PRESIDENT'S MESSAGE

Glad to learn about the release of "Srikrithi 16." It is our true belief that true education transcends textbooks and classrooms. At our institution we nurture not just academic excellence but essential life skills that prepare our students for the world beyond. The holistic approach remains the cornerstone of our educational philosophy as we shape morally conscious, responsible citizens ready to contribute meaningfully to the society. The "Srikrithi" stands as the testament to our college's journey of growth and achievement.

To our wonderful students, as you pioneer your individual journeys toward excellence, our entire college community remains your steadfast foundation of support and encouragement. We believe in your potential and remain committed to helping you discover and pursue your unique paths forward. Remember that you truly possess the power to craft your own destinies and leave your unique imprint on the world. May your journeys be filled with fulfilment, joy and the realization of your aspirations. Here's to embracing another year of growth, discovery, and boundless possibilities together.

Appreciation to the faculty of our institution, your contributions extend far beyond classroom walls, shaping not just minds but futures. Our community stands in celebration of your exceptional service, acknowledging how profoundly you've shaped both our institutional excellence and our students' achievements.

I extend my appreciation to our dedicated editorial team whose tireless efforts have made this magazine a source of institutional pride. I also wish to recognise our faculties for their exceptional contributions during the academic year 2024- 25.

Best Wishes

VICE PRESIDENT'S MESSAGE

It is with profound pleasure that I introduce “Srikrithi - 16”. Our institution stands firmly on the belief that true education encompasses more than academic knowledge. It creates an environment where intellectual rigor harmonises with practical skills and ethical foundation. The hallmark of our education approach is developing students who not only master technical competencies but also tackle challenges with unwavering integrity, boundless creativity, and solution – driven thinking. As I reflect on our community of passionate learners, I feel immense pride. This magazine serves as a vibrant canvas where our students can articulate their thoughts, and delve into their diverse passions.

The countless hours invested by our teachers in mentoring, teaching, and supporting our academic community reflect not just their professional expertise, but deeply personal investment in our shared educational mission. As we reflect on this academic year's accomplishments, we recognize that behind every student's success story stands your guidance, encouragement, and unwavering support.

I extend deepest appreciation to our dedicated editorial team, whose commitment and perseverance have transformed this publication from concept to reality.

Let us continue our collective journey, upholding the principles that establish our college as both a centre for academic distinction and a supportive haven for everyone in our community.

Best Wishes

SECRETARY'S MESSAGE

Joy fills my heart as I immerse myself in Shrikrithi 16. Each moment that unfolds is like a song—melodious and vibrant—sung with passion by our students. This edition is a celebration of creativity, collaboration, and the unique voices that define our community. The creativity our students bring to their classes today hints at the impact they will make in the professional world tomorrow. Every story, poem, and piece of art is a reflection of the spirit that thrives within these walls. This magazine is not merely a collection – it is constellation of their achievements. Time and again our student's work exhibits remarkable thoughtfulness, creative vision, and genuine commitment whether crafting essays, evocative poems, research, or striking visual arts. The diversity of perspectives reflected in our students work strengthens our entire academic community. Our continued commitment to inclusive excellence will remain central to our strategic vision.

I congratulate the editorial team that their commitment to excellence has ensured that Srikrithi 16 as both a cherished tradition and a shining testament to the vibrancy of our college community.

The remarkable achievements of our institution during the 2024-25 academic year stand as a testament to the extraordinary dedication of our teaching faculty and staff. Your intellectual passion and professional commitment have created an environment where excellence thrives and students find inspiration daily.

Best Wishes

PRINCIPAL'S MESSAGE

Warm Greetings! I am very much delighted to present the 16th edition of the college magazine "Srikrithi." It is with great pleasure that I pen this message for the latest edition of Srikrithi - our esteemed college magazine. Driven by our vision to be premier institute of professional education and research, attuned to the evolving needs of industry and society, we, as a dedicated team, tirelessly strive to turn this aspiration into reality. Our passionate dedication propels our continuous pursuit of innovation. The academic year 2024- 25 marked significant strides in college activities.

Our shared vision and coordinated approach position us for success. By maintaining this collaborative spirit and forward momentum, we'll continue breaking new ground and exceeding expectations. Each milestone we reach creates a stronger foundation for the ambitious goal we have set. I am particularly encouraged by how teams across the departments have embraced both the challenges and opportunities before us. The roadmap ahead is clear, and I am eager to celebrate our shared milestones as they take shape.

My heartfelt congratulations to the editorial team of "Srikrithi 16" for their dedication in successfully bringing forth this magazine. My best wishes goes to the entire faculty and student fraternity of Srinivas Institute of Technology.

Best Wishes

FROM THE EDITOR'S DESK

Srikrithi – Volume 16 sparks genuine happiness within me.

It is my distinct pleasure I unveil this creative brilliance thoughtful discourse that adorns our publication like blossoms in full bloom. Each contribution is a fully bloomed flower in our vibrant garden, showcasing the rich diversity of talents nurtured within our institution.

The creativity featured within draws profound inspiration from our picturesque hillside campus—a place where creativity flourishes amid nature's grandeur. Our students find their muse in the pure breezes that sweep across our grounds, carrying with them the divine blessings that seem to flow from the temple atop the hill.

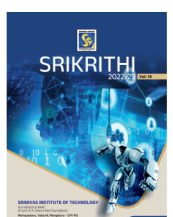

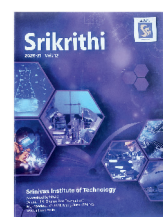

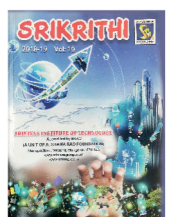

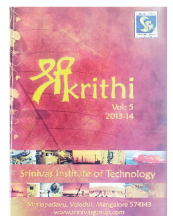

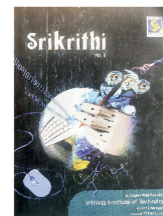

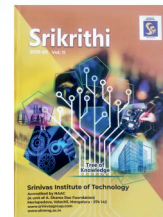

When students take in the landscape from above, the shimmering Nethravathi River winds below like a silver ribbon, offering moments of reflection and inspiration. The curved mountain roads that embrace our campus remind us daily of life's beautiful journey—with its unexpected turns and breathtaking vistas. These natural wonders have infused our students' work with depth and perspective. Their cameras have captured not just images but emotions—the tranquil morning mist settling in the valley, sunlight filtering through ancient trees, and the dance of shadows across our academic halls. The collection of photographs from cultural gatherings, spirited sporting competitions, innovative technical events, and cherished group portraits creates a visual testimony to the unique bonds formed in this special place. Here, amid the hills' embrace and nature's splendour, our students find the inspiration that transforms education into artistry.

Being part of the editorial board has been a deeply rewarding experience. We hold sincere gratitude for all the contributors who entrusted us with their thoughtful and imaginative work. I'm especially thankful to our editorial team for their unwavering commitment and keen eye, which helped craft this magazine into a genuine reflection of our collective creativity."

Hope this "Srikrithi 16" will be a colourful and exciting journey for all readers

Srinivas Rao, Pro Chancellor, Srinivas University; Vice President A. Shama Rao Foundation, Mangaluru was present during the occasion.
- The Department of Computer Science and allied branches organised a Two day International Conference on Recent Innovations in Computer Science (ICRICS-2024), held on the 22nd and 23rd August 2024.
- The NSS unit in association with the Department of Information science Engineering and Computer Science and Design celebrated Sadhbhavana Diwas to commemorate the birth anniversary of former Prime Minister Rajiv Gandhi on 20th August 2024.
- Celebrated Anti-Ragging Day on 12th August 2024 with a pledge ceremony led by Dr. Sooryanarayana, Head of the Physics Department, Dr. Veena Santhosh Rai, Associate Professor delivered a guest lecture.
- Srinivas School of Architecture on 8th August 2024, went on an excursion to Agra and made a site visit to Taj Mahal to study Mughal architecture.
- Srinivas School of Architecture on 5th August 2024, made a visit to Dilli Haat-INA. Designed by Ar. Pradeep Sachdeva to replicate a traditional Indian market place.
- Srinivas School of Architecture on 6th August 2024 conducted a case study visit to Pradhan Mantri Sangrahalaya.
- The Department of Computer Science and Engineering organized an event on awareness of improvement in results, higher studies, and scholarship facilities available for students during their studies, technical, and vocational education. This event was carried out by the NSS unit on 3rd August 2024 at Mangala English Medium school, Managudda Mangaluru.
- The Department of MCA, in collaboration with MASM, organized a session titled "5 Hacks To Earn High-Paying Tech Roles Using Low-Code Tools" on 30th July 2024. Mr. Manikanta A. Nayar, Co-founder and CBO at Micro-Degree was the Chief Guest.
- Institution's Innovation Council (IIC) organized a talk titled "NEP 2020: Four Years of Educational Transformation and Progress" on the occasion of the 4th Anni-

versary of the National Education Policy (NEP) 2020 on 29th July 2024

- The Department of MCA, in collaboration with the Yukti Cell, organized 'NEP Quiz Mania' to celebrate the 4th anniversary of the National Education Policy (NEP) on 29th July 2024.
- Association of Information Science and Engineering (AISE) on 25th July 2024, successfully organized a Blood Donation Camp in collaboration with Srinivas Institute of Medical Sciences, Mukka.
- The Institution's Innovation Council (IIC) and Association of Computer Science and Business System (BASICS) organized a Workshop 'FIGMA' on 20th July 2024. Mr. Ankith Bangera, Flutter Full Stack Developer, Parrothins Private Limited was the resource person.
- Department of Automobile Engineering in association with its student association (AMARA) organised a comprehensive hands-on workshop on Hydraulic and Pneumatic Systems on 15th July 2024 at the Hydraulics & Pneumatics Lab.
- The Department of Artificial Intelligence and Data Science (AI&DS) and the Department of Information Science and Engineering (ISE) jointly organized an Internship Project Expo titled "Innovation Nexus: Discover Tomorrow's Ideas" at the Intern Showcase under the Institution's Innovation Council (IIC) on 13th July 2024.
- The Department of Computer Science and Engineering student association ASCEE organized a hands-on workshop on ASP.net Core for 3rd year students on 13th July 2024. Mr. Freedal Rubin Rodrigues, Software Engineer, Nuvteq Solutions Private Ltd, Bengaluru was the Resource Person
- Department of MBA in association with IIC organised a session on Innovation and Entrepreneurship Outreach Program on 11th July 2024 at Ashoka Vidyalaya English Medium school Mangaluru. Mr. Prajwal B K, Assistant Professor, MBA department addressed the school children.
- Department of Electronics and Communication Engineering student association 'STEADY' in collaboration with the Institution's Innovation Council (IIC) organised "The Innovation Challenge", to foster creativity and enhance programming skills among participants. Conducted on 10th July 2024, the event featured a C programming hackathon with three competitive coding rounds of increasing difficulty.
- Department of MBA and student association VOLMAS in association with Institution's Innovation Council organised a session on "Converting Innovation into Start-ups" on 9th July 2024. Prof. Shailesh Shetty, HOD, Dept of Computer Science and Business Systems, was the resource person.
- The EDP CELL and IIC, hosted a webinar titled "Your Start-Up Success: Ethical and Legal Essentials" on 6th July 2024, Mr. Bharath H C, Managing Director of AC-

Ranton Technologies Private Limited was the resource person.

- Department of Artificial Intelligence and Data Science (AI&DS) and Department of Information Science and Engineering (ISE) jointly organized a mini project expo titled "Innovation Unveiled under Institution's Innovation Council (IIC) 6th July 2024. Ms. Vandana S. Bandary, was the resource person.
- The association of Electronics and Communication Engineering Department, in collaboration with NSS, organized a dental checkup event for students and faculty on 4th July 2024. The checkup was conducted by a team of doctors from the Srinivas Institute of Dental Sciences.
- Department of Electronics and Communication Engineering and Electrical and Electronics Engineering organised an International Conference on "Technology for Industry 4.0 Revolution (ICTIR - 2024)" on 29th June 2024,
- The Department of Artificial Intelligence and Machine Learning (AIML) organized a talk on placement opportunities for AI Engineers on 28th June 2024. Dr. Shrinivasa Mayya D, Principal of Srinivas Institute of Technology addressed the students.
- Department of Computer Science and Design organized a hands-on session on "PHP IN WEB DEV" on 28th June 2024, Mr. Aditya Madhukar Bhat, CEO of Swizsoft, was the resource person.
- College observed the International Day against Drug Abuse and Illicit Trafficking on 26th June 2024 in collaboration with the NSS Unit and Vamanjoor Police Station, Dr. Shrinivasa Mayya D. Principal was present. Insightful seminar was conducted by resource persons Mrs. Kamala police Sub-inspector, Mrs. Bharathi, women police head constable, Mr. Pradeep police constable, from the Vamanjoor Police Station.
- Department of Computer Science & Design in association with National Service Scheme (NSS) visited Dakshina Kannada Zilla Panchayath Higher Primary School, Valachil on 22nd June 2024, and conducted an outreach program.
- ECE and CSD Department in association with the Institution's Innovation Council and Swizo Soft, SIT Startup. Mr. Adithya, CEO of Swizo Soft, organized this challenge.
- The Department of Mechanical and Marine Engineering hosted a workshop on converting Internal Combustion Engine Vehicles (ICEV) to Plugin Electric Vehicles (EV) on 25th May 2024.
- The inaugural function of the 3rd International Conference on Recent Trends in Mechanical Engineering Sciences, RTIMES-2024, was held on 10th May 2024. Dr. Rayasa Ramachandra Rao, Senior Principal Scientist at CSIR National Aerospace Laboratory, Bangalore, was the chief guest.

- Project Exhibition-2024, organized by the Electrical and Electronics Engineering department in collaboration with Yukthi Cell under the Institution's Innovation Council (IIC), on 8th May 2024.
- Karnataka's first-ever Google DSC flagship event in Mangalore, GDSC WOW Mangalore, held on 6th May 2024. Mr. Swasthik Shetty, Cloud Solution Engineer at GOOGLE, Mr. Adarsh Prabhu, Associate Director – Technology & Innovations at Niveus Solutions Pvt.Ltd., Dr. Basavaraj Talwar, Associate Professor, NITK Surathkal, Mr. Akshay Kumar U, Founder at Abhyudaya Softech, Ms. Sneha Pawar, Senior Salesforce developer at Cognizant, Mr. Shanwill Pinto, Software Engineer at UniCourt – Mangalore were the guest speakers.
- Valedictory function of the two-day National level Techno-Cultural fest ENVISION-2024 concluded on 3rd May 2024.
- The Inaugural function of ENVISION-2024, National level Techno-Cultural fest was held on 2nd May 2024. Mrs. Shipra Rai, Vice President, People Operations, Niveus Solution Pvt. Ltd, Mangalore was the chief Guest.
- A valuable session was conducted by Dr. Dheeraj H, Placement Officer on career guidance which was held on 18th April 2024.
- The MBA department has signed an MOU with Dr. P. Dayananda Pai - P. Satisha Pai Government First Grade College, Carstreet, Mangaluru, on 17th April 2024. After the MOU proceedings, a session was conducted to final year students by Mrs. Rashmi and Mrs. Mallika on the topic "Career Building."
- The Department of ECE and EEE organized a 5-Day Hands-on FDP on "From Machine Learning to Tiny ML" from 1st to 5th April, 2024. The program was inaugurated by Dr. Shrinivasa Mayya D, Principal, SIT.
- CSI Student Chapter in collaboration with Coding Ninjas, organized an inspiring webinar titled "Campus Hero" on 4th April 2024. Mr. Jithendra Sharma, Growth Regional head (south) and Ms. Taruvar Mittal, a distinguished Software Engineer from Google, were the key-note speakers.
- Mr. Nikhil from department of AI & ML 1st place in VTU state level Karate competition.
- Nikhil Jagannath Salian participated in South West zone inter University Karate Tournament and has been selected for All India University National Karate Tournament
- Ms. Sameeksha of CS & BS won 3rd place in VTU state level Karate competition.
- SIT athletics team participated in the VTU athletics meets held at VTU, Belagavi. Mr. Sanjay Kumar from department of CS bagged gold medals in 800 meters race, 1500 meters race and bronze medal in 4*400 meters relay. Mr Gautham from CS & BS won Gold Medal in Javelin. Ms. Riktha Kiran from department of Electronics and Communication had bagged silver medals in Shot put and Discus throw. Mr. Akshay from department of Aeronautical had won silver medal in 10K race, bronze medals in 21k and 5k race, 1st place in 4*400 meters relay. Mr. Rishab from department of CS won gold medal in 4*400 meters relay. Mr Sudeep from department of MBA won silver medals in 100, 200 mtrs race, and 1st place in 4*400 meters relay.
- Marathon team of SIT had won overall champions in cross country state level race with Mr Sanjay being 2nd place and Mr Akshay being 5th place.
- Girls Kabaddi team had participated in VTU zone level competition and came out as Champions of the zone and participated in state level Kabaddi competition.
- Boys kho-kho team had participated in VTU zonal level tournament held at VCET Puttur on 6th January 2024 and won the silver medal and participated in VTU state level kho-kho tournament held at Gubbi.

