1. The authenticity of this Stamp certificate should be verified at 'www.shoestamp.com' or using e-Stamp Mobile App of Stock Holding Corporation of India.
2. Any discrepancy in the details on this Certificate and as available on the website / Mobile App renders it invalid.
3. The onus of checking the legitimacy is on the users of the certificate.

AND

TrainLab Academy (hereinafter referred to as "TrainLab"), an academy involved in promoting development of specialized technical skills and Job Oriented programs through training programs, having its registered office at No #37/1, POJJARI STREET, SRINIVASAPURA CROSS, UTTRAHALLI MAIN ROAD, BANGALORE-560098

This MoU is made for imparting Training Courses offered by TrainLab through the IOP program to the students of Srinivas Institute of Technology, Mangalore.

In this connection, the following points are agreed upon:

1. Objective

The overall objective of TrainLab is to provide training in latest cutting edge technologies and helping students to obtain certifications at a global level. Through its services, TrainLab aims for overall development of an Institution through Faculty Development Programs, Facilitating collaborations between the institute and global Corporates, providing State of the art technology labs and students counseling.

Recitals

- TrainLab is an organization providing technical skill training and consultancy services in advanced technology areas to students, jobseekers and industry personnel.
- Srinivas Institute of Technology, Mangalore is an affiliated college under Visvesvaraya Technological University, Karnataka , offering education programs at undergraduate and postgraduate levels in Engineering, Management & Computer Applications.
- The purpose of this agreement is with reference to defining the areas of cooperation benefiting both Srinivas Institute of Technology, Mangalore and TrainLab.

This agreement witnesses as follows:

2. Scope of Agreement:

TrainLab:

TrainLab to liaison with SIT-M for providing advanced technical skill training to the students.

*[Signature]*  
24/03/2022

*[Signature]*

24/03/2022

TrainLab and SIT-M shall jointly motivate the students to register for the courses offered by TrainLab. SIT-M shall ensure that a minimum of 1800 students are enrolled every semester from all departments.

TrainLab to establish Technology Labs of Corporate standards with the required infrastructure as explained in Annexure-1. There will be one technology lab established for every 500 students enrolled for the program.

TrainLab will provide training and Certification on specified Courses to different category of students as clearly explained in Annexure 2.

TrainLab will utilize its subject experts, latest software and training kits / equipment for conducting training.

TrainLab to pay and procure all/any kind of equipment's required for training purpose.

TrainLab to facilitate the collaboration between the Institution and Global corporate companies.

TrainLab will provide training at Institution premises at the Technology Labs established by TrainLab.

TrainLab shall liaison with SIT-M and shall offer the courses as per the latest Industrial Needs. For courses where Global Certification is not applicable or available, Course completion certificate shall be awarded to the candidates by TrainLab Academy.

3. Srinivas Institute of Technology, Mangalore:

- To promote courses run by TrainLab, SIT-M shall make the courses offered as mandatory or offer it as Value added courses for the skill enhancement of students. The program is department specific as per the attached Annexure-2 along with the MoU.
- The courses offered by TrainLab shall be conducted on a continuous mode i.e each course shall be conducted for 1 complete week in a semester. SIT-M shall jointly work with TrainLab in scheduling of training to the students.

  
24/06/22

  
24/06/2022

9. For smooth and efficient functioning and implementation of the MoU, both the parties shall meet at regular intervals on mutually agreed dates and review the program / progress, also take action to remove the difficulties / constraints if any in implementing the MoU.

In witness whereof those present have been entered hereto, on ~~the~~ day and year first herein above, written under their respective seal of office.

**Memorandum of Understanding Between Srinivas Institute of Technology and Edu Skills.**

DocuSign Envelope ID: 834E4B9F-DF5D-4FC2-534C-7C9558F05815

**MEMORANDUM OF UNDERSTANDING**

**BETWEEN**

**EduSkills Foundation ("EduSkills")**

**AND**

**Srinivas Institute of Technology**

**FOR EDUSKILLS MEMBERSHIP PROGRAM**

This Memorandum of Understanding ("MOU") is effective from the date of signatures below ("Effective Date"); hereinafter, each a "Party" or together, "the Parties". EduSkills will be referred as "First party" and other party will be referred as "Second party".

The Parties have been discussing a proposed collaboration in the area of "Skill Development, IT Education and Workforce Development Programs" ("Collaboration Areas").

Now the Parties agree as follows:

**A. NON-BINDING TERMS.**

The Parties understand that MOU is intended only to summarize the current understanding of the parties with respect to the principal terms of the proposed collaboration.

