

### 3.5.1 LIST OF ACTIVITIES UNDER MOU'S: CONTENTS

SI NO	MOU DETAILS	ACTIVITY	START DATE	END DATE	PAGE NO
<b>Academic Year 2018-2019</b>					
1	Memorandum of Understanding between Srinivas Institute of Technology and Epitas Sotware LLP	Industrial training	13-09-2019	13-09-2019	1
2	Memorandum of Understanding between Srinivas Institute of Technology and Dr.P Dayananda Pai – P.Sathish Pai Government First Grade College, Carstree	Session on career guidance	12-04-2019	12-04-2019	2
3	Memorandum of Understanding between Srinivas Institute of Technology and Government First Grade College Miraje , Bantwal	Session on career guidance	03-02-2022	03-02-2022	3
4	Memorandum of Understanding between Srinivas Institute of Technology and Government First Grade College, Bettampady	Guest lecture on Career Guidance	25-05-2019	25-05-2019	4
5	Memorandum of Understanding between Srinivas Institute of Technology and Government First Grade College, Punjalakatte, Belathangady	Webinar held	25-05-2022	25-05-2022	5
6	Memorandum of Understanding between Srinivas Institute of Technology and Infosysis campus connect, Bangalore	Certification programme	20-10-2018	20-10-2018	6
7	Memorandum of Understanding between Srinivas Institute of Technology and Dept of Microbiology ,University College, Mangalore	Workshop held	25-11-2018	29-11-2018	7
8	Memorandum of Understanding between Srinivas Institute of Technology and IT Solution Provider Cloud E,	Project internship	09-07-2018	04-08-2018	8-18

## EPITAS SOTWARE

The inaugural function of the student Association of Computer Science and Engineering Department – ASCEE, of Srinivas Institute of Technology, Valachil, Mangaluru, for the year 2019-20 was held on Friday 13th September 2019. Mr. Sudeep Devashya, CEO, Epitas Software LLP, Mangaluru was the Chief Guest.

Speaking on the occasion, Mr. Sudeep Devashya, said “Life presents many choices, the choices we make determine our future”. He also stressed on the importance of the benefits of Certification courses that can provide an edge to those who are seeking competitive positions in IT field.

Dr. Shrinivasa Mayya D, Principal of the college, in his presidential address, urged the students to organize maximum number of events in their association and also to inculcate positive thinking with right mental attitude. He also highlighted the benefits of Internships that offer students a hands-on opportunity to work in their desired field.

Association of CS Dept. inaugurated by Mr. Sudeep Devashya, CEO, Epitas Software LLP