Events Organised by Sports Committee

SPORTS REPORT 2024-25

- Mr. Jeevan from department of Marine had participated in state level wrestling competition and won 3rd place.
- Ms. Riktha Kiran from department of Electronics and Communication had bagged gold medal in state level weight lifting competition.
- Mr. Manvith from department of AI & DS, bagged bronze medal in state level weight lifting competition.
- Boys Kabaddi team of SIT had participated in VTU zone level competition.
- Srinivas Institute of Technology had organised Sports day on 16th December 2024, all students and staff had participated in the event. CS department won the overall championship in UG and MBA department won the overall championship in PG category.
- Sports club of SIT had organised intra department various games for students, details as below
- Football - 16th November 2024, 7 teams registered for the event
- Volleyball – 26th October 2024, 13 teams registered for the event
- Throwball – 26th October 2024, 5 teams registered for the event
- Badminton – 18th October 2024, 24 teams registered for the event

DEPARTMENT OF AERONAUTICAL AND AUTOMOBILE ENGINEERING

Activities of AMARA (Association of Aeronautical and Automobile Engineering)

- Automobile and Aeronautical Association (AMARA) organized a session on Job Opportunities for Aeronautical Graduates in association with GLOINNT Solutions Pvt Ltd Bangalore exclusively for the final-year students on March 27th 2024.
- AMARA in association with the Mechanical and Marine Engineering Departments organised the two-day international conference (RTIMES-2024) on 10th and 11th May 2024.
- AMARA and Institution's Innovation Council celebrated National Technological Day on May 10th 2024. Dr. Rayasa Ramachandra Rao Ex-Principal Scientist, CSIR, National Aerospace Laboratory, Bangalore was the chief guest of the programme
- The valedictory function of "AMARA", for the year 2023-24, was held on 21st May 2024
- AMARA organized Teacher's Day to commemorate the birth anniversary of Dr. S Radhakrishnan on 5th September 2024. Professor Nagaraja Hebbar, Professor & Head, Department of Artificial Intelligence and Data Science, Srinivas Institute of Technology was the chief guest
- As a part of induction program, first year engineering students from AE, ECE, EEE visited Bharath Agrovet Industries (PVT LTD), Thumbe, Mangalore on 13th September 2024.
- AMARA in association with the National Institute of Technology Karnataka (NITK), a workshop on mastering high-frequency and long-distance communication in amateur radio, attracting enthusiasts, students, and faculty on 14th September 2024
- AMARA celebrated Engineer's Day to commemorate the birth anniversary of Sir Mokshagundam Visvesvaraya on 17th September 2024. Professor Dr. Shankar K S., Professor & Head, Department of Mechanical Engineering, Srinivas Institute of Technology was the chief guest.
- AMARA organized a session on Design Innovation for Successful Career in the field of aeronautics, space, and defense for aeronautical engineers on 19th September 2024. Mr. Dhanish Abdul Khader, space systems engineer, SS Technologies, Bangalore, was the resource person.
- AMARA Association, under the Department of Aeronautical and Automobile Engineering, successfully organized the *Play-Bold* mobile cricket league event on 4th October 2024.
- Organized an event titled "Hands-On Learning: Creating 3D Models for Experiential Understanding" on 08th October 2024
- Celebrated Sharada Pooja and Ayudha Pooja on 10th October 2024
- AMARA organized a talk on the importance of

entrepreneurship and financial management in professional life, highlighting key strategies for success on 06th November, 2024.

- AMARA and IPR-Cell organized a hands-on-session on "Intellectual Property Rights & Prior Art Search" on 6th November 2024
- Inauguration of Automobile and Aeronautical Department Association (AMARA) was done on 15th November, 2024. Mr. Navaneetha Krishnan, Chairman & Director Navis Argo, PVT, Ltd, Palakkad, Kerala, was the chief guest of the function.
- Organized one day workshop "TWO WHEELER SERVICE CAMP - 24," for the students on 22nd November 2024 in the Automobile Department workshop
- Mr. Hemanth our esteemed alumnus visited our institution to address students on industry trends, technology advancements, and career preparation 07th December, 2024
- AMARA hosted a Junior Envision event, provided a platform for pre-university students to explore career paths and showcase talents, where our Aeronautical and Automobile Engineering Departments collaborated to present innovative projects On 14th December, 2024

WORKSHOPS/CONFERENCES/PUBLICATIONS AND ACHIEVEMENTS OF FACULTY MEMBERS:

Dr.Lokesh K S: Assistant Professor

- Editorial Contribution: Below are the lists of manuscripts handled for the journal scientific reports- Q1 ranked journal, Nature portfolio-U. K
- Influence of Pore Structure and pH on the Performance of SLM-Fabricated Ti6Al4V Scaffolds [Submission ID- dbdb2a72-3196-49ac-9204-cdf2359fa92f]
- Functionalization of Cotton Fabric using Bio-Organic Heat Storage Materials for Human Protection and Thermal Comfortability [Submission ID- 796a41e4-14f5-4a8d-981c-803ce39461a1]
- Synthesis and machinability studies of Al10Mg alloy hybrid nanocomposite: Performance evaluation [Submission ID- 34fec227-caec-4f0a-bd13-13592e764dd6]
- Unlocking Stir-Cast AIP0507 Hybrid Metal Matrix Composites with MWCNT and RHA Reinforcements for Superior Mechanical Properties: Implications for Stirring Parameters and Reinforcement wt.% on Tensile Strength [Submission ID c22ea035-470d-4177-8f4f-cb531f35239b]
- A Comparative Life Cycle Assessment of a glass fibre and flax fibre-reinforced composite ship hull [Submission ID 19b240dc-c835-4c68-b82f-458fb88e7ad8]
- Novelty of Harnessing Electromagnetic Fields to Boost Graphene Oxide Nano Partials Antibacterial Potency [Submission ID 8344ae68-88e7-4786-9da8-b7729e8b7738]
- Functionalized Recycled Polyethylene Terephthalate Plastic (RPET) by rare earth oxide for electronic device

and housing-infrastructure applications [Submission ID-610658b4-022d-4f5b-adf8-4f749ed92b6b]

- Safety route for upcycling the graphene oxide adsorbent loaded with metal ions [Submission ID 86c4ca92-ac3e-4a3e-98b8-72f21d288f8e]
- Response Surface Modelling of Tensile and Impact Characteristics of Kevlar/Hemp/CNT Reinforced Polymer Matrix Composites [Submission ID bef6939e-8763-4935-864a-e21c48930540]
- Environmental impacts of Graphene oxide for enhancing crystallization behaviour and promoting degradation of polylactic acid in saline solution [Submission ID 737bdb3e-516d-4eda-bda2-2f8ccaad911d]
- Strengthening Mechanisms of Zn Alloy/ZrB₂ In-situ Composites: A Microscopic Investigation of the Yield Strength [Submission ID 59b00908-c69c-4449-8fc3-7a81b8e65dc8]
- Studying and Investigation of Malleated Polyethylene and Its Blend with Polypropylene as a Middle Layer in High Performance Three Layers Shock Tubes [Submission ID c65de39c-ab55-4225-b351-de7c313585f0]
- Analysis of Thrust Force Generation during the Drilling of Natural Fiber Based Hybrid Composite [Submission ID 55ea5c15-af75-4eac-8b3a-f9c1315f5484]
- The fatigue performance of copper alloy contact wire: The critical influence of temperature [Submission ID 39b0d36e-b520-47fe-a80e-bfae12d7eb07]
- Synthesis and characterization of a unique lightweight, high-strength, and wear-resistant hybrid aluminium nanocomposite reinforced with AlMgB₁₄ and graphite [Submission ID 32e65c85-0302-4302-aa46-fddc3084b2a9]
- Bending behaviour of hybrid laminates made of aluminium and wood for sustainable lightweight structures [Submission ID 5086a9aa-ac51-4898-8a60-93c538cf22e1]
- Preparation and stability of red mud phosphor-gypsum composite material [Submission ID e521dff4-6220-4ce1-b38b-815f393397cc]
- Improving compatibility between coffee or black tea ground wastes and polymer matrix via silane treatment method for production sustainable bio-fillers [Submission ID 9097104b-725e-419e-9fd0-ba57b0503f5d]

- **Title:** Experimental Study on Effect of Coconut Leaf Spathe on Mechanical Properties of Chopped Glass Fibre Reinforced with Thermoset Composites. Publisher with ISBN: Springer (978-981-97-7071-7)
- **Papers presented in international conference(Abroad):** Presented a paper titled "Reduced CSM e-glass fiber loading effect on Jute fiber reinforced hybrid composites" at 2nd- International Conference on Eco-friendly Fibers and Polymeric Materials, King Mongkut's University of Technology North Bangkok, Bangkok, Thailand on February 21th 2025.

- **Patent granted:** Utility Model grant for the Research titled "Super hydrophobicity of areca leaf sheaths used for water repellent and other applications thereof" from Federal Republic of Germany on the registration of utility model No. 20 2023 106 050

- **Patents published:** Title of the invention: Bio-Mimic Peacock Feather Application No.202441079849 A, Publication Date: 25/10/2024, Status: under examination.

Special Recognitions:

- Appointed as Editor to serve editorial role for handling the manuscripts in the journal Scientific Reports- Q1 Journal with IF-3.8, Nature portfolio
- Appointed as Academic Editor for handling the manuscripts for the journal Public Library of Science (PLoS ONE)-Q1 Journal With IF-2.9, United States.
- Appointed as Board of Examiners (BoE) for the Aeronautical Engineering, VTU, Belagavi
- Appointed as Board of Studies (BoS) for the Electronics & Communication Engineering, Srinivas University, Mangalore

Invitations/Lectures Delivered:

- Invited as a Judge for annual project exhibition EXPO-2024 held at NITTE, Karkala on 12-04-2024
- Delivered a session on Case study on Patents and IPR to Post graduate students at Srinivas Institute of Technology, Mangalore on 23/12/2024.
- **Conference Organized:** Co-Convenor for 2-day International Conference RTIMES-2024 organized jointly from Mechanical allied branches at Srinivas Institute of Technology, Mangalore on 10th and 11th May-2024.
- **FDP Attended:** Attended 5 days FDP on Advancements in Aerospace Materials: Manufacturing, Testing & Characterization Organized by Hindustan College of Engineering and Technology, Coimbatore from 11-3-2024 to 15-03-2024

Prof. Jagadeesh B: Assistant Professor

FDP:

- Participated in "Training Program on e- sources of VTU Consortium" organised by VTU Consortium at Canara college of Engineering, Mangalore held on 24 th November 2024.
- Organised and Participated 5 days online Faculty Development Program on Advanced Materials and Manufacturing for Engineering Applications organized by Departments of Aeronautical, Automobile Marine and Mechanical Engineering, Srinivas Institute of Technology, Mangalore., from 27.01.2025 to 31.01.2025.
- Completed 8 Week NPTEL certification Course on "Research Methodology" from Indian Institute of Technology Madras on Jan-Mar 2025
- Completed NPTEL – AICTE Faculty Development

Program on "Research Methodology" from Indian Institute of Technology Madras on Jan-Mar 2025

- Successfully participated & completed AICTE Training and Learning (ATAL) Academy Faculty Development Program on Next-Generation Energy Storage: Integrating Advanced Electronics and Sensor Technologies at SRINIVAS UNIVERSITY INSTITUTE OF ENGINEERING TECHNOLOGY from 18/11/2024 to 23/11/2024.
- Successfully completed One Week Online Faculty Development Program on REVOLUTIONARY AI: Blending Generative Power with Learning Machines Organized by Department of CSE-AI & CSE-AIML, Vishwakarma Institute of Technology, Pune from 16/12/24 to 20/12/24.
- Participated and successfully completed the 5 days FDP on Emerging Topics in Applied Science from 4th to 8th February 2025 organized by Departments of Basic Science, Srinivas Institute of Technology, Valachil, Mangalore.
- On February 7, 2025, I organized and presented an insightful workshop, Building a Future of Innovation with Resources for 3rd-semester Aeronautical and Automobile students in collaboration with the Library Committee and Cell.

Prof. Prakash S T: Assistant Professor

Papers presented in conference

- Presented a paper on Design of Powertrain System of agricultural Utility Vehicle, RTIMES, organized by Departments of Aeronautical, Automobile Marine and Mechanical Engineering, Srinivas Institute of Technology, Mangalore.
- Presented a paper on Design and Analysis of Hydraulic System for Agriculture Utility Vehicle, organized by Departments of Aeronautical, Automobile Marine and Mechanical Engineering, Srinivas Institute of Technology, Mangalore.

FDP/Workshop Attended

- Participated in and successfully completed the Research and Publication Ethics course offered by the Directorate of Online Education, Manipal Academy of Higher Education.
- Participated in the 1st International Faculty Development Program (FDP) organized by Beary's Institute of Technology, Mangalore in association with VTU, Belagavi, on: "Advances in New Age Alloys and Composites with the Advent of AI/ML and 3D Printing.
- Participated in and successfully completed the Six Days Online FDP on "SATELLITE COMMUNICATIONS: INNOVATING FOR A CONNECTED WORLD" organized by the Department of Aerospace Engineering, SRM Institute of Science and Technology, Tamil Nadu.
- Participated in and successfully completed the 5-day FDP on "Emerging Topics in Applied Science" from 4th to 8th February 2025 organized by the Departments of Basic Science, Srinivas Institute of Technology, Valachil, Mangalore.
- Participated in the 5-day online Faculty Development Program on Advanced Materials and Manufacturing for

Engineering Applications organized by the Departments of Aeronautical, Automobile, Marine and Mechanical Engineering, Srinivas Institute of Technology, Mangalore.

Prof.Varun N: Assistant Professor

- Participated in one week FDP on “Cyber security for Robotics and Unmanned Aerial vehicles” conducted by Indian Institute of Technology, Roorkee & ICT academy.
- Conducted in one day service camp workshops on Vehicle service conducted by Srinivas Institute of technology.
- Presented a technical talk on Engine service and engine overhaul for AJIET s students conducted by Srinivas Institute of technology.
- Organized in One week FDP workshop on ‘Advanced material and manufacturing for engineering application’ conducted by Srinivas Institute of technology
- Presented a paper on Fabrication and installation of Brakes and suspension for EV RTIMES 2024 conducted by Srinivas Institute of technology.

Students’ Achievement:

- Dheeraj D from 6th semester Automobile Engineering secured as best performer in academic year -2024-25.
- Pawar Kunal and Syed Afnan from 8th semester Aeronautical Engineering Published a paper in IEEE Conf. Proceedings. Won 1st place in Altius 2023 event Treasure Hunt and Secured 1st place in at the end of the workshop quiz Conducted in NITK on the Topic HAM Radio.
- Somaiah K S, Varun Kumar K R, Sneha, Pavan Kumar P M - 4th year
- Published research paper titled “Experimental

and regression analysis of chicken feather-based chopped glass fibre mat hybrid composites”, Results in Engineering, Elsevier-Q1-Journal, (IF-6)Volume-26,2025, 104964,ISSN:2590-1230, <https://doi.org/10.1016/j.rineng.2025.104964>

- Presented a paper titled “Reduced CSM e-glass fiber loading effect on Jute fiber reinforced hybrid composites” at 2nd- International Conference on Eco-friendly Fibers and Polymeric Materials, King Mongkut's University of Technology North Bangkok, Bangkok, Thailand on February 21th 2025.
- Sports Achievements from Akshay A R - 3rd year Aeronautical Engineering:
- 3rd Place In The State-Level Cross-Country, Which Led To His Selection For The All-India University Cross Country Championships At Babubhai College, Shravanabelagola, And Represented VTU.
- 2nd Place in the 5km District-Level Dasara Athletic Sports Meet.
- 1st Place In The 10km District-Level Dasara Athletic Sports Meet.
- 3rd Place In The Red Ribbon Marathon Held At Mangala Stadium.
- Participated in the VTU selection athletic trials and was selected to compete in the All India Inter-University Athletic Meet In Odisha, In 21km half-marathon and 10 km race.
- 1st Place In 10km Race At 26th State Level VTU Athletic Meet Held In Shimoga.
- 3rd Place In 5km Race At 26th State Level VTU Athletic Meet Held In Shimoga.