The Parties understand that this MOU is intended only to summarize the current understanding of the Parties with respect to the Collaboration Areas and to facilitate their further discussions regarding certain objectives of the proposed partnership, as more fully described in Exhibit A, which are non-binding on the Parties. The terms and objectives set forth in Exhibit A shall be used for discussion purposes only and shall not be deemed to create any rights or obligations for or on behalf of any Party.

**B. BINDING TERMS**

The Parties hereby acknowledge and agree that the following subsections under this Section B (Binding Terms) shall be binding and create legal rights and obligations on the Parties.

**1. Confidentiality**

In this MOU "Confidential Information" means any information or data, irrespective of the form and nature thereof, that is material to the Party disclosing such information ("Discloser") to the other Party ("Recipient"), including, but not limited to technical know how, specifications, designs, models, software, techniques, drawings, processes, as well as industrial and intellectual property rights, business information, trade secrets, customer lists, financial information, process, costs, sales and marketing plans, information posted on their respective websites or any other information with the Recipient knows or reasonably ought to know is confidential, proprietary or trade secret information of the Discloser.

The Recipient shall at all times, both during the term of this MOU and for a period of at least three (3) years after its expiration or termination, keep in trust and confidence all such Confidential Information, and shall not use such Confidential Information other than for the purpose of fulfilling its obligations under this MOU, nor shall the Recipient disclose any such Confidential Information to any third party without the Disclosing Party's prior written consent. Upon termination of this MOU or written request from the Discloser, the Recipient shall, within fifteen (15) days from such termination or request, return all Confidential Information and any and all copies thereof to the Discloser, or at the Discloser's option, destroy the Confidential Information and any and all copies thereof, and certify such destruction.

The obligations of confidentiality set forth herein shall not apply to information which;

- a. Was rightfully in possession of or known to the Recipient without any obligation of confidentiality prior to receiving it from the Discloser;
- b. Is, or subsequently becomes, legally and publicly available without breach of this MOU;
- c. Is rightfully obtained by the Recipient from a source other than the Discloser, without any obligation of confidentiality; or
- d. Is developed by or for the Recipient without use of the Confidential Information.

The Recipient may only disclose Confidential Information pursuant to a valid order issued by a court or governmental agency, provided that the Recipient provides the Discloser:

- a. Prior written notice of such obligation; and
- b. The opportunity to oppose such disclosure or obtain a protective order.

The Confidential Information shall remain the property of the Discloser and no license to any existing or future intellectual property rights or Confidential Information is granted or implied under this MOU.

All Confidential Information is provided "AS IS". The Discloser shall not be liable for any inaccuracy or completeness of the Confidential Information, nor are there any express or implied representations or warranties by either party to the other, including with respect to the infringement of any intellectual property rights or any right of privacy, or any rights of third persons.

## 2. Scope

The scope of this MOU does not cover any development work, testing, licensing, distribution, support, sales, or maintenance. Should the Parties decide to pursue such matter that is outside the scope of this MOU, the Parties shall enter into a development, license, distribution, or other appropriate written agreement(s) accordingly.

## 3. Publicity

The Parties hereby agree that no press release or other public announcements regarding this MOU or any agreements contemplated thereby shall be made without prior review and written agreement signed by a duly authorized representative of the other Party.

## 4. Term and Termination

The Parties agree that this MOU shall be effective as of the Effective Date and shall continue in effect until the earliest occurrence of one of the following: (1) the execution of a definitive MOU or definitive agreement relating to the scope of this MOU; (2) written notice by one Party to the other of termination of this MOU; or thirty six (36) months from the Effective Date of this MOU. Section B (including all subsections) shall survive any termination of this MOU. Upon expiry of the Term, it is the intention of the Parties to further progress the solutions initiated under this MOU towards overall achievement of the objectives and outcomes contemplated herein. Second party shall, to this extent, endeavor to continue maintaining and promoting such solutions and projects to further the objectives set forth in the MOU.

## 5. Limitation of Liability

Except for liability relating to either Party's breach of the other Party's confidential information or intellectual property rights, in no event shall either Party be liable to the other Party for any direct, indirect, incidental, special, punitive or consequential damages or loss of profits, lost revenue or loss of data.

Notwithstanding the foregoing, nothing in this MOU shall limit the Parties liability for bodily injury or death caused by its negligence or its liability in the fort of deceit.

## 6. Intellectual property rights

Each Party will retain the exclusive rights, title and ownership of all its pre-existing Intellectual Property, Confidential Information and materials (including, without limitation, proprietary ideas, sketches, diagrams, text, know-how, concepts, proofs of concepts, artwork, software, algorithms, methods, processes, identifier codes or other technology) owned or developed by such Party.

