PALO ALTO

Srinivas Institute of Technology has tie up with Palo Alto Networks from 2021 to 2022.

Palo Alto Networks Certification program around 60 students successfully underwent training through online mode and students were able to complete the certification successfully

Palo Alto Networks, a global leader in cybersecurity, has forged a groundbreaking collaboration with Srinivas Institute of Technology (SIT) to deliver an advanced Cybersecurity course. This comprehensive program is designed to equip both staff and students with the latest knowledge and skills to navigate the intricacies of the ever-evolving cybersecurity landscape. Tailored to address the specific needs of SIT, the course covers a spectrum of topics, including threat detection, network security, and incident response. Participants delve into hands-on exercises, leveraging Palo Alto Networks' cutting-edge technologies, ensuring a practical understanding of cybersecurity concepts.

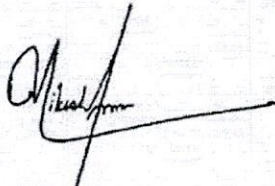

For staff members, the course acts as a catalyst for professional growth, providing insights into the latest cybersecurity trends and strategies. It empowers them to fortify organizational defenses against cyber threats. SIT students, on the other hand, gain a competitive advantage by immersing themselves in real-world scenarios and industry-standard practices. The collaboration brings a unique fusion of academic excellence and industry expertise, ensuring that graduates are not only well-versed in theoretical cybersecurity principles but are also adept at applying them in practical situations.

PALO ALTO NETWORKS CYBERSECURITY ACADEMY

THIS CERTIFICATE OF ACKNOWLEDGEMENT CONFIRMS THAT

Srinivas Institute of Technology

has successfully completed all requirements to become
a Palo Alto Networks® Cybersecurity Academy.