DEPARTMENT OF ARTIFICIAL INTELLIGENCE AND DATA SCIENCE

Activities of AADE (Association of Artificial Intelligence and Data Science Educatee)

- In collaboration with SIT IIC, organized a “Poster Presentation of Idea” on 27th November 2024 for the 7th-semester students.
- On 25th November 2024, organized an Industrial Visit to K-Tech Innovation Hub, Mangaluru, designated for 3rd-semester students.
- Organized a workshop on “Problem Solving and Ideation” on 25th November 2024, in association with SIT IIC.
- In association with AADE organized an inter-departmental technical event “Spark of Innovation” on 22nd November 2024
- In association with SIT IIC and Yukthi Cell a session “Collaborative Learning Session” was organized on 21st November 2024.
- A Mini Project Demonstration “Innovate X” for 5th-semester students of the AI-DS department in association with the Institution's Innovation Council (IIC) was organized on 19th November, 2024.
- Organized a Workshop on “Entrepreneurship and Innovation as Career Opportunity” on 18th November

2024. Prof. Sathya Prakash Anekallu, Founder, CEO of SIYO.in Customised Product and Services, was a resource person.

- The Inaugural Function of the department's association AADE was held on 8th November 2024. Chief Guest, Ms. A M Shreenidhi, Quality Engineer II at Elsevier India, graced the event.
- Organized various competitions, including Digi Rangoli, Lekhanaprabhandha, Dazzling Diyas, and Clay Modeling, on behalf of Diwali celebrations on 29th October 2024.
- Celebrated Teachers Day on 5th September 2024.
- On behalf of Engineers Day, the Department of AI & DS organized a “Quiz Competition” on 17th September 2024.
- In association with SIT IIC, a session “Innovation Nexus: Discover Tomorrow's Ideas at Intern Showcase” was organized on 13th July 2024. Mr. Chethan.S.Poojary, Software Engineer, Isarva Infotech Private Limited was the resource person.
- Organized a session on “Innovate to Elevate: Ideation & Validation Strategies” on 6th July 2024. Mr. Gaurav Kamath, CEO MicroDegree, was the resource person.

- Organized Two Days Workshop on “AI Programming Using NVIDIA Jetson Kits” on 6th and 7th June 2024. Mr. Chinmaya Ramana and Mr. Monish, Ethical Security Experts were resource persons.

WORKSHOPS /CONFERENCES/PUBLICATIONS AND ACHIEVEMENTS OF FACULTY MEMBERS:

Prof. Nagaraja Hebbar N, Associate Professor & Head of the Department.

- Published a paper in Springer Nature on “Real Time Computer Vision Based Green Intensity Estimation Method for the Arecanut Tree Pesticide Spraying System”
- Published a paper on “Deep Learning Approaches for Multiclass Crop Classification in Smart Agriculture” in IJRAR E-ISSN: 2348-01269
- Presented a paper in ICRICS 24 held at SIT Mangaluru titled “Deep Learning Approaches for Multiclass Crop Classification in Smart Agriculture” on 22 and 23 aug 2024
- Presented a paper titled “ A real Time multi crops classification using deep learning method for pesticide spraying in sustainable agriculture “ at MIT ,Manipal in 2nd IEEE conference held on November 6th and 7th 2024 .
- Attended 5-day hands-on FDP on ‘From Machine Learning to Tiny ML’ from April 1, 2024, to April 5, 2024 held at SIT Mangalore.
- Successfully completed certificate and 12 weeks FDP on “Cloud Computing” from NPTEL in Jul -Oct 2024
- Attended 5 days workshop on Research and Publication ethics from July 22, 2024 to July 26, 2024 held at Srinivas University, Mukka.

Prof. Ganapathi Sharma K, Associate Professor

- Attended One Month Internship On Research Training by MSME-Technology Development Centre (Process & Product Development Centre) Agra, Ministry of MSME, and Govt. of India Society. From 18th Nov 24 to 17th December 24.
- Attended 5-day hands-on FDP on ‘From Machine Learning to Tiny ML’ from April 1, 2024, to April 5, 2024 held at SIT Mangalore.

Prof. Ajay Prinston Pinto, Assistant Professor

- Has been granted a prestigious German Patent (Utility Model No: 20 2024 104 37) for his innovative work titled “A Hybrid Logarithmic Exponential Tanh Convolutional Neural Network P-Transformer System for Improving Language Translation with Low Resources.” The utility model, filed on August 1, 2024, and officially entered on August 9, 2024, marks a significant breakthrough in language translation technologies, particularly for low-resource languages. This advanced system leverages a hybrid approach integrating convolutional neural networks and P-Transformer architecture to enhance translation efficiency and accuracy, showcasing a transformative step in AI-driven linguistic solutions.

Prof. Kavitha, Assistant Professor

- Certified by the International Journal of Research and Analytical Reviews (IJRAR) for the successful publication of research paper titled: “EMOVISION: Real-time Facial

Emotion Recognition and Analysis Using CNN” This paper was published in the UGC Approved Journal (Journal No: 43602) with a 7.17 Impact Factor, in Volume 11, Issue 4, dated 15th October 2024.

- Certified in paper presentation titled EMOVISION: Real-time Facial Emotion Recognition and Analysis using CNN at the Two Days International Conference on Recent Innovations in Computer Science held on 22nd-23rd August 2024 at SIT, Mangalore
- Certified for attending a 8-day Faculty Development Program (FDP) on “Machine Learning and Artificial Intelligence with Industry Application”, organized by Pimpri Chinchwad College of Engineering and Research, Ravet, Pune, Maharashtra, from 12th April 2024 to 19th April 2024.”

Prof. Bindya, Assistant Professor

- Certified in Weed and Crop Image Classification Using Deep Learning Techniques, Published in the International Journal of Research and Analytical Reviews (IJRAR), a UGC-approved journal (Journal No: 43602), with an Impact Factor of 7.17. The paper was published in Volume 11, Issue 4, on 15th October 2024.
- Certified for paper presentation titled Weed and Crop Image Classification Using Deep Learning Techniques at the Two-Day International Conference on Recent Innovations in Computer Science, held on 22nd-23rd August 2024 at SIT, Mangalore.
- Certified for attending a 8-day Faculty Development Program (FDP) on “Machine Learning and Artificial Intelligence with Industry Application”, organized by Pimpri Chinchwad College of Engineering and Research, Ravet, Pune, Maharashtra, from 12th April 2024 to 19th April 2024.”

Prof. Kiran, Assistant Professor

- Successfully participated and presented a research paper titled “A Deep Learning Approach for Quality Assessment of Betel Nuts” at the 2-Day International Conference on Recent Innovations in Computer Science.
- Successfully participated in a One-Week Faculty Development Program on “Robotic Process Automation Associate (UiPath)” conducted by ICT Academy from March 18 to March 22, 2024, at Srinivas Institute of Technology, Mangalore.
- Successfully participated in a One-Week Online National Faculty Development Program on “Data Visualization Using Tableau,” conducted from April 1 to April 5, 2024, organized by the Department of Computer Science and Engineering, Mohan Babu University, Tirupati, Andhra Pradesh, in collaboration with EXCELR EDTECH PVT. LTD.
- Successfully completed the Live Workshop on “PowerPoint Using AI & ChatGPT” conducted by Skill Nation on July 25, 2024.

Prof. Abhijnha B N, Assistant Professor

- Certified for attending 5-days Faculty Development Program on “Cloud Architect” organized by Vardhaman Engineering College, Shamshabad - Hyderabad, from 18.11.2024 to 22.11.2024 (virtual).
- Successfully participated in 5 Days virtual Faculty

Development Program on “Gen-AI and Prompt Engineering Using Microsoft Co-Pilot” organized by BNM Institute of Technology Bangalore (BNMIT), from 16.09.2024 to 20.09.2024.

- Successfully participated in 7 Days Faculty Development Program on “Essential Skills for Professional Development in Higher Education” organized by Star International Foundation for Research and Education on 01.07.2024 - 07.07.2024.

DEPARTMENT OF ARTIFICIAL INTELLIGENCE AND MACHINE LEARNING

Activities of AAIE (Association of Artificial Intelligence Educatee)

- A session on “Career Guidance and Opportunities Abroad” was conducted on 19th November 2024 for 5th-semester AIML and CSE students. The session was delivered by Mr. Ashith Poojary from TIME (Triumphant Institute of Management Education), who shared valuable insights on study and career prospects abroad.
- The AAIE organized a hands-on session on “Intellectual Property Rights (IPR): Types and Benefits” on 19th November 2024. Dr. Krishna Prasad K from Srinivas University shared detailed insights into IPR processes and its practical benefits.
- In association with the Institution’s Innovation Council (IIC), AAIE hosted a Poster Presentation Competition on 21st and 23rd November 2024, providing final-year students a platform to present their innovative project ideas.
- AAIE and the Industry Interaction Cell jointly conducted a session titled “Grit and Glory of Entrepreneurship” on 22nd November 2024, featuring Ms. Chetana Sarang, an inspiring entrepreneur and motivational speaker.
- A project idea poster presentation titled “IDEASPRINT” was conducted on 23rd November 2024 for v semester students to showcase their early-stage project concepts.
- An online guest lecture on “RPA and AI: Shaping the Future of Industry through Innovation and Collaboration” was held on 26th November 2024 by Mr. Zidan Mohamed, Software Engineer at Novigo Solutions.
- The department conducted ALTIUS-2024, an inter-departmental technical event, on 3rd December 2024
- A session on “Solution Problem Fit and Product Management Fit” was conducted on 21st February 2025. Mr. Sadanand Poojari was the resource person.
- The AAIE organized VISIOTECH, a poster exhibition showcasing student work and innovations in AI, ML, data science, and other emerging technologies.
- In association with IIC and IEEE, the department hosted a talk on “Innovation Readiness and Development:

Student Achievement

- Manvith of 8th SEM participated in VTU State level Weight lifting competition Held at Alva’s Moodabidri on 13/11/2024 and secured 2nd place.
- Vineetha from 2nd Semester, secured 1st place in Triple Jump and 3rd place in Long Jump at the VTU 26th State Level Inter-College Athletic Meet 2024-25.

Unlocking Technological Potential” on 25th February 2025, led by Prof. Ajay Prinston Pinto.

- VI semester students visited the Centre for System Design (CSD) Lab at NITK Surathkal on 25th February 2025 to gain exposure to advanced research and lab infrastructure.
- An AI awareness session was conducted on 27th February 2025 at Sri Sathya Sai Loka Seva High School, introducing students to AI fundamentals and engaging them in hands-on activities in the Atal Tinkering Lab.
- Hosted HACKVERSE a hackathon promoting student innovation in domains like Machine Learning, NLP, and Web technologies, on 27th & 28th February 2025
- Organised a Webinar titled “Leveraging LinkedIn for Professional Growth and Networking” on 24th March 2025. Mr. Prakash Walawalkar, Dean – Training & Placement, Jain Institute of Technology, Davangere was the resource person.
- A two-day workshop on Mobile Application Development Using Flutter was conducted on 27th and 28th March 2025 in collaboration with Devapsys IT Solutions, Mangaluru.
- Organised a session in collaboration with IIC on “Startup Survival Through IPR: A Case Study on IPR Strategy for AI Startup” on 22nd April 2025, organized Session on Business Model Canvas.
- Organized a session on the Business Model Canvas, helping students understand and design startup frameworks On 29th April 2025.

WORKSHOPS/CONFERENCES/ PUBLICATIONS AND ACHIEVEMENTS OF FACULTY MEMBERS:

Prof. Daya Naik, Assistant Professor & HOD

- Completed the course Digital Image Processing with OpenCV in Python from GIS and Earth Observation University, April 2025
- Successfully completed the AICTE-evaluated 2-week patent course organized by Turnip Innovations (16th Oct 2024 to 29th Oct 2024).

- Published a paper titled "A Vision-Based Approach for Real-Time Detection of Proximity Hazards around Open Wells: An Application in Open Well Safety Monitoring" in IEEE Conference on Emerging Informatics, ICEI 2024.
- Attended a 5-day workshop on "Research and Publication Ethics" organized by the Research and Innovation Council, Srinivas University, from 22nd July 2024 to July 2024.
- Published a paper titled "Voice Based Email System for Visually Impaired" in International Journal of Research and Analytical Reviews, Volume 11 Issue 4 October 2024
- Published a paper titled "Comprehensive Review of Surveillance Systems Integrating Computer Vision and Sensor Technologies" in International Journal of Research and Analytical Reviews, Volume 12 Issue 1 January 2025
- Attended a FDP on "Cyber Security for Robotics and UAV" organized by Electronics and ICT Academy, IIT Roorkee from 4th to 8th Feb 2025
- Published a patent titled "BARAVU-TULU LIPI IDENTIFICATION," Application No.202441050237 A.
- Published a patent titled "Analysis and Detection of Arrhythmia Using Deep Learning Algorithm" Application No 202441074420 A.

Dr. Parvathraj KMM, Assistant Professor

- Awarded Ph.D from Srinivas University for the thesis entitled "CLOUD BASED EFFICIENT ROBUST IMAGE CRYPTOGRAPHY METHOD FOR PERFORMANCE ENHANCEMENT".
- Participated in the Faculty Development Program on "Blockchain & Web3." Organized by the Department of CSE & CSE (Data Science), Sri Siddhartha Institute of Technology, SSAHE, Karnataka, from 10th March to 17th March 2025.
- Presented a paper titled "Enhancing software debugging processes through machine learning- driven automated bug detection." in the IEEE conference ICCRDA-2025.
- Published a paper titled "TEMPER WOLF HUNT OPTIMIZATION ENABLED GAN FOR ROBUST IMAGE ENCRYPTION". Intelligent Decision Technologies(IDT) Volume 18, Issue 2 <https://doi.org/10.3233/IDT-230547> -Scopus indexed Journal
- Published a paper titled "MACHINE LEARNING-AIDED CLOUD-BASED ROBUST IMAGE CRYPTOGRAPHY WITH LUPUS COYOTE OPTIMIZATION FOR ENHANCED PERFORMANCE". International Journal of Image and Graphics (IJIG) <https://doi.org/10.1142/S021946782750001X> - Scopus indexed Journal.

- Published a patent titled "Analysis and Detection of Arrhythmia Using Deep Learning Algorithm" Application

No 202441074420 A.

Prof. Nivin KS, Assistant Professor

- Registered for PhD March 2024 at Srinivas University.
- Attended 5-day workshop on "Research and publication ethics" organized by research and innovation council, Srinivas university
- ATAL FDP attended on "Next-Generation Energy Storage: Integrating Advanced Electronics and Sensor Technologies at Srinivas university institute of engineering & technology" from 18/11/2024 to 23/11/2024
- MICROSOFT AZURE workshop attended on 25th May 2024 for 2 days by online mode.
- Completed 6 month DDLR (Doing doctor level Research) course on Research methodology held from January 2024 to July 2024
- Atal fdp attended "on machine learning engineering for production" at LBS college of engineering from 08/01/2024 to 13/01/2024.
- Completed course on "research methodology" under udeemy
- Attended a week national level Faculty development program on "AI TOOL" Organised by Srinivas institute of technology Mangalore Collaborate with AICTE.
- Published a paper titled "Smart irrigation system" in International Journal of Research and Analytical Reviews, Volume 11 Issue 4 October 2024
- Published a paper titled "Truck driver drowsiness detection and alerting system" in International Journal of Research and Analytical Reviews, Volume 11 Issue 4 October 2024.
- Published a paper titled "Published a paper titled "Mathematical computations through hand gestures" in International Journal of Research and Analytical Reviews, Volume 12 Issue 1 January 2025
- Published a paper titled "Published a paper titled "Pixel revive: enhancing the past" in International Journal of Research and Analytical Reviews, Volume 12 Issue 1 January 2025
- Published a paper titled "Weather crop based suggestion" in International Journal of Research and Analytical Reviews, Volume 12 Issue 1 January 2025
- Published a paper titled "Efficient Fish Disease Detection Using Image Processing and Machine Learning in Aquaculture" in International Journal of Scientific Research in Engineering and Management (IJSREM), Volume: 09 Issue: 01 | Jan -2025.
- Published a patent titled "BARAVU-TULU LIPI IDENTIFICATION," Application No. 202441050237 A.
- 16. Published a patent titled "Analysis and Detection of Arrhythmia Using Deep Learning Algorithm," Application No. 202441074420 A.

Prof. Nithya BP, Assistant Professor

- Participated in Faculty Development Program on "Blockchain & Web3" Organized by the Department of CSE & CSE (Data Science), Sri Siddhartha Institute of Technology, SSAHE, Karnataka from 10th March to 17th March 2025
- Participated in 36.5-hour UdeMy certification course "Master Spring 6.Spring Boot 3,REST,JPA, Hibernate"dated 26th February 2025.
- Published a patent titled "Analysis and Detection of Arrhythmia Using Deep Learning Algorithm," Application No. 202441074420 A.
- Published a patent titled "BARAVU-TULU LIPI IDENTIFICATION," Application 202441050237 A.
- Participated in a faculty development program on "Artificial Intelligence for Pedagogical Excellence" organized by IEEE Mangalore subsection at Srinivas University Institute of Engineering & Technology on 24th - 25th October 2025.
- Published a paper titled "Comparative analysis of deep learning models for pneumonia detection" published in IJRAR journal no:43602 volume 12 issue 1 january 2025 date of publication 23 january 2025

Prof. Madusudanan S, Assistant Professor

- Pursuing PhD under VTU
- Participated in Faculty Development Program on "Blockchain & Web3" Organized by the Department of CSE & CSE (Data Science), Sri Siddhartha Institute of Technology, SSAHE, Karnataka from 10th March to 17th March 2025
- Successfully completed 5 Days FDP On "Emerging Topics in applied Science" from 4th to 8th Feb 2025
- Published a patent titled "Analysis and Detection of Arrhythmia Using Deep Learning Algorithm" Application No 202441074420 A.