## 7. Governing laws and jurisdiction

The Parties shall make efforts in good faith to amicably resolve all disputes as may arise out of or in connection with this MOU. This MOU shall be subject to and governed by the laws of India and the Indian courts shall have exclusive jurisdiction over any claim arising under this MOU. Notwithstanding the foregoing, either Party may seek interim injunctive relief in any court of appropriate jurisdiction with respect to any alleged breach of such Party's intellectual property or proprietary rights.

## 8. Costs

Unless otherwise agreed upon in writing, each Party shall bear its own costs and expenses arising in connection with this MOU and the possible negotiations, completion and implementation of definitive Agreements if any, including but not limited to costs of experts, consultants, lawyers and travel expenses.

DocuSigned by:

9. **Amendment**

This MOU may be amended at any time by the mutual written assent of the Parties.

10. **Severability.**

Should any portion of this MOU be determined to be illegal or unenforceable, the remainder of the MOU shall continue in full force and effect, and either party may renegotiate the terms affected by the severance.

IN WITNESS WHEREOF, the parties hereto have executed this MOU by persons duly authorized as of the date and year first above written.

## EXHIBIT A

### NON-BINDING TERMS

#### 1. Scope and Intent

EduSkills and Srinivas Institute of Technology have decided to work together for the purpose of expanding digital skills into higher education system through offering various world class technical programs in Networking, Cybersecurity, Cloud computing, automation, RPA and other industry 4.0 skills to their students.

#### 2. Proposed obligations of EduSkills:

- To offer digital content and courses of up to 6 global academy programs to the institution.
- To offer LMS of the academy programs, where ever applicable.
- To offer branding collaterals access and usage of academy programs.
- 'Train the Trainers' to the nominated educators by the institution.
- Virtual orientation session/workshop for the institution.
- In-person/remote support for any troubleshooting needed during the onboarding process.
- To offer opportunities to participate in job fairs, seminars, conferences and any regional/national/global competitions or platforms for the students, educators and/or institution's leadership.
- EduSkills Talent Connect Program for students
- EduSkills & AICTE Internship Program for students.

#### 3. Proposed Obligations of Srinivas Institute of Technology :

- To create awareness for adoption and registration of technical courses from interested students.
- To nominate a point of contact who could monitor and review the program updates.
- Pay membership fee every year. Following year's membership fee can be incremented on nominal basis, if the need arises. Agreement to be renewed after 3 years.
- Institution need to bear the expense for the AWS & Red Hat Global Certification fee of faculties as its mandatory.
- Minimum 100 students commitment for each academy program every year.
- To ensure following pre-requisites to be followed by the participating colleges:
  - a. High speed broadband connectivity, computer labs for relevant courses and classroom IT set-up for all participating institutions.
  - b. Identify upto 2 (Two) Educators with required qualification like Engineers/MCA in Computer Science/IT/Electronics, etc. or experienced diploma holders to receive Training of Trainers for each academy program.

#### 4. Annual Membership Fee

- Year 1: INR 40,000\* + Training fee + GST
- Year 2: INR 40,000\* + GST
- Year 3: INR 40,000\* + GST

\* Can be incremented annually on a very nominal basis.

Please Note: This fee applies on institutions. EduSkills will not charge any fee from the students. Institutions may enroll and extend benefit to as many students they want. No capping on number of students.

## *Memorandum of Understanding (MoU)*

*Between*

*Srinivas institute of technology, Mangaluru, Karnataka*

*And*

*M/s Lakshya Space*

*Signed on this day, 1 April of 2022*

*Srinivas institute of technology  
Mangaluru, Karnataka*

*Lakshya Space  
Bengaluru, Karnataka*

### **1. PREAMBLE**

*The memorandum of understanding (MoU) pertains to the general framework of the scope mentioned herein and is between Srinivas institute of technology and M/s LakshyaSpace.*

- Lakshya space shall accept that the Srinivas Institute of technology is technically (lab facilities, workplace, research guidance from professors, if any) supportive under this collaboration.*
- Srinivas Institute of Technology shall provide incubation facilities as per the requirement, subject to mutual agreement. And the Institute might involve their students, as a part of their industrial projects, along with Lakshya space. Still, Lakshya space shall not be responsible for providing any funding to the following human resources by the institution.*

*1*  
**PRINCIPAL**  
**SRIINIVAS INSTITUTE OF TECHNOLOGY**  
Vatapett, Mangaladevuru  
Post, Mangaluru 574143

