them