- SPOC for Smart India Hackathon 2024 for the 3rd Time

Students' Achievements:

- Pratham P Shetty (4SN22AI048), Ananya Udupa (4SN22AI009), Vrushali A Poojary (4SN22AI062), Dhanyashree (4SN22AI023) are Top 10 Finalists of EDU-VITALITY Hackathon by IEEE ComSoc & Intel and received a one-day workshop on intel's AI PC at Intel's Bangalore office.
- Pratham P Shetty (4SN22AI048), Ananya Udupa (4SN22AI009), Vrushali A Poojary (4SN22AI062), Dhanyashree (4SN22AI023) secured 2nd Place at SPRINTHACK 2025 hackathon (Dept. of AI & DS, Srinivas Institute of Technology)
- Pratham P Shetty (4SN22AI048), Vrushali A Poojary (4SN22AI062), Swathi (4SN21AI054) Adarsh SM (4SN21AI005) Secured 1st place in SRINATHON a national level Hackathon at Srinivas institute of technology
- Adarsh SM (4SN21AI005), Pratham P Shetty (4SN22AI048) contributed for developing the SIT Mangalore app and alumni website.
- Pratham R, Gowthami Bhandarkar, Rindiya and Praveen Bagali Published a paper titled "Comparative analysis of deep learning models for pneumonia detection" published in IJRAR journal 43602, volume 12 issue 1 january 2025 date of publication 23 january 2025
- Thomas Benny, Vdhu, Adish and Ajmal Published a paper titled "Mathematical computations through hand gestures" in International Journal of Research and Analytical Reviews, Volume 12 Issue 1 January 2025

DEPARTMENT OF ARCHITECTURE

Activities of ARCHIHOLICS

- The annual departmental fest, Archiholics, under the theme TRENOVA, was held from the 23rd to the 26th April 2025.
- A talk was organised with Architect Sharath Nayak, director and principal architect of Biome, on the 25th April 2025 under the aegis of the department's annual fest, Archiholics.
- A talk was organised by ALSTONE construction materials company on the 25th of April 2025 under the aegis of the department's annual fest, Archiholics.
- A talk was organised with Architect Neelam Manjunath, principal architect of Manasaram Architects, on the 24th of April 2025 under the aegis of the department's annual fest, Archiholics.

- Signed an MOU with the Nirmiti Kendra Dakshin Kannada, under the aegis of the Dakshina Kannada district administration, on the 23rd of April 2025.
- A workshop on paper engineering was organized for students of 1st and 2nd year with resource person, a mathematics professor, Arun Desai of Studio Chitte - Bengaluru on the 11th and 12th of April 2025 as a pre-run to the departmental fest Archiholics - Trenova that was to be held later in the month.
- Signed an MoU on 4th February 2025 with Ar. Amrit Narkar of Studio Subtle, Nepal. Signed an MoU on 31st January 2025 with the Department of Architecture, Institute of Engineers, Pulchowk Campus, Tribhuvan University.
- Organised a 7-day international trip to Nepal from 31st January 2025 to 2nd February 2025.

- A session conducted by Associate Professor Ar. Caroline D'Souza to sensitize the students of the 1st year and the office staff about the provisions of the act "Prevention of Sexual Harassment of Women at the Workplace (Prevention Prohibition and Redressal) Act, 2013" on 11th January 2025.
- Conducted a career guidance program on 15th December, 2024, for PU students at Hotel Saffron Mangalore as an outreach programme.
- Took part in the exhibition, Echoes of the Past, Visions for Tomorrow, for the city via the Dakshina Kannada District Administration for Heritage Week in November 2025. Architectural heritage documentation of multiple heritage sites was showcased to the public in this 3-day event.
- Organized a "Bridge Building Competition using Popsicle Sticks" for first-year B.Arch students on 23rd November 2024 as part of the "Joyous Learning" initiative of the college.
- An intellectual storytelling session on architectural elements through photography was conducted by Ar. Shravya Hegde for first-year students on the 12th November 2025.
- Organized a one-day hands-on workshop on brick vaults and domes on 07th November 2024 for students of the 3rd semester. The workshop was held at the Dakshina Kannada Nirmithi Kendra, Surathkal.
- Conducted a General Knowledge Quiz for the first-year B. Arch students on 5th November at 12 pm as a part of "Joyous Learning." There were 13 students, who were divided into 4 groups. The quiz was conducted by Ar. Sangeeta and Er. Vijayalaxmi Kedilaya B.
- The 3rd, 5th, and 7th semester students visited ongoing construction sites from 10th to 12th September 2024, accompanied by their faculty member, Ar. Ramadasa Prabhu. The students explored construction sites, including the NMPT Hospital building, Mukka Hostel building, Mukka College building, and the Tensile Open Bhavan.
- Organized a technical presentation by Nexion Tiles and Fundermax cladding on 24th October 2024 in order to facilitate good decision-making in academic and real-life design problems. The faculty coordinators were Ar. Leslie J. Dias and Ar. Colin A. Pinto.
- V semester students visited New Delhi and Agra from 5th August 2024 to 9th August 2024. There were 20 students accompanied by their design faculty, Ar. Leslie J. Dias.
- The III semester students undertook a study tour to Goa as part of their Architectural Design case study from 17th to 20th August 2024. The group comprised 13 students, who were accompanied by their design faculty, Ar. Ramadasa Prabhu.
- Submitted detailed documentation of the DC Office Heritage Building to the District Administration on 15th August 2024 as part of the Independence Day Celebration on its premises. This was an initiative to contribute the department's expertise towards the sustainable development of our city.
- Hosted an exhibition titled "Daur-e-Tamir" (Era of

Architecture) on 23rd and 24th September, 2024, highlighting the creative work and research of the fifth semester. B. Arch students. Under the guidance of faculty members Ar. Leslie J. Dias, Ar. Sangeeta S., and Ar. Chandrakiran, students meticulously documented their observations and analyses of Delhi study tour

- The 1st and 3rd year students visited the Indoor Stadium for Kabaddi and Shuttle Badminton, an ongoing project under Mangalore Smart City Limited, on 1st June, 2024. The site visit was undertaken as an academic requirement for both batches.

WORKSHOPS/CONFERENCES/PUBLICATIONS AND ACHIEVEMENTS OF FACULTY MEMBERS:

Prof. Caroline D'Souza; Associate Professor

- Editor of the book 'From Shrines to Skylines - Nepal through our eyes' under publishing house, Sudana Kittel Centre for Development Studies released on 23rd April 2025 with ISBN number: 978-81-954635-6-5 (hardcopy) | e-ISBN: 978-81-95635-4-1 (e-copy)
- Co-designed the exhibition, representing Srinivas Institute of Technology and Srinivas School of Architecture, named "Echoes of the Past, Visions for Tomorrow" for the city via the Dakshina Kannada District Administration for Heritage Week in November 2025.
- Invited by Rohini Nilekani Philanthropies to give a talk/presentation on 'Heritage aspects of the city and their Connection with Climate Resilience' on 16th October 2025.
- Coordinated and contributed architectural heritage base drawings of the Old DC Office, which were created for the Council of Architecture Heritage Awards 2025, on 15th August 2025.

Prof. Sangeeta S., Assistant Professor

- Completed the NPTEL SWAYAM course, equivalent to a 1-week Faculty Development Programme, on "Research Methodology for Planning and Architectural Studies" in Jan-April 2025.
- Editor of the book 'From Shrines to Skylines - Nepal through our eyes' under publishing house, Sudana Kittel Centre for Development Studies released on 23rd April 2025 with ISBN number: 978-81-954635-6-5 (hardcopy) | e-ISBN: 978-81-95635-4-1 (e-copy)
- Published a paper named "Climate-Responsive Design: A Comparative Study using Mahoney Table Across Diverse Indian Climates," International Journal For Research in Applied Science and Engineering Technology (IJRASET) ISSN: 2321-9653 Volume 13 Issue II Feb 2025. (DOI: 10.22214 / ijraset. 2025.67042)
- Completed a course on "Excel Masterclass - Beginners to Advance" Nurturetech Academy in February 2025
- Completed NPTEL SWAYAM course, equivalent to a 1-week Faculty Development Programme, on "Introduction to Urban Planning - 2024," and achieved the distinction of being a Topper (ranked in the top 5%) in July-Sept 2024
- Completed a 5-day online training program conducted by COA - TRC on "Teaching and Applying Architecture Through Humanities," from July 22 to 26, 2024. T Completed a Udemey course on QGIS & Google Earth

Engine for Environmental Applications in April 2025

Prof. Shravya Hegde, Assistant Professor

- Editor of the book 'From Shrines to Skylines - Nepal through our eyes' under publishing house, Sudana Kittel Centre for Development Studies released on 23rd April 2025 with ISBN number: 978-81-954635-6-5 (hardcopy) | e-ISBN: 978-81-95635-4-1 (e-copy)

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Activities of ASCEE (Association of Computer Science and Engineering Educatee)

- A hands-on workshop on full-stack development was organized by ASCEE for 6th semester students on 6th July 2024.
- A talk on Innovate to Elevate: Ideation & Validation Strategies by Mr. Gaurav Kamath, CEO, Microdegree, was held on 6th July 2024.
- A hands-on workshop on machine learning was organized by ASCEE for 6th semester students on 12th July 2024.
- A workshop on ASP. net Core by Mr. Freedal Rubin Rodrigues, Software Engineer, Nuvteq Solutions Pvt. Ltd, Bengaluru, was organized on 13th July 2024.
- The Web Development Hands-on Workshop was organized by ASCEE for 6th semester students on 16th July 2024.
- ASCEE organized Teachers Day to commemorate the birth anniversary of Dr. S Radhakrishnan on 5th September 2024.
- An ultimate Tech Wizard competition, TechFusion, was organized for 7th semester students on 20th and 21st September 2024.
- A coding contest, Tech Titans, was held for 7th semester students on 1st October 2024.
- BrainStorm—An aptitude skill test was organized for 5th semester students on 17th October 2024.
- A mini hackathon inter-department contest, BrainBytes was organized on 28th October 2024.
- The inaugural function of ASCEE activities for the year 2024-25 was inaugurated by the chief guest, Ms. Vaishnavi Padiyar, project engineer, WIPRO, Bengaluru, on 8th November 2024.
- ASCEE organized a Mindhack- Game Guess Conquer contest on 18th November 2024.
- Parichay-the freshers party—was held on 2nd December 2024 to welcome the branch entry students.
- A Heritage Walk was organized for 2nd year students on 5th December 2024 as a part of social connect and responsibility.
- A Seminar on Soft Skills through the innovative mediums of game-based learning & story telling by Mr. Bhaskar Pai, Chief Customer Officer & Facilitator, TANTALUM Academy was held on 6th December 2024.
- An Yoga event- Breath & Balance was held on 9th December 2024 for 2nd- year students.

Student Achievements:

- Ashitha K., 5th year B.Arch got shortlisted to the top 20 in the Onion Project 2025 organised by WCFA, Mysore. The design competition involved both professional and nonprofessional categories, where the top 20 works will be published and released as a design book.

DEPARTMENT OF COMPUTER SCIENCE AND BUSINESS SYSTEM

Activities of BASICS (Business Associated Students of Integrated Computer Synergy)

- The inaugural function of Samarpan was held on 15th July 2024. The inaugural ceremony was followed by a talk by Dr. Sooryakrishna K., HOD of EC Dept.
- IIC organized a workshop on 'FIGMA' on 20th July 2024. The resource person was Mr. Ankith Bangera, Flutter Full Stack Developer, Parrophi Private Limited.
- IIC, BASICS, and the NVIDIA Center of Excellence organized a two-day workshop on 'AI Programming using NVIDIA Jetson Kits' on 4th and 5th June 2024. The resource persons were Mr. Chinmaya Ramana and Mr. Monish, Ethical Security Experts, SIT Mangaluru.
- IIC and IP Cell, in association with the CSBS Department

Association "BASICS" organized a Technical talk on 'Journey to Entrepreneurship' on 23rd November 2024.

- Organized a Technical talk on 'INNOVATIVE REPORT WRITING USING LATEX FOR ENTREPRENEURS' on 27th November 2024.
- Organized an online technical talk on 'CLOUD COMPUTING ON AWS' on 29th November 2024.
- The students of 3rd semester visited Rani Abbakka Tulu Adhyayana Kendra on 9th December 2024.
- Organized a Business Conclave 2024 Grand Finale for 5th-semester students on 17th December 2024.
- Organized a Project Expo for 5th-semester students on 17th December 2024.
- The association's inaugural function of BASICS was

held on 19th December 2024. The association was inaugurated by the chief guest, Mr. CMA Ramsankar Mishra, Senior Manager, Finance, MRPL, Mangalore.

- Organized a talk on the topic "Role of Startups in Society" on 16th January 2025. The resource person was Mr. Shailesh Shetty S
- The students of 6th semester visited DevApps IT Solutions Pvt Ltd 21st February 2025.
- Organized SYSBASICS HACKATHON on 24th and 25th February 2025.
- Organized a Technical talk on the topic "Claim the Right - A Practical Guide to Patent writing" on 27th February 2025. The resource person was Mr. Gautham S Shetty.
- Organized a Poster Making Competition on 28th February 2025.
- Organized a virtual technical talk on the topic "Startup Blueprint and Ethical hacking" on 15th March 2025.
- Organized a workshop on Full Stack Development on 20th March 2025. The resource person was Mr. Vipul, Full Stack Developer.
- Organized a workshop on "BMC in the Digital Age- Balancing Innovations and cybersecurity" on 25th March 2025.

WORKSHOPS/CONFERENCES/PUBLICATIONS AND ACHIEVEMENTS OF FACULTY MEMBERS:

Mr. Shailesh Shetty S, Professor and Head Computer Science and Business System

- Published a patent on the topic "An integrated neural network and natural language processing system for stock market prediction" on 5th April 2024.
- Published a patent on the topic "Wearable Antenna System for Continuous Health Monitoring in Medical Body and Area Networks" on 5th April 2024.
- Published a patent on the topic "A system and method for non-invasive diagnosis of diseases using pulse-assessing Ayurvedic principles" on 5th April 2024.
- Attended a one-week online national faculty development program on "Data Visualization Using Tableau" conducted from 1st to 5th April, 2024, organized by the Department of Computer Science and Engineering, Mohan Babu University, Tirupati, Andhra Pradesh & EXCEL R EDTECH PVT. LTD.
- Attended a 30-hour live training program on Salesforce held from 15th July to 2nd Aug 2024.
- Attended a 5-day faculty development program on cloud architecture jointly organized by Vardhaman Engineering College, Shamshabad-Hyderabad; AVS Engineering College, Salem - Tamil Nadu; and JSS Science and Technology University, Mysore-Karnataka, in collaboration with Excel R Edtech Pvt. Ltd., from 18th to 22nd Nov 2024. (Virtually)
- Delivered a talk on the topic "An Opportunity to Understand the Essence of Startups" on 5th July 2024 at SIT, Mangalore.
- Conducted a one-day workshop on "Blockchain" during CODEMEET 2024, organized by Srinivas University Institute of Engineering & Technology, Mukka, Mangaluru, on 19th October 2024.
- Participated as a judge for the "Hackathon Event" during

CODEMEET 2024 organized by Srinivas University Institute of Engineering & Technology Mukka, Mangaluru, on 21st October 2024.

- Conducted a 5-day session on "Programming with Python" for the students of 2nd-year MSc Business Analytics from 21st to 25th October 2024 at MAHE Manipal.
- Conducted a 2-day hands-on session on "Blockchain and Smart Contracts" on 20th and 21st November 2024 at National Forensic Sciences University, Goa campus.
- Participated as a resource person for the session on "Entrepreneurship and Innovation as a Career Opportunity" on 28th November 2024 at SIT, Mangalore.
- Participated as a resource person for the session on "From Idea to Impact" on 28th November 2024 at SIT, Mangalore.

2024 (virtually).