MoU No.: W1/7144701

- Lakshya space shall expect that the college authority and the respective department should be Supportive in providing opportunities to Lakshya space for conducting workshops, training, research, and internships.
- Lakshya space might charge the respective amount for the workshops, training, and internships if Required. On the contrary, funds generated from such activities shall be appropriately shared by both parties on a case-to-case basis and with mutual agreement. In turn, Lakshya space shall provide the required certification to the respective students.
- If a person from Lakshya space had to be on the ground in Srinivas Institute of technology, the college shall take care of their Food and stay.
- Most of the work at the incubation center in Srinivas institute of technology shall be handled by the college Mentors or department mentors, who might be chosen by Lakshya space through a set of interviewing practical knowledge.
- Lakshya space would be responsible for providing research opportunities, industry-grade projects, Industrial training, and placement assistance as per the requirement.
- Srinivas Institute of Technology shall provide a proper incubation facility such as a workplace. Lakshya space shall reciprocate to provide the necessary expertise to develop a start-up ecosystem on the campus. Further, Lakshya space shall work with the Institute for possible funding /grants from the government of Karnataka or the government of India. If the grant is provided through such a medium, then Lakshya space shall be a part of that funded project. The above condition is applicable if the funding agency has the provision to do so.
- Lakshya space shall permit Srinivas Institute of Technology to showcase its logo, flyers, brochures, etc., for accreditation, admission, and any academics-related activities.
- Intellectual filing of the technology and research ideas of Lakshya space, individually by Srinivas Institute of technology or any of its individual might cause a serious penalty and should face the law Consequences also vice versa.
- Some research might be handled both by the Srinivas institute of technology and Lakshya space. In that case, the credits, intellectual property rights, and any technical publications shall be shared between Lakshya Space and Srinivas institute of technology.

Each party shall exercise reasonable skills, care, and diligence in the performance of the contract and indemnify and keep indemnified the other in respect of any loss, damage, or claim howsoever arising out of or related to breach of contract, statutory duty, or negligence by the other party or its employees, agents or sub-contractors concerning performance or otherwise of the services to be provided under this contract.

**16. Dispute Resolution:**

If any dispute or difference between the parties hereto, such disputes or differences shall be resolved amicably by mutual consultation. If such a resolution is not possible, it will be resolved through a mediator on mutual agreement.

Pending the submission of any/or decision on a dispute, the parties shall continue to perform all of their obligations under this MoU without prejudice to a final decision regarding the dispute.

**18 Termination:**

During the tenure of this MoU, either party may terminate and nullify this MoU by providing prior writing notice of 30 days to the other party for any of the reasons- Cause/convenience/force majeure.

**Obligation upon Termination:**

Following termination or expiration of this agreement, in addition to any other obligations existing hereunder or otherwise at law or in equity,

- a) The rights and obligations of the parties hereto shall be settled by mutual discussion; the financial settlement, if any, shall consider the expenditure incurred and the expenditure committed by the parties at this moment.
- b) The agreement arrived at between the parties hereto to utilize the intellectual property shall survive the termination of the MoU.
- c) Termination shall not affect the projects/assignments undertaken by both parties before such termination. Both parties should complete such projects/assignments as if this MoU operates.

Our ref IACSD-IACC/239

**Subject: Provisional Empanelment for Industry-Academia Collaboration Program**

Dear Dr. Mayya,

This has reference to your interest letter, we would like to mention that your institution is being offered as a part of Bosch CSR Industry-Academia Collaboration initiative, free of charge with the following understanding.

1. Bosch will support in providing the Training materials to your institution which should be used as per Bosch Guidelines and the course content developed by us towards the following topics will be provided.
  - I. Skill Entrepreneurship for youth
  - II. Future Human Competencies (Future Skills)
  - III. The Making of a Developed Country (Soft Skills & Right Attitudes)
  - IV. Social Responsibility
2. Branding - Set of 6 Posters
3. One faculty (preferably IACC) from your institution would be given an opportunity to undergo Train the Trainer program, if approved by Bosch. Approved trainer will be invited for an online "Train the Trainer" program. Bosch will not charge any training fee. Bosch's decision to accept or reject a trainer for this training of trainer program will be final and binding.

Yours faithfully,  
For BOSCH LIMITED

  
Dr. O. P. Goel  
Senior General Manager  
Head - Bosch India Foundation  
CSR & Skill Development

## Acknowledgement

# Memorandum of Understanding Between Srinivas Institute of Technology and Government first grade college ,Siddakatte

## Srinivas Institute of Technology

---

### Memorandum of Understanding

This Memorandum of understanding (hereafter referred to as MOU/Understanding) is entered on this thirty first day of January 2022 between:

Srinivas Institute of Technology, a private institution approved by AICTE, New Delhi, affiliated to Vishvesvaraya Technological University, Belagavi, duly authorized and represented by its Principal Dr.Shrinivasa Mayya D, with its Administrative Office & Campus in Valachil, D.K. District, Mangalore

*And*

Government First Grade College, Siddakatte, affiliated to Mangalore University, located at Bantwal Tq (hereafter referred to as "College" which expression shall, unless it be repugnant to the subject or context thereof, include its successors and permitted assigns) acting through its Principal, Prof. Sowmya H K.