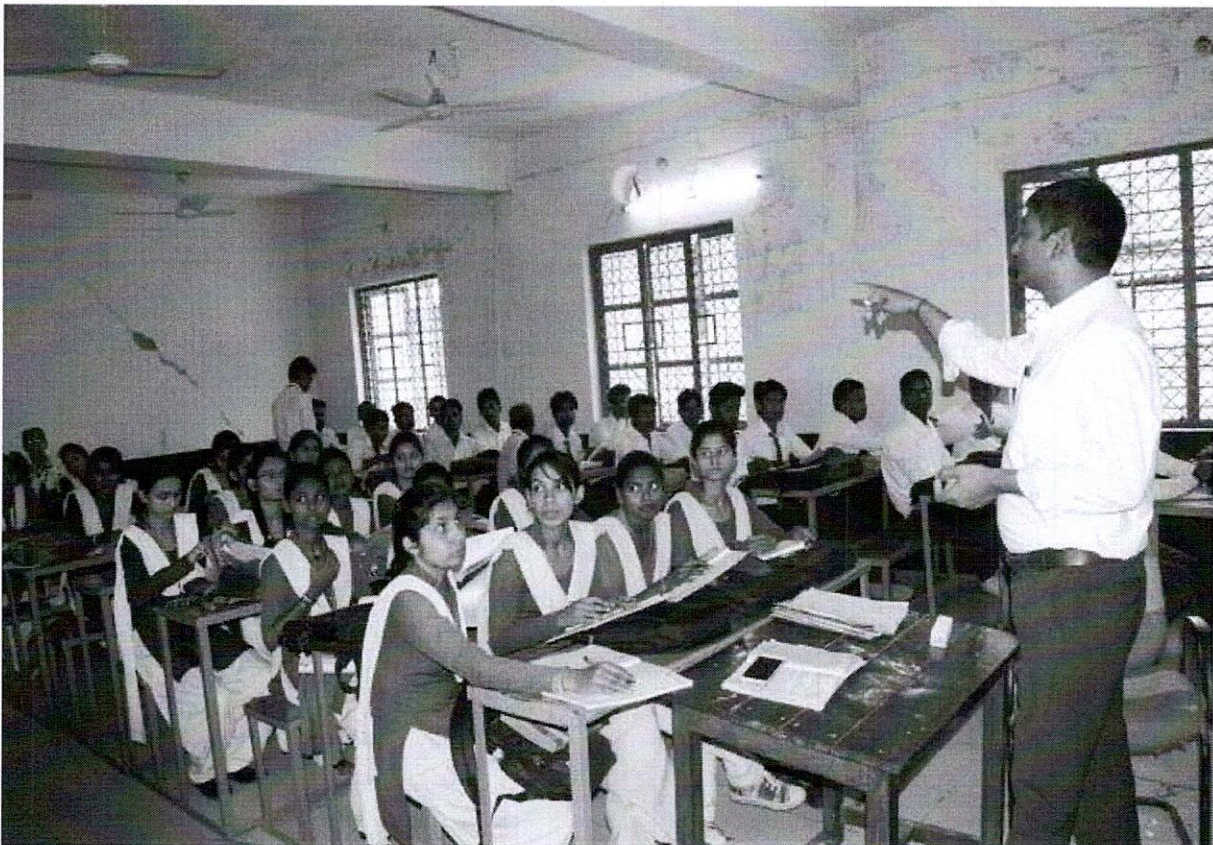

Venue: SIT VALACHIL. Lat 12.87528° Long 74.939106°

## **DR. P DAYANAND PAI- P SATHISH PAI GOVERNMENT FIRST GRADE COLLEGE CARSTREET, MANGALORE**

As a part of the MOU, Career guidance talk given by Prof Praveen D at Dr. P Dayanand pai- PSathish pai Government first Grade College on 12-04-2019.

Career guidance initiates with self-discovery, encouraging individuals to reflect on their interests, values, strengths, and aspirations. Understanding oneself is a crucial foundation for making aligned and fulfilling career choices. By providing insights into various professions, industries, and educational paths, career guidance facilitates informed decision-making. Individuals gain a realistic understanding of the requirements and expectations associated with different careers. Career guidance aids in aligning personal goals with career choices. Whether seeking financial stability, creative expression, or societal impact, individuals can tailor their career paths to meet their broader life objectives.