Student Achievements:

- Sudharma, Keerthik D U and Goutham D of 6th Sem Computer Science and Business System completed various Bootcamps in Pune, Bangalore and Gulbarga through SIT Start Up and Incubation Cell.
- Goutham of 6th Sem Computer Science and Business System won a silver medal in Javelin Throw at VTU State Level Athletic meet in JNNCE Shimoga on 15th March 2025.
- Goutham of 6th Sem Computer Science and Business System participated in All India National Athletic Meet held at Bhubaneshwar, Odisha on 26th December 2024.
- Goutham of 6th Sem Computer Science and Business System won a Gold medal in Javelin Throw at Dasara Athletic Meet in Mangala Stadium on 23rd September 2024.
- Goutham of 6th Sem Computer Science and Business System won a Silver medal in Javelin Throw at Dasara Athletic Meet in Mangala Stadium on 26th September 2024.
- Goutham of 6th Sem Computer Science and Business System won a Bronze medal in Javelin Throw at Dasara Athletic Meet Mysore Division in Mangala Stadium on 28th September 2024.
- Goutham and Preetesh of 6th Sem Computer Science and Business System won a runners medal in Kho Kho Mangalore zone on 4th October 2024 and participated in State Level VTU Kho Kho Tournament held at SIT, Tumkur.
- Manish Shetty and Dhanush A of 4th sem Computer Science and Business System who represented Team SIT won the first place under senior category in the innovation fair 2025 held at pilikula on 28th March 2025.

DEPARTMENT OF COMPUTER SCIENCE AND DESIGN

Activities of ACODE (Association of Computer Science and Design Engineering)

- The 3rd and 5th semester NSS students organized a one-day plantation drive on September 17, 2024, as part of the Swachhata Hi Sewa (SHS) Campaign.
- Organized an Expert Technical Talk “From Idea to Code: Simplified Program Building” on 18th September 2024 in Association with IIC. Mr. Aditya Bhat Director, Swizosoft was the Resource person.
- Organized a “Logo Quest Competition” from 30th September to 3rd October 2024 Under the guidance of ACODE Faculty Coordinator, and with the support of student coordinators Deeksha Shetty and Malavika Ganesh M.V., the event challenged participants to create logos on the theme of “Nature and Environment”.
- Students from the 3rd and 5th semesters organized a ‘Swachh Bharath’ cleanliness drive on 30th September 2024.
- Organized an event, “Dumb Charades” on 3rd October 2024 under the Association of Computer Science and Design (ACODE) with the support of student coordinators

Raksha Shetty and Vaishnavi Mambady.

- Organized a workshop “Principles of Programming-Python” from 21st October 2024 to 26th October 2024 in Association with IIC and Swizosoft. Mr. Aditya M Bhat Director, Swizosoft was the Resource person. The workshop on “Innovative Programming Principles with Python” was conducted with the aim of equipping participants with a foundational understanding of programming concepts and hands-on experience in Python programming.
- Organized “Treasure Seeker” competition on the 30th of October.
- The Department of Computer Science and Design, in association with the Association of Computer Science and Design Engineering (ACODE), organized a ‘Tobacco Campaign.’ This event was held on 15th November 2024.
- The combined association inaugural function of AISE and ACODE was held on 6th November 2024. The event was invoked by Joshna and team of 3rd sem ISE, followed by welcome address by Sinchana Secretary of AISE.
- The Department of Computer Science and Design in

association with IIC at Srinivas Institute of Technology, Mangaluru, organized a “Innovation Quest:Quiz Challenge” on 21-11-2024 under the Association of Computer Science and Design (ACODE).The event attracted 80 enthusiastic participants who engaged in an exciting aptitude and technical quiz.

- The Department of Computer Science and Design, in association with the Association of Computer Science and Design (ACODE), organized the event “Innovative Bug Hunting” on 25th November 2024, under the Institution's Innovation Council (IIC 7.0).
- The Association of Computer Science and Design Department, has taken a pledge on account of Constitution Day on 26th November 2024. Constitution Day typically refers to the day on which a country commemorates the adoption or promulgation of its constitution
- The Department of Computer Science and Design, in association with the Association of Computer Science and Design (ACODE), organized the event “Innovative

Bug Hunting” on 25th November 2024, under the Institution's Innovation Council (IIC 7.0). The event was a competition among students, with 25 teams from various semesters.

- The Department of Computer Science and Design, in association with the Association of Computer Science and Design Engineering (ACODE), organized a ‘Heritage Visit and Innovation Outreach Program’ in collaboration with the Institution's Innovation Council (IIC) on 27th November 2024 at Pilikula Heritage Village, Mangaluru.
- The students of the 3rd Semester from the Association of Computer Science and Design (ACODE), in collaboration with the NSS unit of Srinivas Institute of Technology, Valachil, organized a Swachh Bharat event on 27th November 2024 at Pilikula, Mangaluru.
- Under the banner of ALTIUS 2024, organized by Srinivas Institute of Technology, the Department of Computer Science and Design (CSD) conducted five engaging events on 3rd December 2024.

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

Activities of STEADY (Srinivas Techies Electronics association of Dynamic Youngsters)

- On 27th April 2025, the 6th Semester ECE students visited Belur, Halebidu, Manjarabad Fort, and Sakleshpur as part of the Indian Knowledge System (IKS) subject curriculum.
- Organized an Aptitude Workshop in association with TIME Mangalore on “Sharpening Minds: Boosting Skills and Academic Excellence” on 29th April 2025. The resource person was Mr. Ganesh Hebbar.
- In association with IIC, EDP Cell, and STEADY, organized a session on “Business Model Canvas” on 28th April 2025 at the Seminar Hall. The session was conducted by Mrs. Ashwini, Assistant Professor, Department of MBA.
- Conducted a session on “Financial Planning and Investment Strategies for Startups” on 21st April 2025. The resource person was Mr. Sadanand Poojary.
- Organized a workshop on “Protecting Intellectual Property Rights (IPR) and IP Management for Start-ups” on 3rd April 2025. The resource person was Dr. Mustafa Basthikodi.
- Conducted a Poster Presentation on Business Plan competition on 27th March 2025.
- Organized an insightful session on “How to Plan for Startup and Legal and Ethical Steps” on 10th March 2025. The session was delivered by Prof. Shashank S.
- Conducted a Workshop on Prototyping and Designing IoT-Enabled Electronic Circuits using Tinkercad on 4th March 2025. The session was led by Dr. Soorya Krishna K.
- Organized a motivational session on “The Power of Voice: Verbal Self-Defence and Boundary Setting” on 1st March 2025.
- In collaboration with the Yukti Cell, conducted the Intra-Institutional Innovation Competition on 28th February 2025.
- In association with STEADY and Nirmithi Studios, conducted a workshop on “Achieving Problem-Solution

Fit and Product-Market Fit” on 27th February 2025.

- Conducted a workshop on “Process of Innovation Development and Technology Readiness Level – Applied to Electronics” on 25th February 2025.
- Organized a workshop on “Effective Sales and Marketing Strategies for Entrepreneurs/Startups” on 24th February 2025, led by Mrs. Mallika, Assistant Professor, Department of MBA.
- As a part of ALTIUS 2K24, in collaboration with IIC, conducted events such as Build Blitz, Study Summit, Triathlon of Minds, and Digi Design on 3rd December 2024.
- In association with IIC, IP Cell, and CSBS Association “BASICS”, organized a talk on “Process of Patenting” on 22nd November 2024.
- Two project teams from the ECE Department of SIT participated in TechZooka 2024, a technical and innovation event hosted by Infosys Mangalore DC Nethra Campus on 21st November 2024.
- In collaboration with Yukti Cell, conducted the “POINT PERFECT” Intra-Institutional Idea Competition on 20th November 2024.
- The Mandala Art Competition was organized by the STEADY Association on 15th November 2024, promoting creativity and artistic expression.
- As part of the Outreach Programme, a team from the ECE Department visited 29 II PUC colleges across Uttara Kannada from 11th to 16th November 2024. The team included Mr. Gourish Hegde, Mr. Rakesh Malliya, and Mr. Shashank.
- Mr. Sathish Kumar, Mr. Clitus, and Mr. Ravi visited St. George PU College, Nelyadi on 15th November 2024, as part of a technology transfer outreach program.
- On 11th November 2024, the 3rd-semester students visited the Hasta Shilpa Heritage Village Museum, Manipal, as a part of a field visit.
- Organized a workshop titled “IoT: Wired for Innovation” conducted by Mr. Bhargavachari S P, 4th Year ECE

student, on 6th November 2024.

- Celebrated Deepavali by organizing a Mehendi and Gududeepa (Lantern) Competition on 30th October 2024.
- The inaugural of the STEADY Association was held on 22nd October 2024, with Ms. Neha Cherian, Application Development Analyst at Accenture, as the Chief Guest.
- Conducted an Intra-Institutional Gaming Competition (Ludo) under the STEADY Association on 18th October 2024.
- Celebrated Sharada Pooja on 10th October 2024 in the Analog Electronics Lab and SSOSC Lab.
- Organized a Rangavalli Competition on 9th October 2024.
- A talk on "Opportunities for ECE Graduates" was organized for 3rd and 5th semester students on 7th October 2024. The speaker was Mr. Abdul Shaheel, alumnus (Batch 2022), currently working as a Powertrain HIL Automation Engineer at Renault Nissan Technology & Business Centre India.
- A Cleanliness Drive was organized by STEADY Association in collaboration with the NSS Unit on 3rd October 2024.
- On the occasion of Teacher's Day, STEADY and CSBS Association "BASICS" felicitated Mr. Balakrishna Rao, Principal, Jnanaganga College, and Mrs. Sumathi B. Rao, Teacher, SNV College, on 30th September 2024.
- Celebrated Engineer's Day by conducting the event "Pictoquest" on 20th September 2024.
- The Robotics Club "TECHBOTS-SIT" was inaugurated in the ECE Department on 14th September 2024, with Mr. Aditya R. Poonja from Vanora Robots as the Chief Guest.
- As part of the Induction Program, first-year ECE, AE, and EEE students visited Bharath Agrovet Industries Pvt. Ltd., Thumbe, on 13th September 2024.
- On 11th September 2024, the 3rd-semester ECE students participated in the symposium "Prajna 24", organized by the Ramakrishna Mission, Mangaluru.
- In collaboration with Yukti Cell, organized a Demo Day to showcase innovations and startup projects on 15th July 2024.
- Organized a C Programming Hackathon titled "Innovation Challenge" in association with IIC on 10th July 2024.
- In association with NSS, organized a dental checkup camp for students and faculty on 4th July 2024, conducted by doctors from Srinivas Institute of Dental Sciences.
- Organized an International Conference on "Technology for Industry 4.0 Revolution (ICTIR-2024)" in collaboration with the EEE Department on 29th June 2024. Dr. R.K. Hegde, HOD of Aeronautical Engineering, inaugurated the event.
- Observed International Day against Drug Abuse and Illicit Trafficking on 26th June 2024 to raise awareness among students.
- Conducted a pencil sketching competition on 26th June 2024 with the theme "Nature."
- Organized a problem-solving competition using Arduino on 8th June 2024.
- Held an Online Poster Design Competition on 5th June 2024 to commemorate World Earth Day.
- In association with the Electronics & ICT Academy, IIT Roorkee, the ECE and EEE Departments conducted a Faculty Development Program (FDP) on "Cyber Security

for Robotics & Unmanned Aerial Vehicles" from 3rd to 7th February 2025.

- The International Conference on Technology for Industry 4.0 Revolution (ICTIR-2024) was held on June 28 and 29, 2024

WORKSHOPS/CONFERENCES/PUBLICATION AND ACHIEVEMENT OF FACULTY MEMBERS

Dr. Soorya Krishna K, Head

- Participated in an online course titled "AIML for Geodata Analysis" conducted by ISRO's Indian Institute of Remote Sensing, Dehradun, from August 19-23, 2024.
- Successfully completed a one-month online FDP on "VLSI" conducted by SkillDzire in September 2024.
- Successfully completed an NPTEL-AICTE Faculty Development Program (FDP) on "Electronic Systems Design: Hands-On Circuits and PCB Design with CAD Software" in October 2024.
- Completed a course on "VLSI Digital Design - Chip Design and Verilog Programming" from Infosys Springboard on November 18, 2024.
- Received the Best Paper Award for the Presented paper titled "Raga Yakshagana: Machine Learning for Yakshagana Bhagavathige's Raga Recognition" at the IEEE International Conference on Computing, Semiconductor, Mechatronics, Intelligent Systems, and Communications (COSMIC-2024) on November 22-23, 2024, held at Sahyadri College of Engineering and Management
- Successfully completed a course on "VLSI Chip Design and Simulation with Electric VLSI EDA Tool" from Coursera and L&T EduTech on January 7, 2025.
- Presented a research paper entitled "CRICFORECAST: Predicting the Player's Performance in the Next Match" at the Fifth International Conference on VSPICE-2025 held at NMAM Institute of Technology, Nitte, India, during February 6-7, 2025.
- Completed a one-week FDP on "Cyber Security for Robotics and Unmanned Aerial Vehicles" organized by EICT Academy and SIT Mangalore from February 4-8, 2025.
- Participated in a two-week online FDP on "VLSI System Design using Open Source Tools" jointly organized by the Electronics and ICT Academies from February 10-21, 2025.
- Secured funding from KSCST for the project titled "Digital Parking Assistance" during the academic year 2024-25.
- Received 100 VSDSquadron Mini Boards from VLSI System Design (VSD), powered by Samsung Semiconductor India Research (SSIR), as part of the RISC-V Mission 2025.
- Filed a patent on "Design and Implementation of Heat Sink for 2-Wheeler Electric Vehicle" on 29/09/2024, which was published on 04/10/2024.

Mr. Gourish Hegde

- Participated in a 5-day FDP on 'From Machine Learning to Tiny ML' from 1st to 5th April 2024, organized by the Department of E&C Engineering and E&E Engineering at SIT, Mangalore.
- Participated in Faculty Development Program on Cyber Security for Robotics and Unmanned aerial vehicles(UAV) organized by electronics and ICT academy IIT Roorkee

in association with GIET university Odisha and srinivas Institute of Technology, Mangalore from 4-2-2025 to 8-2-2025

Mr. Sathish Kumar K

- Participated in Faculty Development Program on Blockchain & Web3 Awarded To Organized by the Department of CSE & CSE (Data Srinivas Institute of Technology, Mangalore, Karnataka, in Collaboration with ExcelR Edtech Pvt. Ltd. Date: 10th March to 17th March 2025.
- Participated in Faculty Development Program on Cyber Security for Robotics and Unmanned Aerial Vehicles (UAV) organized by electronics and ICT academy IIT Roorkee in association with GIET university Odisha and srinivas Institute of Technology, Mangalore from 4-2-2025 to 8-2-2025
- Patent titled "PORTABLE CHATGPT TERMINAL SETUP USING ESP32 AND TFT SCREEN" is published on 12/07/2024 bearing Application. No. 202441050413A.
- Invited as guest of honor and resource person to "TECCRAFT REXPO 2024" on 15th November 2024 held at ST GEORGE PRE UNIVERSITY COLLEGE Nelyadi.

Mr. Rakesh Mallya

- Received the Best Paper Award for the Presented paper titled "Raga Yakshagana: Machine Learning for Yakshagana Bhagavatige's Raga Recognition" at the IEEE International Conference on Computing, Semiconductor, Mechatronics, Intelligent Systems, and Communications (COSMIC-2024) on November 22-23, 2024, held at Sahyadri College of Engineering and Management.
- Participated in Faculty Development Program on Cyber Security for Robotics and Unmanned Aerial Vehicles (UAV) organized by the Electronics and ICT Academy IIT Roorkee in association with GIET University Odisha and srinivas Institute of Technology, Mangalore from 4-2-2025 to 8-2-2025.
- Presented a research paper entitled "CRICFORECAST: Predicting the Player's Performance in the Next Match" at the Fifth International Conference on VSPICE-2025 held at NMAM Institute of Technology, Nitte, India, during February 6-7, 2025
- Published a patent on "An Integrated Neural Network and Natural Language Processing system for Stock Market Prediction".
- Published a patent on "Wearable Antenna System for Continuous Health Monitoring in Medical Body Area Networks".
- Published a patent on "A System and Method For Non-Invasive Diagnosis of Diseases using Pulse Assessing Ayurvedic Principles".