#### Your college profile

Government First Grade College, Siddakatte, was established by the Govt. of Karnataka through the Department of Collegiate Education on 27th August 2007. The college, being affiliated to Mangalore University, is presently offering 3 year BA degree programme and 3 year B.Com degree programme as per Mangalore University Credit Based Semester Scheme. The college has also adapted the University's Choice Based Credit System (CBCS) scheme for the First Year Degree Programmes during 2019-20.

Government First Grade College, Siddakatte, is popular in the locality as the only government institution with several distinctions. The college is known for its quality education, which is evident from the academic performances of the students' year wise. The steady increase in students' enrolment since the inception of the college from just 13 in 2007-08 to 197 in 2019-20 is also added

strength of the college. During this year, the enrolment increased over 20% to reach 245 showing the growing affinity towards the college year by year. Having concerns for the students' future, the college also gives emphasis on co-curricular and extra-curricular activities by organizing various awareness programmes, skill development training, sports and cultural activities. Besides, the college has also established goodwill in and around Bantwal through its extension activities to society. The college has tremendous opportunities for greater enrolment of students, permanent affiliation from the Mangalore University and good progression rate of students as well.

### Memorandum of Understanding

## Infosys®

This Memorandum of Understanding ("MOU") is between Infosys Ltd, a company incorporated under the laws of India with its registered office at Electronics City, Hosur Road, Bangalore – 560 100, India (hereafter referred to as "Infosys"); and **Srinivas Institute of Technology** a university / engineering college committed to educational excellence having its office **Srinivas Campus, Valachil, Farangipete Post, Mangalore - 574 143** (hereafter referred to as "Partner").

#### RECITALS:

- A. WHEREAS Partner has been established for the purpose of enriching the technical education process and to jointly work for enhancing the quality of education imparted to students of all the engineering disciplines in the field of Information Technology (IT).
- B. AND WHEREAS Infosys wishes to collaborate with the Partner for the purpose of enriching the technical education in new subject areas, learning-teaching process and to jointly work for enhancing the quality of education imparted to students of all the Information Technology ("IT") disciplines.
- C. AND WHEREAS Partner with assistance from Infosys has goals for enhancing the quality of the technical education for students thereby enabling them to meet the industry needs and to be recognized globally.

#### NOW THEREFORE THE PARTIES HEREBY ACKNOWLEDGE AND AGREE AS FOLLOWS:

1. This MOU is for collaboration between both parties, for mutual benefit, to enhance the quality of the educational experience of students of the Partner and for the specific purposes detailed in Annexure I of this MOU
2. Intentionally Omitted
3. The Partner shall be responsible for providing the requisite infrastructure, network and internet access and any other facility required for the education and training.
4. It is agreed that the terms and conditions of any agreed cooperative project (s) as outlined in Annexure I of this MOU shall be the subject matter of separate definitive agreements to be negotiated and agreed upon by the Parties and/or any third parties, wherever applicable, provided always the decision whether to initiate and/or implement any proposed cooperative projects shall be subject to the availability of funds and human resources on the part of each Party.

Campus: Merlapadavu, Arkula, P.O.: Parangipete, Mangaluru - 574 143 Phone No.: (0824)- 2274730, 2274732 Fax No.: 2274731  
E-mail : [principalsit@srinivasgroup.com](mailto:principalsit@srinivasgroup.com) Website : [www.srinivasgroup.com](http://www.srinivasgroup.com)

5. The parties, their representatives, and/or assignees, following the execution of this MOU, desire to maintain close contacts with each other to achieve the goals and objectives of, and to develop the ideas acknowledged in this MOU.
6. Both parties hereby agree to designate a representative from its side who will be the primary point of contact on behalf of that party.
7. Any expenses incurred by the parties for the purpose of this MOU shall be agreed upon and shall be borne as per the mutual agreement.
8. Notwithstanding any other provision of this MOU, neither party shall have any right to use any trademarks or trade name of the other party, nor to refer to this MOU or the obligations performed hereunder directly or indirectly, in connection with any product, promotion, or publication without the prior written approval of the other party.
9. All information which has been disclosed to or obtained by either party at any time during the implementation of this MOU, is confidential information. For this purpose, the parties agree to sign the binding non-disclosure agreement in Annexure II.
10. The terms and conditions mentioned herein shall commence on the execution of this MOU and shall continue for a period of two (2) years from the date thereof or for such period as may be determined or extended by the parties from time to time by written notice, unless terminated by either party in accordance with this MOU. Either party may terminate this MOU at any time by providing three (3) months written notice to the other party.
11. Any notice required to be given hereunder shall be in writing and shall be deemed to be sufficiently served on the party if sent by hand or by registered post to the addresses of the party as stated in this MOU. Notices shall be deemed received: -
  - (i) If sent by registered mail, three (3) days after posting;
  - (ii) If by hand, on the day of delivery; and
  - (iii) If sent by telex or facsimile to the correct number or designated address within seventy-two (72) working hours.
12. Both parties agree to take all reasonable steps to ensure the successful completion of the collaboration, and co-operate with each other in duly carrying out the obligation agreed upon.
13. The expiration and termination of this MOU will not affect the terms of those activities, which are in progress at the time of notification of expiry or termination of the MOU.
14. On the termination or expiry of this MOU or when requested by Infosys, the Partner undertakes to return all materials to Infosys without any delay.