Session on Career Guidance by Prof. Praveen D

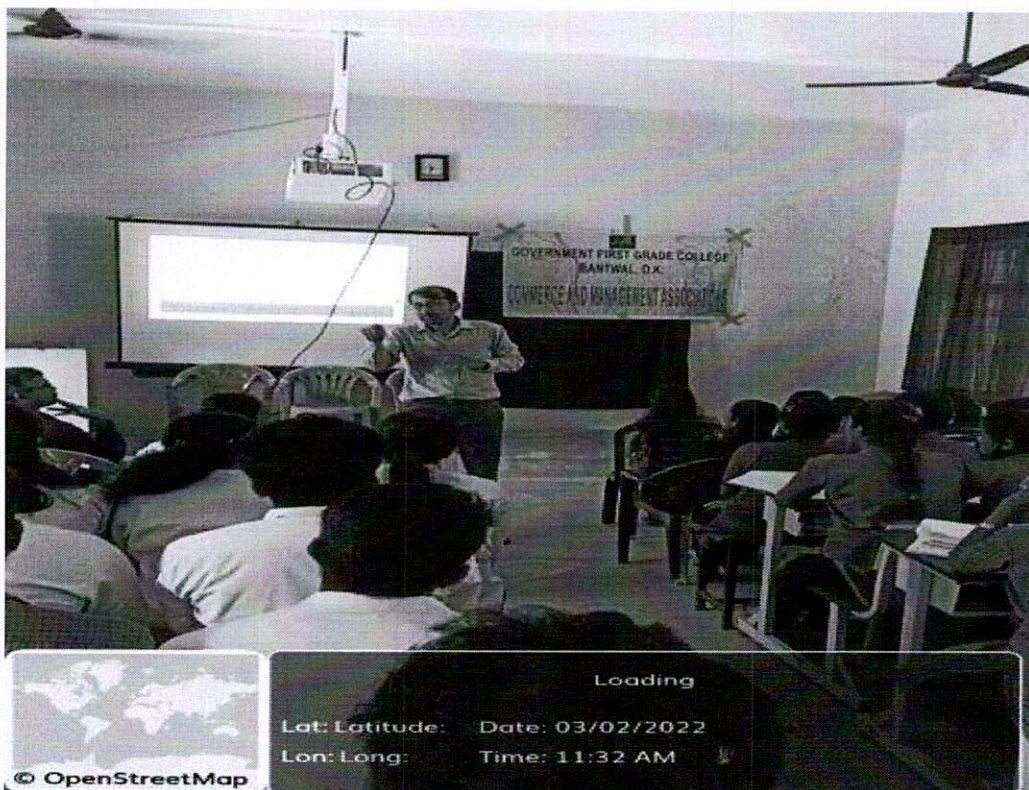

Venue:GFGC,Carstreet Mangaluru ,Lat 12.87270°Long74.83679°

## GOVT. FIRST GRADE COLLEGE, BANTWAL

As part of the Memorandum of Understanding (MOU) with Govt. First Grade College, Bantwal, a lecture on "Career Guidance" was conducted on 3/2/2022 for final-year degree students. The session was delivered by Mr. Steevan Robert Tellis.

Career guidance is a comprehensive and essential process designed to assist individuals in making informed decisions about their professional journeys. In a world characterized by diverse career options, evolving industries, and changing job market dynamics, career guidance serves as a compass, helping individuals explore, choose, and navigate their career paths. This program explores the significance of career guidance, its key components, and the positive impact it has on personal and professional development. Career guidance is a dynamic and ongoing process that empowers individuals to shape their professional destinies. By combining self-discovery, exploration, and strategic decision-making, individuals can navigate the complexities of the job market with confidence and purpose.

Session on Career Guidance by Prof. Steevan Tellis

## GOVERNMENT FIRST GRADE COLLEGE BETTAMPADY

As a part of the MOU, Career guidance talk given by Dr. Hari Prakash, in Government first grade college Bettampady on 25-05-2019

Career guidance initiates with self-discovery, encouraging individuals to reflect on their interests, values, strengths, and aspirations. Understanding oneself is a crucial foundation for making aligned and fulfilling career choices. By providing insights into various professions, industries, and educational paths, career guidance facilitates informed decision-making. Individuals gain a realistic understanding of the requirements and expectations associated with different careers. Career guidance aids in aligning personal goals with career choices. Whether seeking financial stability, creative expression, or societal impact, individuals can tailor their career paths to meet their broader life objectives.