Mrs. Deeksha

- Participated in a 5-day FDP on 'From Machine Learning to Tiny ML' from 1st to 5th April 2024, organized by the Department of E&C Engineering and E&E engineering SIT, Mangalore.
- Completed a course on market research-research methodology— from infosys springboard on March 2024
- Published a paper 'from Artificial neural networks to spiking neural networks -A comprehensive review in global Journal of Research in Engineering and Computer Science Volume 04 | Issue 03 | May-June | 2024
- Completed course on Research Methodology Doing

Doctoral-Level Research (DDLRL) held from January 2024 to July 2024 conducted by Srinivas University

- Participated in 5 days FDP on 'Research and Publication Ethics' from 22/07/2024 to 26/07/2024 organized by Srinivas University
- Participated & completed AICTE Training And Learning (ATAL) Academy Faculty Development Program on Next-Generation Energy Storage: Integrating Advanced Electronics and Sensor Technologies at SRINIVAS UNIVERSITY INSTITUTE OF ENGINEERING & TECHNOLOGY from 18/11/2024 to 23/11/2024.
- Participated in Faculty Development Program on Blockchain & Web3 Awarded To Organized by the Department of CSE & CSE (Data Science), Srinivas Institute of Technology, Mangalore, Karnataka, in Collaboration with ExcelR Edtech Pvt. Ltd. Date: 10th March to 17th March 2025.
- Participated in Faculty Development Program on Cyber Security for Robotics and Unmanned Aerial Vehicles (UAV) organized by electronics and ICT academy IIT Roorkee in association with GIET university Odisha and srinivas Institute of Technology, Mangalore from 4-2-2025 to 8-2-2025

Mr. Clitus Neil D Souza

- Participated in the Faculty Development Program on Cyber Security for Robotics and Unmanned aerial vehicles(UAV) organized by electronics and ICT academy IIT Roorkee in association with GIET university Odisha and Srinivas Institute of Technology, Mangaluru from 4-2-2025 to 8-2-2025.
- Participated in a 5-day Faculty Development Programme on "From Machine Learning to Tiny ML" from 01-05 April 2024 organized by Dept of ECE and Dept of EEE, Srinivas Institute of Technology, Mangaluru.
- Completed NPTEL-AICTE Faculty development program on "Introduction to Machine Learning" in September 2024.
- Patent titled on "PORTABLE CHATGPT TERMINAL SETUP USING ESP32 AND TFT SCREEN" is published on 12/07/2024 bearing Application. No. 202441050413A.
- Topper in NPTEL Introduction to Machine Learning July-Sep 2024.
- Completed NPTEL-AICTE Faculty development program on "Machine Learning for Engineering and Science Applications" in April 2024.

Mrs. Flavita Janice Pinto

- Participated in 5 days FDP on 'From Machine Learning to Tiny ML' from 1st to 5th April 2024, organized by the Department of E&C Engineering and E&E Engineering at SIT, Mangalore.
- Attended a 5-day workshop on 'RESEARCH AND PUBLICATION ETHICS' by Srinivas University from 22-26th July 2024.
- Participated in a One week international virtual workshop on 'EXCELLENCE IN RESEARCH METHODOLOGY' from 23-28th September 2024, organized by the department of English and other foreign languages, SRM Institute of Science and technology.
- Participated in the 'Online National Workshop on Best Research Practices in Global Context' organized by Central Library and Research & Development Cell on 14 October, 2024.
- Attended national webinar on ' Learning Ignited, Leaders

Inspired', by MCM on 23 August 2024.

- Participated in the international FDP on 'HIGHER EDUCATION IN AN AI CENTERED WORLD' organised by the Faculty of Management and commerce in association with Centre of Excellence - Centre for Sustainability and Business - PES University - Bengaluru - India on 17th September 2024.
- Participated in FDP on "Cyber Security for Robotics & Unmanned Aerial Vehicle (UAV)" organized by EICT Academy, IIT Roorkee from 4-2-2025 to 8-2-2025 .
- Participated in the Faculty Development Program on "Blockchain & Web3", Organized by the Department of CSE & CSE (Data Science), in Collaboration with ExcelR Edtech Pvt. Ltd. from 10th March to 17th March 2025.

Students' Achievement:

- Shreya Bhat, Ashwini G, Incara D. R., and Aishwarya D. (4th Semester), along with Rachana K. P. and Kavya (8th Semester), represented SIT in the Zonal Level VTU Women's Kabaddi Team.
- Sadwini, Likhitha, and Vasudha (4th Semester) represented SIT in the Intercollegiate Women's Kho-Kho Championship held in Mysuru.
- Sadwini (4th Semester) also participated in the 800m and 1500m events at the VTU Intercollegiate Athletic Championship held in Shivamogga.
- Rakesh, Nithesh Patil, and Rajesh (6th Semester) represented SIT in the Intercollegiate Kho-Kho Championship held in Mangaluru.
- Jayapraksh B S (6th Semester) represented SIT in the Intercollegiate Kabaddi Championship held in PA

College, Mangaluru.

Riktha Kiran

Powerlifting:

- GOLD Medal: Intercollegiate Championships (Mysore & GIT Belgaum)
- National Level: 13th (Himachal Pradesh), 6th (Chennai)
- State VTU: GOLD medal (New Horizon College, Bangalore - also qualified for Nationals)

Weightlifting:

- GOLD medal: Intercollegiate (VIT Bangalore), C.M Cup (Mysore), State Level (Junior & Senior, Kanteerava Stadium Bangalore), State VTU (Alvas Engineering College Moodabidre - also Best Women Lifter medal)
- National Level: 5th (South West), 5th Junior & 6th Senior (ASMITA Khelo India, Indore)
- South-West Inter-University: 9th (Acharya Nagarjuna University)
- State Level: Silver medal (Mysore Divisional Dasara, C.M Cup)
- State Olympics: 4th (Mangalore, 2025)

Athletics (Discuss Throw & Shotput):

- GOLD medal: Intercollegiate (Belagavi)
- DKAA Meet: Participated
- KAA: Silver medal (Discuss), Bronze medal (Shotput), 4th (Discuss)
- VTU Meet: Silver medal (Shotput), Bronze medal (Discuss)
- VTU Athletics Meet 2025 (Shivamogga): Bronze medal (Discuss), Bronze medal (Shotput)

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

ACTIVITIES OF ELITE

- The Department of Electrical and Electronics Engineering organized a program on the occasion of Energy Conservation Day in association with the Bureau of Energy Efficiency and Karnataka Renewable Energy Development Limited on 17th January 2025. The chief guest was Dr. Suryanarayana K, Head of the Department of Physics, SIT.
- Constitution Day was celebrated on 26th November 2024 by NSS unit of department of Electrical and Electronics in association with ELITE, students' association of department of Electrical and Electronics. The Preamble was read by 30 students and all the faculty of the department
- Conducted LOGO TRIVIA event on 22th November 2024. This event was organized by P. Apoorva Shenoy, under the guidance of ELITE Coordinator Prof. Sri Rama.
- Organised a technical talk on "3D evolution in semiconductor" by Ms. Anusha A M, Senior Analog Layout Engineer, Qualcomm India Pvt. Ltd which was held on 16th November 2024.
- The Inaugural Function of ELITE, the Association of Electrical, and Electronics Engineering, for the academic year 2024-25 wads held on 16th November 2024 at the R&D Lab, Library Block, Srinivas Institute of Technology, Mangalore. Ms. Anusha AM, Senior Analog Layout

Engineer, Qualcomm was the chief guest.

WORKSHOPS/CONFERENCES/PUBLICATIONS AND ACHIEVEMENTS OF FACULTY MEMBERS:

Mr. Lokesh B.

- Patent publication on Design and Implementation of Humanoid Robot
- Received fund Rs 50000 from KREDL for celebrating Energy Conservation Day
- Attended FDP on Cyber Security for robotics and Unmanned Aerial Vehicle (UAV) organized by SIT Mangaluru from 4th Feb 2025 to 8th Feb 2025

Mr. Bheema Shastry

- Completed NPTEL course on "Basics of software defined radio".
- Attended FDP on "From machine learning to tiny ML" from 1st to 5th April 2024.
- Published a paper entitled "A computer vision based real time emotion detection technique using eye and lip recognition" in "Journal of Computer Science", Volume 17, Issue 12, 2024.
- Attended FDP on Cyber Security for robotics and Unmanned Aerial Vehicle (UAV) organized by SIT Mangaluru from 4th Feb 2025 to 8th Feb 2025

Mr. Ganesh M.S

- Completed course on “Research methodology” conducted by Udemy on 26th Feb 2025.
- Attended FDP on Cyber Security for robotics and Unmanned Aerial Vehicle (UAV) organized by SIT Mangaluru from 4th Feb 2025 to 8th Feb 2025

Mr. Harshith K

- Attended FDP on Advances in New Age Alloys and Composites with the advent of AI/ML and 3D Printing on 7th April 2025 to 9th April 2025 at BIT Mangalore
- Attended FDP on Cyber Security for robotics and Unmanned Aerial Vehicle (UAV) organized by SIT Mangaluru from 4th Feb 2025 to 8th Feb 2025

Mr. Shree Rama PR

- Attended “Recent Progress in Process Modelling, Simulation and Process control” at NIT Trichirapalli from 6th Jan to 11th Jan 2025
- Attended FDP on Cyber Security for robotics and Unmanned Aerial Vehicle (UAV) organized by SIT Mangaluru from 4th Feb 2025 to 8th Feb 2025.

Mr. Sudhir P

- Attended FDP on Cyber Security for robotics and Unmanned Aerial Vehicle (UAV) organized by SIT Mangaluru from 4th Feb 2025 to 8th Feb 2025

DEPARTMENT OF INFORMATION SCIENCE

Activities of AISE (ASSOCIATION OF INFORMATION SCIENCE & EDUCATEE)

- On the occasion of Ambedkar Jayanthi, the ISE and CSD, in collaboration with the National Service Scheme (NSS) and the Institute's Innovation Cell (IIC), organized a quiz event titled “Samvidhan Quest” on April 11, 2025, dedicated to honoring the life and legacy of Dr. B. R. Ambedkar.
- On April 5, 2025, the ISE of Srinivas Institute of Technology, in association with the Institution's Innovation Council (IIC), organized an impactful event titled “Internship Insights: Presenting Professional Experience.”
- On April 4th, 2025, the AISE, in collaboration with the National Service Scheme (NSS) unit and Srinivas Dental Sciences Mukka, organized a free dental checkup titled Smile for Health—Free Dental Checkup Camp for students and faculty of Srinivas Institute of Technology.
- On March 24, 2025 the Department of ISE & CSD organized a workshop titled “Vidya Vikas: Nurturing Young Minds for a Progressive Tomorrow” for students of government primary school in Panemangaluru.
- On 22nd March 2025, the Institution Innovation Council (IIC) at Srinivas Institute of Technology organized an insightful session titled “Innovate, Intern, Inspire: Transforming Students into Industry-Ready Professionals.” The event featured Mr. Aditya Madhukar Bhat, Director, and CEO of Swizosoft, who shared his entrepreneurial journey and emphasized the importance of internships in shaping students' careers.
- Organized an insightful Expert Talk on “Unlocking Career Opportunities: A Guide to Successful Placements” in collaboration with the Institution Innovation Council (IIC), on March 15, 2025
- Expert Talk on “Digital Arrest: Legal, Ethical, and Technological Perspective in the Age of AI and Cyber Security” on February 28, 2025, at 2:00 PM in the 4th-floor seminar hall. The session was conducted by Prof. Rakesh Malya, Assistant Professor, Department of Electronics, and Communication, who provided valuable insights into the evolving challenges and responsibilities in the realm of AI and cybersecurity.
- On February 28, 2025, they organized a visit to a hospital session titled “PhysioTech AI Quest – Exploring AI in Physiotherapy”. The event was organized for second- and third- year students of the IS&E and CSD departments. The session included an engaging talk by Dr.Kshamya, physiotherapist, on the topic of Exploring AI in Physiotherapy, and it was organised by Ms.Spoorthi and Ms.Rashmi KP of ISE.
- Expert Talk on “Pathway to Success: Expert Talk on Placement” on February 27, 2025, at 2:00 PM in the 4th-floor seminar hall. The session was conducted by Dr. Dheeraj Hebri, Training and Placement Officer
- On February 27, 2025 organized a quiz competition titled “TECH ECLIPSE”. The competition was held at 3PM in classroom 206 and was conducted by Ashika Acharya and Krithika of ISE.
- On February 27 2025 the Department of Information Science and Engineering organized a contest titled FIX & REAVEAL. The session, held at 11 AM in the 4th-floor lab, was conducted by Swathi, Sanvi S Shetty and Varshini of 4th semester ISE.
- On February 24 and 25, 2025 the Department of Information Science and Engineering hosted an insightful Workshop titled Innovx - Learn and Implement. The event was organized by Mr. Shishir Kulal, Ms. Shrinidhi Anchan, Mr. Nishan, second year students of CSD and ISE department.
- On February 22, 2025 he Department of Information Science and Engineering hosted an insightful session titled “Tech Awareness For Rural Schools” for the students of Govt school, Valachil. The session was organized by Bangera Ujwal ganesh of ISE
- Guest Talk on “Ethics in AI: The Future of Responsible AI Development” on February 22, 2025, at 2:00 PM in the 4th-floor seminar hall. The session was conducted by Prof. Shashank, Assistant Professor, Marine Engineering & Assistant Training and Placement Officer, who provided a comprehensive overview of the ethical challenges, responsibilities, and future implications of artificial intelligence (AI).
- On February 21 and 22, 2025, the Department of Information Science and Engineering hosted an insightful session titled “Autoaero appathon-Mit app inventor”. The hands-on session was conducted by Ms. Spoorthi and Mr.Praneesh Shetty of ISE
- On February 20, 2025 the Department of Information Science and Engineering organized an event titled “Unlocking the future of Innovation and Creativity”. The event was conducted by Deena and Harshini of ISE.
- On 19th February 2025, hosted an insightful workshop titled “Driving Innovation with Strategic Resources” at 2 PM in the 4th-floor lab of Srinivas Institute of Technology. The workshop, led by Prof. Sowmya in collaboration with the Library Committee and R&D Cell
- On 19th February 2025, the Department of ISE & CSD

organized sessions titled Digital Anatomy: Understanding Computer-Like Human Body for students of Sri venkataramana Swamy school, Bantwal, at 10 AM.

- the Department of Information Science and Engineering hosted an insightful session titled "Logic and Innovation-The art of Competitive Programming" on 11th February, 2025 The session included an engaging talk by Mr. Praneesh Shetty, and the event was organized by Spoorthi of ISE.
- As an association activity under AISE, a hands-on session was conducted on "LOGICAL REASONING" on 4th December 2024. The hands-on session was conducted by Harshini PK, Sanvi S Shetty, and Varshini, students of 2nd Year ISE .
- the AISE, in association with the Institution Innovation Council (IIC), organized an enlightening educational visit to the Karnataka Milk Federation (KMF) facility in Kulashekara, Mangalore on December 5, 2024,
- The students of the 3rd semester, Department of Information Science and Engineering, organized a "Swachh Bharat" campaign on November 27, 2024, at Pilikula. This event was part of the NSS activity.
- On November 27, 2024, the Association of ISE (AISE), in collaboration with the Institution Innovation Council (IIC), organized an enriching cultural and educational visit to Pilikula Guttumane and the Artisan Village at Pilikula, Vamanjoor.
- AISE, in collaboration with the Institution Innovation Council (IIC) conducted an awareness program on digital transactions "Evaluating Digital Payment Systems: A Critical Thinking Approach," on 27th November 2024
- Organized a contest named INNOFEST on November 25, 2024 in association with the Institute's Innovation Cell.
- Under the Institute's Innovation Cell the Department organized a contest named STARTUP SPARKs On 25th November 2024
- In collaboration with the Institution Innovation Council (IIC), hosted an impactful session titled "Unlocking Innovation Through Reverse Engineering" on 25th November, 2024.
- organized a Poster presentation titled "Innovators Canvas: Ideas beyond Boundaries" under the Institution's Innovation Council (IIC) on 23rd November, 2024. The expo was honored by the presence of Dr. Sandeep Bhat, Professor, Department of CSE & Dr. Raghavendra M J, Professor, Department of ME who served as the resource person for the event.
- Organized a poster presentation, Inspiring Innovations: Poster Presentation of Ideas" on 23rd November 2024, in collaboration with the Yukthi Cell under the Institution's Innovation Council (IIC). The event aimed to identify and showcase innovative ideas generated by Pre-final Year (V Semester) students.
- The AISE and the Association of AI-DS, in collaboration with the Institution Innovation Council (IIC), hosted a session titled "Innovate and Protect: A Guide to Intellectual Property Rights (IPR)" on 21st November 2024.
- Under the Institute's Innovation Cell, the department organized a contest named TECH-TRIVIA On 20th November 2024,
- Under the Institute's Innovation Cell and the AISE, the department organized a event named CODECRUX On November 18, 2024
- Organised a session in collaboration with the IIC on "Empowering Entrepreneurs: A Success Story Unveiled." on 18th November 2024. The event featured an inspiring talk by Mr. Aditya Madhukar Bhat, the Director, and CEO of Swizosoft, who shared his journey as an entrepreneur, detailing his struggles, failures, and ultimate success.
- The Freshers' Day celebration was orchestrated on 9th November 2023.
- The AISE organized a session on "Plantation and Adaptation of a Tree" for third-semester IS&E on 7th November 2024.
- The combined association inaugural function of AISE and ACODE was held on 6th November 2024. The association was inaugurated by the chief guest, Ms. Vaibhavi Software engineer, Aykan, Mangalore.
- Organized a event "Treasure Seeker" on 30th October 2024. The "Treasure Seeker" was an exhilarating event held on 30th October.
- Organized a hands-on session on "Basics of Machine Learning", 22nd October 2024. The hands-on session on machine learning basics introduced essential skills in data manipulation using NumPy and Pandas.
- Organized a talk on "Geographical Indication", 16th October 2024. The talk on Geographical Indication (GI) emphasized its significance in protecting products linked to specific regions, such as Darjeeling tea, Mysore Silk etc
- A "Workshop on React.js", was conducted on 1st October 2024. The React JS Workshop covered the basics of this powerful JavaScript library, focusing on building interactive user interfaces for web applications by Ms. Jayashree K R and Ms. Sinchana, 7th-semester ISE students.
- Organized a talk on "Industrial Design", 1st October 2024. The talk highlighted its focus on creating functional and visually appealing products.
- In alignment with the goal of raising awareness about social welfare programs, the NSS volunteers of the 6th semester from the Department of Information Science and Engineering conducted a campaign on Government Schemes for Rural Populations on 30th September 2024.
- Organized "Workshop on SQL Foundations: Building Blocks of Database" on 21st September 2024. The workshop provided a comprehensive introduction to SQL, covering fundamental topics such as data creation, manipulation, and querying within relational databases.
- On account of Birth anniversary of Sir. M Visvesvaraya under AISE, organized a contest named CLASH OF MINDS on 19th September 2024.
- On account of Birth anniversary of Sir M. Visvesvaraya, the Association of Information Science, and Engineering Department, AISE, organized a contest named TECHNICAL CONNECTION on 18th September 2024.
- Organized an "Ignite Innovation: Unleash Your Creativity with Mini Projects!" on 17th September 2024.
- Organized a "Group Discussion" on 11th September 2024, featuring six teams comprising a total of 32 students from the 3rd semester of the ISE department.
- The Department of AI&DS and the Department of ISE jointly organized an Internship Project Expo titled "Innovation Nexus: Discover Tomorrow's Ideas at the Intern Showcase " under the Institution's Innovation Council (IIC) on July 13th, 2024. The expo was honoured by the presence of Mr. Chethan S Poojary, who served as the resource person for the event.
- In alignment with the global vision of environmental sustainability, the NSS volunteers of the 6th semester celebrated Vana Mahotsav on 10th July 2024. Vana Mahotsav was enthusiastically observed at Shreeram Higher primary School, Arkula to promote environmental consciousness and active participation in tree planting.
- The Departments of MCA, CSE, ISE, and AI-DS, in association with the IIC Cell and EDP Cell, organized a session titled "Innovate to Elevate: Ideation and Validation Strategies" on 6th July 2024 for 2nd-year students at Srinivas Institute