15. Except as otherwise expressly agreed to by Partner in writing, during the period of their involvement with the provision of the MOU and a further period of one (1) year thereafter, Partner agrees not to directly or indirectly or through third parties solicit or hire for employment any of Infosys's current or previous employees.
16. Both the parties agree that Infosys is not obliged on account of this MOU to recruit any fixed number of students from the Partner.
17. This MOU is an indication of good faith and intent on the part of both parties and does not create any legal obligations between them. In the event of any differences or disputes arising from the implementation of the provisions of this MOU, the parties shall as far as possible settle such differences or disputes in good faith by consultation or negotiation between the parties.
18. Indemnity:  
Partner agrees to defend, indemnify, and hold harmless Infosys, its affiliates, directors, officers, employees, representatives, and agents from and against any and all claims, actions, demands, legal proceedings, liabilities, damages, losses, judgments, authorized settlements, costs or expenses, including without limitation reasonable attorneys' fees, arising out of or in connection with any alleged or actual:
  - a. any negligence, willful misconduct, fraud, misrepresentation, and or violation by Partner of any governmental laws, rules, ordinances, or regulations;
  - b. breach of confidentiality and/or data privacy obligations under this MOU, by Partner;
19. Except for claims arising due to any gross negligence, willful misconduct, fraud, misrepresentation by Infosys, Infosys shall not be liable to the Partner for any direct damages, regardless of the form or nature of the action giving rise to such liability (whether in contract, tort or otherwise) arising out of or in connection with this MOU.
20. In no event shall either Party be liable for any indirect, special, incidental, consequential, punitive, tort or other damages, however caused, including, without limitation, any damages resulting from loss of use, loss of data, loss of profits or loss of business arising out of or in connection with this MOU, or of any other obligations relating to this MOU, whether or not the Party has been advised of the possibility of such damages.
21. Save and except for Clause 6, Clause 7 and Clause 8, this MOU is not a legally binding contract and under no circumstances does this MOU subject either of the parties to liability for breach, whether material or minor, of contract or any other liability under international law or the laws of the country of the respective parties or any other applicable law.

- 22. The parties hereby agree that they are not bound exclusively by this MOU and are at liberty to enter into any separate agreements or arrangements with any third party without reference to the other party.
- 23. This MOU, and any dispute arising from the relationship between the parties to this MOU, shall be governed by laws of India and courts in Bangalore, excluding any laws that direct the application of another jurisdiction's laws.

In written whereof both parties put their hard seal on the day, month and year herein mentioned.

**ANNEXURE I****PURPOSE / SCOPE OF THE COLLABORATION:**

Infosys shall facilitate and share inputs with University / College for imparting technical and soft skills / professional skill training to the students. The scope and contents of courses / training programs will be decided by Infosys. The details shown in Annexure I are only indicative guidelines, and Infosys may change the following at short notice at its discretion.

**Student / Education**

1. Publish Infosys courseware on the digital platform and provide access.
2. Offer Infosys certifications
3. Technical seminar/webinar for students on niche technology areas
4. Provide SME to deliver sessions in conferences at the national/ international level in the college / Seminars/ Contests based on availability
5. Increase employability by providing technical and soft skills training
  - a. Foundation program course(Covering Programming and Database fundamentals)
  - b. Make available Online content Digital basics on niche technology areas and soft/professional skills
  - c. Student webinars/workshops/events aimed at preparation to Infosys certifications subject to demand and availability of Infosys SME
6. Visit to Infosys Development Centres based on availability and guidelines prescribed by the respective development centers of Infosys.

**Faculty**

1. Sharing of Industry oriented-courseware
  - a. Foundation program course(Covering Programming and Database fundamentals)
  - b. Make available Online content Digital basics on niche technology areas and soft skills
2. Faculty Enablement Programs
  - a. Foundation program course(Covering Programming and Database fundamentals)
  - b. Elective subjects/trending IT areas
3. Provide SME sessions for selected niche technology areas subject to demand and availability of SME from Infosys

**University / College**

1. Infosys electives/microcredit courses for educational institutions will be provided by Infosys wherever applicable. The list will be updated as per latest technology trends and needs of colleges.  
Note: Colleges can choose from among the provided elective/microcredit course areas
2. Strengthen relationship with Universities / Colleges through collaborative meetings and events

3. Work with education bodies / universities to induct the industry relevant curriculum into the college curriculum through BOS or academic council meeting.