Session on Career Guidance by Prof. Hari Prakash

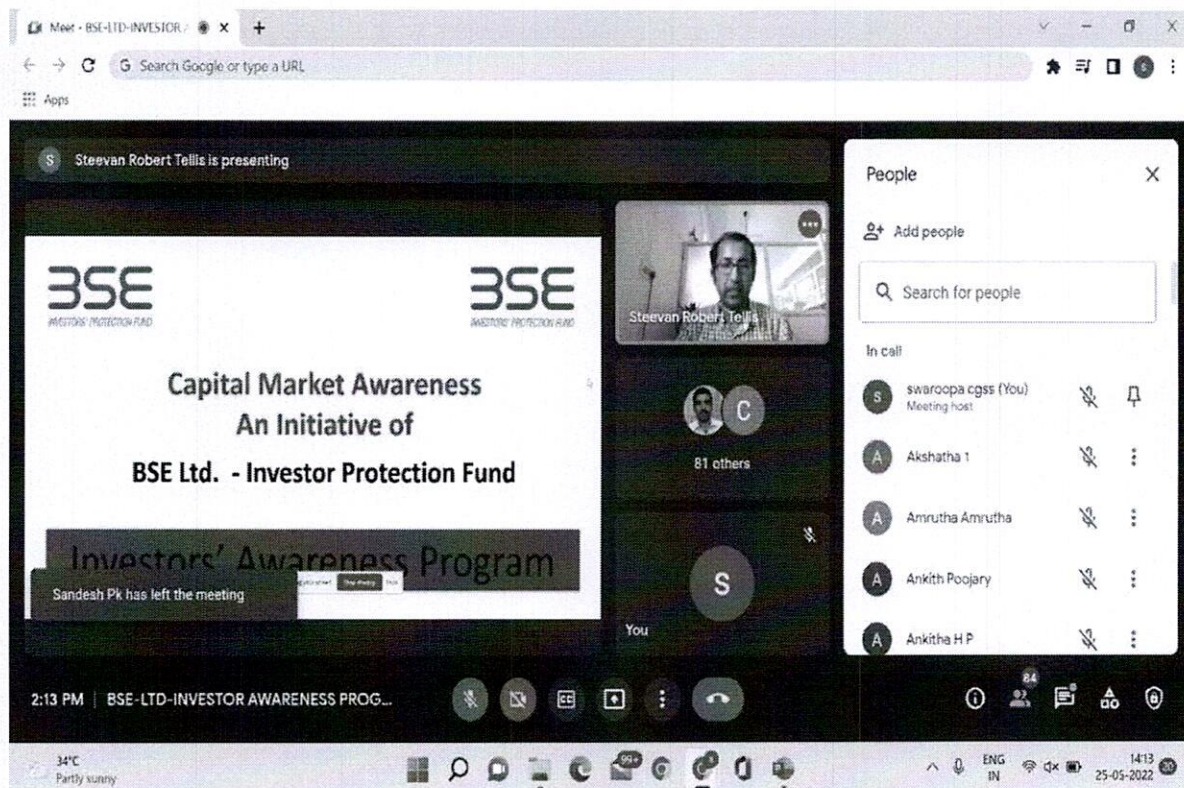

Venue: GFGC, Bettampady , Mangaluru . Lat 12.66199° Long 75.19539°

## GOVT. FIRST GRADE COLLEGE, PUNJALKATTE

As part of the Memorandum of Understanding (MOU) with Govt. First Grade College, Punjalkatte, a webinar on the topic of "Capital Market Awareness" was conducted on 25/5/2022 for final-year degree students. The session was facilitated by Mr. Steevan Robert Tellis.

Capital markets are dynamic ecosystems where financial instruments are bought and sold, connecting investors with businesses and governments. Capital market awareness is pivotal in fostering financial literacy, enabling individuals to make informed investment decisions and participate actively in the financial landscape. This write-up explores the importance of capital market awareness, its key components, and the positive impact it can have on individual and collective financial well-being. Capital market awareness empowers individuals to understand the intricacies of various financial instruments such as stocks, bonds, and mutual funds. Informed investors can make strategic decisions aligned with their financial goals and risk tolerance.

Webinar on Capital Market Awareness by Prof. Steevan Tellis

## INFOSYS CAMPUS CONNECT

Infosys Campus Connect facilitated a comprehensive certification course for Srinivas Institute of Technology (SIT) students, aimed at enriching their technological prowess. This program, meticulously crafted by Infosys, covered programming, software development, data science, and cybersecurity, aligning with industry demands.