of Technology, Mangaluru. Mr. Gaurav Kamath, CEO of MicroDegree, was the resource person for the session.

- AI&DS and the ISE jointly organized a mini project extravaganza titled "Innovation Unveiled" under Institution's Innovation Council (IIC) on July 6th, 2024. This event provided a platform for 3rd-year students from both departments to showcase their innovative mini projects. The expo was honoured by the presence of Ms. Vandana S. Bandary, who served as the resource person for the event.
- In association with the EDP Cell and IIC, organized a session titled "Kickstart Your Startup" on 5th July 2024. The talk was given by Mr. Sarvesh and Mr. Uttam, 6th-semester ISE students.
- Organized a contest named CODE RUSH on 5th July 2024. The event featured three rounds, each progressively testing participants' coding skills and knowledge of the C language
- Organized a technical event "CODETHON" on 28th June 2024. This event consisted of two rounds. The first round required identifying the output of given code snippets, and evaluating participants' foundational programming knowledge.
- The Free Fire tournament organized by the Association of Information Science and Engineering at Srinivas Institute of Technology on 24th June 2024 showcased intense competition and strategic prowess among participants.
- A hands-on session was conducted on "Introduction to Poster Making". The event was carried out under the guidance of Ms. Aparna N, Department, IS&E. The hands-on session was conducted by Prasanna P student of 2nd Year ISE on June 21, 2024.

WORKSHOPS/CONFERENCES/PUBLICATION AND ACHIEVEMENT OF FACULTY MEMBERS

Prof. Sudarshan K, Head

- Participation in the Faculty Development Program on Blockchain & Web3 Industry organized by the Department of CSE & CSE (Data Science), Sri Siddhartha Institute of Technology, SSAHE, Karnataka.
- Completed 15 day professional training on SQL for business analytics organized by Turnip Innovations from 02 Nov 2024 to 16 Nov 2024.
- Contributed as a Reviewer for 2nd IEEE international conference on Recent Advancements in Information Technology for Sustainable Development(ICRAIS 2024) held on 6th and 7th November 2024, Department of Information & Communication Technology, MIT, Manipal.
- Contributed as a Reviewer for the 2024 IEEE International Conference on Distributed Computing, VLSI, Electric Circuits & Robotics (IEEE DISCOVER), held on 18th and 19th OCT 2024, at SJEC Mangalore.
- Published a paper titled "Detection of cardiovascular disease using retina" in the International Journal of Research and Analytical Reviews on October 15, 2024, Volume 11, Issue 4.
- Published a paper titled "Review of Literature on Software Quality" in the International Journal of Research and Analytical Reviews on October 15, 2024, Volume 11, Issue 4.
- Attended a 5-day Workshop on "Research and Publication Ethics" organized by the Research and Innovation Council, Srinivas University, Mangaluru in association with IEEE Srinivas University Student Branch from July 22, 2024, to July 26, 2024.
- Completed the AICTE-evaluated 7-day Design Thinking Course organised by Turnip innovations from 12 July 2024 to 18 July 2024.
- Best Paper award for Paper titled Tulu Manuscript OCR:

Preserving Ancient wisdom through Character Recognition in 2nd IEEE International Conference on Data Science & Information System - (ICDSIS-2024), organised by Dept. of ISE, Malnad College of Engineering, Hassan, on 17th-18th May 2024.

Mr. Athmaranjan K, Associate Professor

- Participation in the Faculty Development Program on Blockchain & Web3 Industry organized by the Department of CSE & CSE (Data Science), Sri Siddhartha Institute of Technology, SSAHE, Karnataka. Srinivas Institute of Technology, Managlore, Karnataka.
- Published a paper titled "REVIEW ON SOFT ROBOTICS" in the International Journal of Research and Analytical Reviews on October 15, 2024, Volume 11, Issue 4.
- Published a paper titled "REVIEW ON DIALECT DETECT KANNADA" in the International Journal of Research and Analytical Reviews on October 15, 2024, Volume 11, Issue 4.

Mrs. Sowmya, Assistant Professor

- Participated in the Faculty Development Program on Cyber Security for Robotics and Unmanned Aerial Vehicles organized by Electronics & ICT Academy IIT Roorkee An Initiative of Ministry of Electronics & Information Technology (MeitY) on Feb 03rd 2025 to Feb 07th 2025.
- Participation in the Faculty Development Program on Blockchain & Web3 Industry organized by the Department of CSE & CSE (Data Science), Sri Siddhartha Institute of Technology, SSAHE, Karnataka. Srinivas Institute of Technology, Mangalore, Karnataka.
- Published a paper titled "Review of Smart Agriculture Management System using IOT" in the International Journal of Research and Analytical Reviews on October 15, 2024, Volume 11, Issue 4.
- Published a paper titled "Enhanced Document Image Binarization Techniques for Improved Clarity" in the International Journal of Research and Analytical Reviews on October 15, 2024, Volume 11, Issue 4.
- Has undergone Innovation Ambassador (IA) training 'Advanced Level' (Total 16 Sessions of 30 contact hours) conducted in online mode by MoE's Innovation Cell & AICTE during the IIC calendar year 2022-23 on 05th October 2024
- Attended a 5-day workshop on "Research and Publication Ethics" organized by the Research and Innovation Council, Srinivas University, Mangaluru, in association with IEEE Srinivas University Student Branch from July 22, 2024, to July 26, 2024.

DEPARTMENT OF MARINE ENGINEERING

Activities of AIMES

- The Department of Marine and Mechanical Engineering at Srinivas Institute of Technology, Mangaluru, in association with the Institution's Innovation Council (IIC), organized a two-day poster presentation competition on February 27 and 28, 2025.
- The Department of Marine Engineering at Srinivas Institute of Technology, Mangaluru, in association with Institution's Innovation Council (IIC), organized a special event on February 28th 2025, to celebrate National Science Day with a talk on "Think like a Scientist." The session was delivered by the chief guest, Mrs. Jahnvi Sanal, a teacher and science communicator
- The Department of Marine Engineering at Srinivas Institute of Technology, Mangaluru organized a workshop titled "Empowering the Future of Innovation with Resources" on February 25th 2025, for Marine Engineering students. Mr. Sunil Prakash R, Assistant Professor, Department of Marine Engineering, served as the resource person.
- The Department of Marine Engineering at Srinivas Institute of Technology, Mangaluru, in association with IIC and AIMEs, organized a workshop on "Innovation in Marine Engineering through AI" on 22nd February 2025. The resource person for the event was Mr. Madhusudhan S, Assistant Professor, Department of Artificial Intelligence and Machine Learning (AIML).
- The Department of Marine Engineering at Srinivas Institute of Technology (SIT), Mangaluru, in collaboration with Yukti Cell and AIMEs, successfully organized Demo Day on 23rd December 2024. The event was led by

Professor Vivek Vijay Kumar, faculty member of the Marine Engineering department

- The Department of Marine Engineering in association with Lalitharanga at Srinivas Institute of Technology (SIT), Valachil, Mangaluru, hosted an enlightening seminar titled "How to Watch a Movie? 10 Movies That Will Change Your Life" on 20th December 2024. The event was led by Professor Vivek Vijay Kumar, faculty member of the Marine Engineering department.
- On 11th December 2024, the 7th Semester Marine Engineering student's Association AIMEs of Srinivas Institute of Technology, in collaboration with the Industry-Institute Interaction Cell, visited the New Mangalore Port Authority (NMPA). The visit was led by Prof. Lokesh V, Head of the Department and Prof. Sathisha KG, Assistant Professor of the department.
- On 7th December 2024, the Marine Engineering Association (AIMEs) organized a heritage visit for the 3rd-semester Marine Engineering students of Srinivas Institute of Technology to the "Raani Abbakka Tulu Adhyayana Kendra" at Bantwala, Mangaluru. The visit was led by Prof. Sathish KG, Assistant Professor of Marine Engineering.
- The Department of Marine Engineering, through the Association of Innovative Marine Engineering Students (AIMEs), in collaboration with the Institution's Innovation Council (IIC), hosted an inspiring event titled "Visionary Vibes" on 2nd December, 2024. This pencil sketching and painting tribute honored the late Dr. A.P.J. Abdul Kalam.
- The Constitution Day event, organized by the Student Association of Marine Engineering in collaboration with

NSS, took place on 26th November 2024. The purpose of the event was to honor the adoption of the Indian Constitution.

- The Department of Marine Engineering at Srinivas Institute of Technology, Mangaluru, in collaboration with the Institutions Innovation Council (IIC) and AIMES, organized a talk on "Opportunities and Challenges in Entrepreneurship" on 23rd November 2024. The session was led by Prof. Sathya Prakash A, Assistant Professor from the Department of Mechanical Engineering, who served as the resource person.
- The Department of Marine Engineering at Srinivas Institute of Technology, Mangaluru, in association with YUKTHI CELL and AIMES, organized Innovate & Illustrate: A Poster & Idea Presentation Competition on 28th November 2024.
- Students of the 3rd Semester Marine Engineering of Srinivas Institute of Technology, in collaboration with the Industry-Institute Interaction Cell, visited UDUPI COCHIN SHIPYARD LIMITED on 25th of November 2024. The visit was led by Professors Sunil Prakash Rodrigues of the department.
- The Marine Engineering Association (AIMES), in collaboration with the Industry Institute Interactive Cell (IIIC) of Srinivas Institute of Technology organized a webinar titled "Anchoring Your Career: Opportunities in Marine Operations" for Marine Engineering students on 22nd November, 2024. The event featured Mr. Rucheer Shirvaikar, an experienced 3rd Engineer in the Merchant Navy, as the esteemed guest speaker.
- Students of the 5th Semester Marine Engineering of Srinivas Institute of Technology, in collaboration with the Industry-Institute Interaction Cell, visited four renowned shipbuilding and repair facilities in Goa on the 15th and 16th of November 2024. The visit was led by Professors Nithin Joshuva and Vivek Vijay Kumar of the department.
- The Marine Student Association (AIMES) inaugurated its activities for the 2024-25 academic year on 14th November 2024, at the Srinivas Institute of Technology in Valachil, Mangaluru. Captain Manoj Joshi, Deputy Conservator and Port Facility Security Officer at New Mangalore Port Authority (NMPA), served as the chief guest.
- On 15th November 2024, the Department of Marine Engineering, in collaboration with the IPR Cell and YUKTHI Cell, conducted a session titled "Talk on IPR & Copyright for Engineers" for 5th and 7th -semester Marine Engineering students. The event featured Mr. Vivek V. Kumar, Assistant Professor in the Department of Marine Engineering, as the guest speaker
- On 19th September 2024, the Marine Students' Association (AIMES) and the NSS unit of Srinivas Institute of Technology, Valachil, collaboratively organized a campus cleaning initiative as part of the "Swachata Hi Seva Campaign," aimed at the eradication of plastic waste
- The Engineers Day celebration at SIT, Mangalore, was held on 17th September 2024, and was organized by the student associations of Mechanical and Marine Engineering (AIMES and ASMA). The chief guest for the event was Mr. P. Ramesh Kumar, an Aeronautical Engineer at HAL, Bangalore.
- AIMES successfully organised 6 different events during

techno cultural fest "ENVISION 2023" on 2nd and 3rd May 2024. And the events were Taree Zameen Par, Need For Speed, Urisurgical War, Dhananjaya, Bribal Trilogy And Gajini.

Faculties Achievements:

- Dr. Lokesh V, Associate Professor and Head Marine Engineering Department
- Appointed as BOE of Marine Engineering, VTU for the academic year 2024-2025.
- Appointed as BOE of ST Joseph Engineering college, Vamanjoor to scrutinize the question papers for March 2024 to March 2025.
- Published a Patent on the invention "Drone Based Surveillance System For The Vessels Plying In Port Areas And Encroachments" on 5th July 2024
- Published a book titled "Mechanism of Ball Milling and the Factors Affecting the Process of Milling" published in Springer nature link, STRUCTMAT, volume 220
- Worked as Organizing Memembr for two-day international conference on "Recent Trends in Mechanical Engineering Sciences (RTIMES-24)" on held on 10th and 11th May 2024 at SIT, Mangaluru
- Chair for a session at the "Recent Trends in Mechanical Engineering Sciences-24" on held on 10th and 11th May 2024 at SIT, Mangaluru

Mr. Sunil Prakash R, Asst Professor

- Published a Patent on the invention "Application of Convolutional Neural Networks For Image-Based Detection, Inspection and analysis of hull corrosion" on 5th July 2024, with application No. No. 202441050238 A.
- Published a paper titled "Detection of Flaws in Ship Hull using under water ROV" in International Journal of Engineering Research & Technology, Vol. 1, Issue 01, July 2024.
- Member of the Organizing Committee at the International Conference on "Recent Trends in Mechanical Engineering Sciences 2024" held on 10th and 11th May 2024 at SIT, Mangaluru.
- Presented a paper on "Design and stress analysis of Crankshaft using Ansys- A Fem approach" in a two-day international conference on "Recent Trends in Mechanical Engineering Sciences (RTIMES-24)" held on 10th and 11th May 2024 at SIT Valachil, Mangaluru.
- Attended in 5 days' workshop on "Research and publication ethics" on July 22nd 2024 to July 26th 2024 Organized by Research and Innovations, Srinivas University, Mangaluru.

Mr. Sathisha K G, Asst Professor

- Published a Patent on the invention "Centralized Monitoring System for Street light Fault detection and location tracking" on 20th September 2024, with application No. 202441069368A.
- Delivered a talk on "Emerging technology in Engineering and Medical sector" on 5th December 2024 to the Students of Govt PU College Gurupura and Tenkamijar.
- Delivered a talk on "Career opportunities in Engineering sector" on 6th December 2024 to the Students of Secondary higher primary school Mahajana, Govt higher

primary school marpanadka, kerala

- Master Judge for "Pencil Sketch and Tattoo Art" of Junior Envision 2024, conducted by SIT, Mangaluru on 29th November 2024.
- Published a paper titled "Detection of Flaws in Ship Hull using under water ROV" in International Journal of Engineering Research & Technology, Vol. 1, Issue 01, July 2024.
- Delivered a lecture on "Words best Architectural design-A Challenge for Engineering" to the students of Marine Engineering SIT, Mangaluru on 16th July 2024.
- Member of the Organizing Committee at the International Conference on "Recent Trends in Mechanical Engineering Sciences 2024" held on 10th and 11th May 2024 at SIT, Mangaluru.
- Presented a paper on "Centralized Monitoring System for Street light Fault detection and location tracking" in a two-day international conference on "Recent Trends in Mechanical Engineering Sciences (RTIMES-24)" held on 10th and 11th May 2024 at SIT Valachil, Mangaluru.
- Published a paper titled "Performance study of hemp seed oil biodiesel on diesel engine" in JOSSAR International Journal, 2024.
- Completed the course and training as a part of Energy literacy of the energy swaraj foundation on 28th June 2024.