**Metrics for MoU Renewal:**

**Note : Weightages are attached to each of the activities.**

Sl No	Item	Minimum Number / Volume (in two years)	Weightage
1	Infosys certification / completion of courses on Infosys digital platform	Active learning with considerable learning time by students and faculty members on the Infosys digital platform	30
2	Infosys suggested Industry Elective / microcredit / professional skills programs	Students and faculty to adopt the mentioned courses/certifications and clear them	30
3	Faculty Enablement Program (FEP) / Industry Visits / Seminars / Webinars / Student Workshops / SPOC meetings	Active participation in events conducted by Infosys	20
4	Consumption of Digital content on Infosys digital platform	Active consumption of content by learners of educational institutions	20
			100

**MOU Renewal Criteria:**

The actual weightage for a college would be decided by Infosys team based on the participation of the colleges in the given activities. Institutes should achieve a minimum of 65% to qualify for renewal of the RMOU.

ANNEXURE II**NON-DISCLOSURE AND CONFIDENTIALITY AGREEMENT**

This Nondisclosure Agreement ("Agreement") is formed between "Srinivas Institute of Technology" ("Recipient/Vendor") and Infosys Limited ("Discloser") to share Confidential Information for the purpose of assessing information and documents shared by Infosys for enhancing quality of the educational experience of students ("Purpose")

**AGREEMENT**

1. Infosys shall be a Discloser of Confidential Information under this Agreement.
2. Confidential Information means information of Infosys that is not generally known to the public, identified with either a restrictive legend, or where the circumstances surrounding disclosure indicate the information is confidential. Confidential Information includes information relating to financing strategies, organizational strategies, trade secret information, financial information, pricing policies, operational methods, marketing information and other business affairs of Discloser relating to the Business. Oral, visual or written communication made to each other shall be considered to be Confidential.
3. The Recipient may disclose Confidential Information only to (1) its employees, agents, subcontractors; (2) entities controlled by, under common control or controlling it; (3) those having a need to know the Confidential Information for the Purpose or otherwise for the benefit of the Discloser and (4) those who have an obligation not to further disclose the Confidential Information.
4. The term of this Agreement shall be co-terminus with MOU. The obligations stated in this Agreement shall survive for perpetuity post termination or expiration of this Agreement. Upon the request of the Discloser all records, any compositions, articles, documents and other items which contain, disclose and/or embody any Confidential Information (including, without limitation, all copies, reproductions, summaries and notes of the contents thereof), regardless of the person causing the same to be in such form, shall be returned to Discloser or destroyed by the Recipient, and the Recipient will certify that the provisions of this paragraph have been complied with.
5. The Recipient will use at least the same care, but no less than reasonable care, to avoid disclosure of the Discloser's Confidential Information as it uses with its own Confidential Information and will use the Discloser's Information only for the purpose for which it was disclosed.

services of the Discloser or assigning responsibilities to its employees, agents or subcontractors.

This Agreement is the entire agreement regarding the use and disclosure of Confidential Information, and replaces any prior oral or written communications between us regarding these disclosures. By signing below, each party agrees to the terms of this Agreement. This Agreement may only be altered or modified by written instrument duly executed by both parties. Once signed, any reproduction of this Agreement made by reliable means (for example, photocopy facsimile or digital image) is considered an original.

The undersigned represent that they are duly authorized representatives of the parties and have full authority to bind the parties. This Agreement will be effective as of the Effective Date listed below.

# **Memorandum of Understanding Between Srinivas Institute of Technology and Aeronatics Technologies**

## **1. Memorandum of Understanding**

This **Memorandum of Understanding** (hereinafter called as the 'MOU') is entered into this during September, 2021.

**BETWEEN**

**Aerotics Technologies, S-2, Second Floor, A.M. Plaza, HAL old airport road, Bangalore and represented herein by its Director, Mr.Tamilarasu Kaliannan, hereinafter referred as 'First Party'.**

**AND**

**DEPARTMENT OF AERONAUTICAL ENGINEERING, SRINIVAS INSTITUTE OF TECHNOLOGY, Merlapadavu, Valachil, Faragepete Post, MANGALURU- 574143, Karnataka . Hereinafter referred as SIT, Mangaluru as Second Party.**

**WHEREAS:**

- A) First Party is a Technical Publication Engineering Services & Training Provider named, "Aerotics Technologies".
- B) Government Recognitions for the First Party are mentioned below:
  - Registered Training Provider (TP066405) & Training Center (TC129924) under National Skill Development Corporation (NSDC - AASSC).
- C) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest.
- E) BIHER, the Second Party is an Educational Institution engaged in the field of -Engineering and Technology.
- F) Give related information, its branches, and dimensional information about the industry concerned with whom the MoU is sworn.

**NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:**

The information contained in this presentation is proprietary and confidential.  
Copyright © 2021 Aerotics Technologies All rights reserved.

## 2. Clause 2 Scope of the MoU

- A) **Training for Students:** First Party will actively engage to help the delivery of the Engineering services Training for students of the Second Party. The First Party does not assure placements instead agrees to share the information on any interview/recruitment in the relevant field to the students of the Second Party.
- B) **Training Program Forecast:** Both Parties have agreed to carry out the training program with immediate effect, as it is for the greater good of the students in the Drone/UAV Industry.
- C) **Certification:** On successful completion of the Training Program, students of the Second Party will receive a course completion certificate recognized by Aerotics Technologies, attested by Director - Tamilarasu or By concern Expertise.

## 3. Clause 3 Training/Project Proposal/Final Year Project

- A) Both Parties agreed on conducting the Internship & Training Program for the below mentioned topics either In-House/ Online, and the understanding is mentioned below mentioned program:

---

PI: Title: Aerospace Technical Documentation Engineering Services  
Topics Covered:

- ❖ Technical Publication Overview & Standards/Specification Aircraft and Engine Basics.
- ❖ Power plant components & System oriented training on Gas Turbine engines.
- ❖ Detail study of Aircraft Manuals & Engine manuals.
- ❖ Simplified Technical English (STE)
- ❖ Aerospace Engineering Drawing Analysis & Interpretation.
- ❖ Tech Doc - Writing Practices (Iaw) ASD STE 100/ i-Spec -2200 / S1000D.
- ❖ Total Hours/Day: 30-40 Days.

- 
- ❖ Program No: 02: Drone Piloting and Licensing
  - ❖ Drone Piloting (Flying Orientation, Induction & Safety Awareness Program).
-

- B) First Party will effectively support and guide the students on their final year projects on Drone/RPAS. Based on the requirement, Second party agrees to send the students to complete their innovative project under the guidance of the first party.
- C) Both Parties agrees to collaborate and submit project proposals to any Government entity for an innovation. Where PI (Principal Investigator) will be of the second party and Industry Partner will be the first party.

#### 4. Clause 4 Validity

- A) This Memorandum of Agreement **AT/SIT-Mglr/MoU-2021-22** will be valid till 31 December 2022, during which period both the Party, as the case may be, will take effective steps for implementation of this MoU.
- B) Both Parties may terminate this MoU upon 30 days' notice in writing. In the event of Termination, both parties have to discharge their obligations.

#### 5. Clause 5 Relationship between the Parties

- A) It is expressly agreed that **First Party** and **Second Party** are acting under this MoU as independent contractors, and the relationship established under this MoU shall be construed as a partnership. Second Party is authorized to use the First Party's name to promote and express the benefits and importance of the Training Program to the students.

First Party

Second Party

Any divergence or difference derived from the interpretation or application of the MoU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the **Courts of Bangalore.**

DISTRICT TREASURY  
PALAKKAD  
- 3 SEP 2021

D) **Jet Aerospace Aviation Research Center** - the Second Party is engaged in the Specialized Field of UAV/Drones, Nanosatellites, Rocket & Missiles.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

**CLAUSE 1**

**CO-OPERATION**

- 1.1 Both Parties are united by common interests and objectives, and they shall establish co-operation.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities.
- 1.3 The parties shall co-operate with each other and shall as promptly as is responsibly practical, relevant agreement.

**CLAUSE 2**

**SCOPE OF THE MoU**

2.1 Industrial Training & Visits: Industry and Institution interaction will provide an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Research Activities, Product Development, Internship Training, Faculty Development Programs (FDP), Skill Development Programs, Credit Courses, Workshop/Seminars/Conferences, Entrepreneur Development Programs (EDP)

for the First Party. This will provide confidence & smooth transition for students work. Also the Second party may register on the AICTE Internship Portal for the benefit of students.

2.2 Guest Lectures: Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.

2.3 Placement of trained students: second party will actively engage to help the delivery of the training and placement of the students of the first party on the technology trends and in house requirements.

2.4 There is no financial commitment on the part of the **Srinivas Institute of Technology** the first party to take up any program mention in MoU. If there is any financial consideration, it will be dealt separately.

2.5 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required.

J. B. [Signature]

**CLAUSE 3**

**VALIDITY**

3.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period, the Second Part.

**CLAUSE 4**

**RELATIONSHIP BETWEEN THE PARTIES**

5.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership.