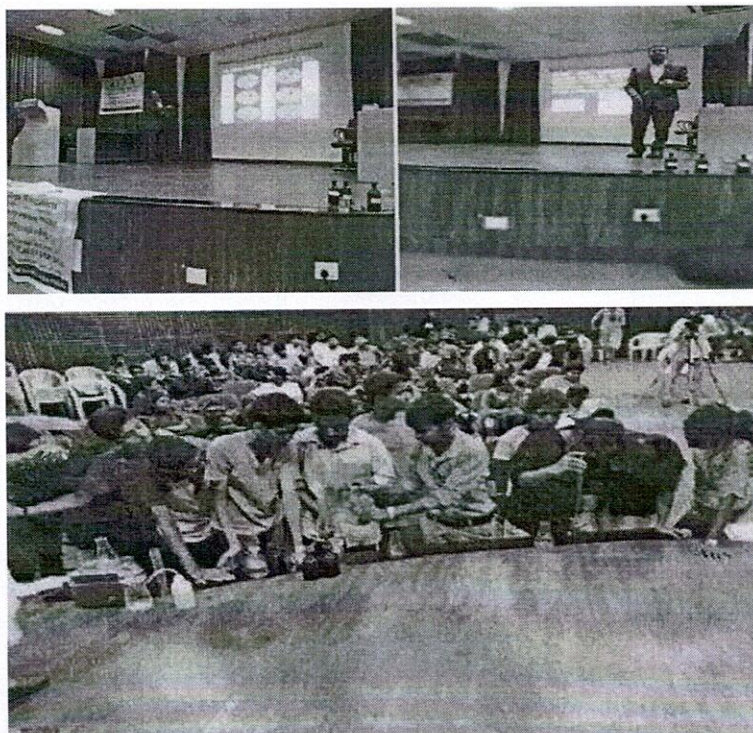

Through a blend of theoretical teachings and hands-on sessions, students gained practical proficiency in these domains. The course encouraged active engagement, fostering collaborative learning environments conducive to discussions and practical exercises that honed problem-solving abilities.

Completion of this certification endowed SIT students with industry-recognized credentials, validating their expertise in high-demand technological skills. Infosys Campus Connect's initiative perfectly complemented SIT's commitment to continuous learning and skill enhancement, ensuring students are well-equipped for success in the competitive tech landscape. This collaboration exemplifies the synergy between academia and industry, nurturing tech-savvy professionals ready to tackle real-world challenges.

## DEPT.OF MICROBIOLOGY UNIVERSITY COLLEGE, MANGALORE

The Dept. of Microbiology has organized 5 days DST Inspire Internship Science Camp for around 300 P.U. Students from 25th November to 29th November 2018. Under the MOU with dept. of Nano technology, the Dept. of Microbiology has invited Dr. Prasad P, Professor & Head, Dept. of Nano Technology, Srinivas Institute of Technology as a resource person to deliver a talk on Nanotechnology and its applications. The inaugural function was conducted in the morning session was followed by talk on Nano Technology and its applications. In the noon session workshop was engaged on Biosynthesis of Nanomaterials by using plants and microbes by Dr. Prasad P & Prof. Naveen Kumar J.R. along with student coordinators Ms. Rebecca Linal Marin, Mr. Vishwas S & Mr. Juned Khan of 5th Semester, Dept of Nano technology, In the workshop the synthesis of silver nanoparticles from bacteria and plant extracts were demonstrated successfully from 2:30 PM to 5:30 PM

Workshop at SIT

Venue: SIT VALACHIL. Lat 12.87528° Long 74.939106°

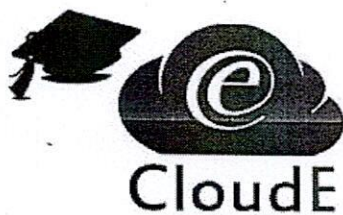

## CLOUD E

Embedded systems have long been the backbone of various industries, seamlessly integrating into devices and machinery to provide specialized functionality. As technology evolves, the integration of embedded hardware and software with cloud environments has emerged as a powerful combination, unlocking new possibilities and efficiencies. This write-up explores the synergy between embedded systems and cloud computing, highlighting their roles, challenges, and the transformative impact on various sectors.

### Embedded Hardware and Software Overview:

Embedded systems refer to dedicated computing devices designed for specific functions within larger systems. These systems typically consist of embedded hardware, including microcontrollers or microprocessors, and embedded software tailored to execute predefined tasks. Examples of embedded systems range from household appliances and automotive control units to industrial automation and medical devices.