Mr. Chandra Jogi, Asst Professor

- Published a Patent on the invention "Gas Detection System for Sewage Using Internet of Things" on 20th September 2024.
- Delivered a talk on "Emerging technology in Engineering and Medical sector" on 5th December 2024 to the Students of Govt PU College Gurupura and Tenkamijar.
- Delivered a talk on "Career opportunities in Engineering sector" on 6th December 2024 to the Students of Secondary higher primary school Mahajana, Govt higher primary school marpanadka, kerala
- Member of the Organizing Committee at the International Conference on "Recent Trends in Mechanical Engineering Sciences 2024" held on 10th and 11th May 2024 at SIT, Mangaluru.
- Presented a paper on "Gas Detection System for Sewage Using Internet of Things" in a two-day international conference on "Recent Trends in Mechanical Engineering Sciences (RTIMES-24)" held on 10th and 11th May 2024 at SIT Valachil, Mangaluru.

Mr. Vivek Vijay, Asst Professor

- Published a Patent on the invention "Application of Convolutional Neural Networks For Image-Based Detection, Inspection and analysis of hull corrosion" on 5th July 2024, with application No. 202441069368A.
- Member of the Organizing Committee at the International Conference on "Recent Trends in Mechanical Engineering Sciences 2024" held on 10th and 11th May 2024 at SIT, Mangaluru.
- Presented a paper on "Application of Convolutional Neural Networks For Image-Based Detection, Inspection and analysis of hull corrosion" in a two-day international

conference on "Recent Trends in Mechanical Engineering Sciences (RTIMES-24)" held on 10th and 11th May 2024 at SIT Valachil, Mangaluru.

Mr. Nithin Joshuva, Asst Professor

- Participated in the one week FDP on "AI and ML education" from 9th to 14th December 2024, Sanjay Gandhi polytechnic, Bangalore.
- Master Judge for "Innovation Brainstorming" an Intra Departmental competition organised by department of MBA, SIT, Mangaluru held on 19th December 2024.
- Participated in the one week National level FDP on "The arts and science of research paper writing and publishing" from 21st to 27th November 2024, Hi learn edutech institute, Bijapur.
- Member of the Organizing Committee at the International Conference on Recent Trends in Mechanical Engineering Sciences held on 10th and 11th May 2024 at SIT, Mangaluru.
- Presented a paper on "A review on Nano Enhanced jute and hemp composite advancing maritime solutions (RTIMES-24)" held on 10th and 11th May 2024 at SIT Valachil, Mangaluru.
- Completed the course and training as a part of Energy literacy of the energy swaraj foundation on 28th June 2024.
- Published a paper on "Nano Enhanced jute and hemp composite: Challenges and fabrication techniques" on 7th July 2024, IJRPR, Vol 5.
- Attended in 5 days' workshop on "Research and publication ethics" on July 22nd 2024 to July 26th 2024 Organized by Research and Innovations, Srinivas University, Mangaluru.
- Published a Patent on the invention on Nano enhanced Jute and hemp composites advancing Maritime solutions on 5th July 2024 with application No. 202441050238 A.
- Participated in One day workshop on "Research Methodology" on 6th April 2024 Organized by Research and Innovations, Srinivas University, Mangalore.

STUDENT ACHIEVEMENTS

- Rajath Padigar of 4th semester Marine Engineering secured 2nd position in Wind Surfing Open category at the 1st Karavali Cup, Open international sailing championship held at Thanniru bavi, Mangaluru, on 18th and 19th January 2025.
- Nidhish Shetty of 5th semester participated and runner up in VTU Kho Kho tournament held at VCET Puttur on 4th October 2024.
- Sumantha Y of 3rd semester participated and runner up in VTU Kho Kho tournament held at VCET Puttur on 4th October 2024.
- Lankesh of 7th semester participated VTU level Kabaddi tournament held at VCET Puttur on 18th October 2024.
- Prashanth P. Kulal of 7th semester participated VTU level Kabaddi tournament held at VCET Puttur on 18th October 2024.
- Suprath Kumar Shetty of 7th semester participated VTU level Kabaddi tournament held at VCET Puttur on 18th October 2024.

DEPARTMENT OF MECHANICAL ENGINEERING

Activities of ASMA (All STUDENTS MECHANICAL ASSOCIATION)

- Organised a Ideathon on 4th and 6th semester students jointly with the Department of Marine, Aeronautical and Automobile engineering on 21st to 23rd April 2025. The event aimed to provide a platform for students to showcase their innovative ideas and project work through visually engaging posters
- Organized a one-day workshop on "Build your own prototype using AI tool" on 29th March 2025. Professor Vivek V Kumar, Assistant professor, Department of Marine Engineering was the resource person.
- An industrial visit to GWASF Quality Casting Private Ltd., Baikampady, Mangalore was organized for the students of 4th and 6th semester students on 24th March 2025.
- Mr. Siddharth U, an alumnus, delivered a guest talk on his experiences working abroad on 10th March 2025. The discussion focused on the challenges he faced and the insights he gained throughout his journey in the international job market.
- In collaboration with IIC and IP cell, hosted an impactful session titled "INTELLECTUAL PROPERTY RIGHTS PROCESS OF INNOVATION DEVELOPMENT" on 24th February 24, 2025.
- Students visited the Rani Abbakka Tulu Adhyayana Kendra located at BC Road on 18th December.
- The All Students Mechanical Association (ASMA) and the NSS unit of the Mechanical Engineering Department jointly celebrated National Constitution Day on 26th November to commemorate the adoption of the Constitution of India.
- The Department of Marine and Mechanical Engineering under the banners of AIMES and ASMA, jointly organized a technical competition titled "Enigma 2.0 - Encrypt and Decrypt" on 11th November 2024.
- The inaugural function for the All Students Mechanical Association (ASMA) of the Department for the academic year 2024-25 was held on 30th October 2024. Mr. Ganesh Koran, CEO of Elite Engineering Industries, Baikampady, Mangaluru, was the chief guest.
- The value-added course titled "Hands-on Assembly and Disassembly of Mechanical Systems" is organized jointly by the Department of Mechanical and Marine Engineering in association with Srinivas Advanced Manufacturing and Research Theatre on 21st September 2024.
- The "Swachhata Hi Seva" campaign on the theme "Swabhav Swachata- Sanskar Swachata" organized a cleaning programme on 19th September 2024, involving students, faculty members, and non-teaching staff in a concerted effort to improve cleanliness on campus and spread awareness about the importance of sanitation and hygiene
- EDP Cell under the banner of IIC along with the department associations ASMA of Mechanical Engineering hosted a session on "How to plan for Startup-Legal and Ethical Steps", by Prof. Shailesh Shetty S, Hod, Computer Science and Business Studies on 5th July 2024.
- Organized an industrial visit to Deccan Plast Industries, Konaje for the 4th semester students of Marine, and Mechanical Engineering on 13th July 2024.
- The Department of Mechanical and Marine Engineering hosted a workshop on converting Internal Combustion Engine Vehicles (ICEV) to Plugin Electric Vehicles (EV) on May 25th, 2024. The event aimed to educate students on the importance of transitioning from traditional ICEV to eco-friendly EVs
- The YUKTHI cell of the Mechanical Engineering Department hosted Logo Design Competition by inviting creative minds to showcase their talent and ingenuity on 29th April 2024. Designers were given the task to prepare the logo based on the 3 topics, namely, AICTE I Cube innovation council, Innovation hub, YUKTHI innovation and IPR Repository.
- As the world celebrates its 10th annual International Yoga Day on 21st June, a global event dedicated to the practice and benefits of yoga, the department jointly organized an International Yoga Day event under the banner of ASMA and AIMES, along with the NSS Unit of the respective departments.
- On the occasion of World Environmental Day, the Department in association with National Service Scheme (NSS) of Srinivas Institute of Technology, Valachil, Mangalore. Conducted Awareness Rally.

Faculty Achievements:

Dr. Shrinivasa Mayya.D

Journal Paper Contributions:

- Accepted for publication in Public Library of Science (PLOS ONE) -Q1 Journal with IF-2.9, "Effect of mineral filler on Low velocity impact behaviour of Bi-directional Glass fibre/epoxy composites Exposed to varied temperature conditions.
- Published a paper titled "Experimental and regression analysis of chicken feather-based chopped glass fibre mat hybrid composites", Results in Engineering, Elsevier-Q1-Journal, (IF-6) Volume-26, 2025, 104964, ISSN: 2590-1230, <https://doi.org/10.1016/j.rineng.2025.104964>

- ii. Title: Experimental Study on Effect of Coconut Leaf Spathes on Mechanical Properties of Chopped Glass Fibre Reinforced with Thermoset Composites. Publisher with ISBN: Springer (978-981-97-7071-7)
- 3. Papers presented at international conferences abroad: Presented a paper titled “Reduced CSM e-glass fiber loading effect on Jute fiber reinforced hybrid composites” at 2nd- International Conference on Eco-friendly Fibers and Polymeric Materials, King Mongkut’s University of Technology North Bangkok, Bangkok, Thailand on February 21th 2025.

Prof. Sathya Prakash A:

- Successfully participated in & completed the AICTE Training And Learning (ATAL) Academy Faculty Development Program on Next-Generation Energy Storage: Integrating Advanced Electronics and Sensor Technologies at SRINIVAS UNIVERSITY INSTITUTE OF ENGINEERING & TECHNOLOGY from 18/11/2024 to 23/11/2024.
- Successfully participated in & completed the AICTE Training And Learning (ATAL) Academy Faculty Development Program on Enhancing the Blue Economy through Interdisciplinary Approaches at MANGALORE INSTITUTE OF TECHNOLOGY & ENGINEERING from 03/02/2025 to 08/02/2025.
- Successfully completed SAP Professional Fundamentals, an online course authorized by SAP and offered through Coursera.

- Guest lecture: Effective sales and marketing strategies for entrepreneurs/startups for MBA students
- Conducted workshop on entrepreneurship and Innovation as Career Opportunity on 18 nov 2024
- Delivered a Talk on Opportunities and challenges in Entrepreneurship on 23 nov 2024
- Delivered a Talk on From Idea to Impact, crafting your entrepreneurial journey on 22 nov 2024
- Conducted workshop on “ Path to Precision” Robot programming techniques and applications for budding entrepreneurs on 30th April 2025
- Accepted for publication in American Institute of Physics for the title “DESIGN AND FABRICATION OF AN AUTOMATED PRECISION MANIPULATOR ARM WITH INTEGRATED SENSING AND METAL DETECTION TECHNOLOGIES” RTIMES—Conf. Proceedings 2024.
- Published Patent on “ DESIGN AND FABRICATION OF AUTOMATED PRECISION MANIPULATOR ARM”

Prof. Venkatesh Rao S N

- Accepted for publication in American Institute of Physics for the title “Influence of Mineral Filler on Preparation and Types of Loading Conditions of Fiber Reinforced Plastics” RTIMES - conf proceedings 2024
- Successfully completed the course on “Energy Literacy Training” of the energy Swaraj Foundation , on 02-07-2024
- Participated in a 5 days Faculty Development Program on “Additive Manufacturing” in A. J. Institute of Engineering and Technology from 21st to 25th November, 2024
- Participated in a 5-day online Faculty Development Program on “Advanced Materials and Manufacturing for Engineering Applications” in Srinivas Institute of Technology from 27th to 31st January, 2025.

Student Achievements

- M. Karthik N., a 4th- year Mechanical engineering student, participated in 7-hour CODEATHON organized by the department of Computer science and Engineering and secured 2nd prize in the event.
- Mr. Gowtham B. K. and Mr. Hridhik Prasad P., of the 6th Semester Mechanical Engineering Department at Srinivas Institute of Technology, Mangalore, participated in the national-level design competition “India Design Week – 2025,” organized by ICT Academy at Sri Sairam Engineering College, Chennai

DEPARTMENT OF MASTER OF BUSINESS ADMINISTRATION

Activities of VOLMAS (Vision of Learning - Management Students Association of Srinivas)

- Organized a business plan competition in association with the IIC and Yukthi (interdepartmental competition) on 29th March 2025.
- Organized a session on "Business Plan" in association with IIC on 28th March 2025. Dr. Veena S. Rai, an associate professor in the Department of MBA SIT, was the resource person.
- In association with Lalitharanga, organized a cultural day, "KALAVIBES," on 24th March 2025.
- In Association with IIC Organized a 2-Day Knowledge Empowerment program on "Empowering Students through Knowledge Exchange" as an MOU Activity in Collaboration with B.Voc, SDM on 17th and 18th March 2025.
- Organized a two-day National Level Management and Cultural Fest SHRIYANS-2K25 on 6th & 7th March 2025.
- Organized a session on "Innovation Development Intellectual Property Rights for Startups" on 27th February 2025, Prof. Vivek K an Assistant Prof. Department of Marine Engineering, of Srinivas Institute of Technology, Valachil was the resource person.
- As part of an academic industrial visit, First Year students went on a field visit at Deccan Plast Industries Private Limited Konaje, Mangalore on 25th February 2025.
- Organized a workshop on "Design Thinking and Innovation Design" on 24th February 2025, Prof. Shailesh Shetty HOD, Dept.of Computer Science & Business Systems of Srinivas Institute of Technology, Valachil was the resource person.
- Organized a session on "Problem Solution Fit and Product Market Fit" on 21st February 2025, Mr. Sadanand Poojari, Proprietor Chaitanya Investments, Mangaluru & Udupi was the resource person.
- "Lumina" the HR Club has conducted the activity "Recruitment and Selection Process" at Mangalore Special Economic Zone Bajpe Village, Mangaluru on 21th February 2025.
- As part of an academic industrial visit, Second Year students went on a field visit at Deccan Plast Industries Private Limited Konaje, Mangalore on 21st February 2025.
- In Association with IIC Organized a Workshop on "Innovation Business as a Catalyst for Change Empowering Entrepreneurs, Enriching Communities" on 20,21 & 22 February 2025.
- Organized a workshop on "Effective Sales & Marketing Strategies for Startups" on 19th and 20th February 2025, Prof. Sathyaprakash an Assistant Professor of Mechanical Engineering Department of Srinivas Institute of Technology was the resource person.
- In association with Institution's Innovation Council Organized a 2-day Session on "Soft Skills for Employability" & Management & Entrepreneurship Development Activities on 19-02-2025 & 20-02-2025 at Vivekananda College, Puttur.
- "Finnova" the Finance Club conducted the activity "On Site Consulting for SBI Fund Management Limited" at the Investment Company in Manglore on 17th February 2025.
- "Lumina" the HR Club has conducted the activity "Beyond the Screen It Employees Speak on work- Life Balance" on 15th February 2025.
- "Maximus" the Marketing club organized a "Retail Insider Experience" on 13th February 2025.
- "Lumina" the HR Club has conducted the activity "Interviewing HR" on 13th February 2025 at unifyCX (Glow Touch Technologies).
- "Finnova" the Finance Club organized a session on "Union Budget a Detailed Analysis" on 11th February 2025.
- Organized a session on "The transition from Campus to Corporate Challenges and Opportunities" on 17th January 2025, Mrs. Lekitha, Lead HR professional at Sclera VDMS Pvt Ltd, Mangalore, was the resource person.
- The department's association VOLMAS was officially inaugurated on 17th January 2025. Mrs. Lekitha, Lead HR professional at Sclera VDMS Pvt. Ltd., Mangalore, was the chief guest of the ceremony.
- Organized a talk on National Youth Day on 15th January 2025. Prof. Sathya Prakash, Assistant Professor, Mechanical Department, SIT was the resource person.
- The Women's Cell organized a Workshop on Shield Yourself: A Self-Defense Workshop for Women on 10th January 2025, Ms. Nayana, second year student, Karate Trainee and Black Belt in Karate was the resource person.
- As part of an academic industrial visit, First-year students went on a field visit to Pachanady Dumping Yard on 26th December 2024.
- Organized an "Ideas to Industry: Business Plan Poster Competition" on 24th December 2024.
- Organized a session on "Expert Talk on Mentorship Support/Poster Presentation of Ideas" on 24th December 2024. Dr. Shashidhar Kini K, Professor

& HOD Department of MCA Srinivas Institute of Technology Valachil was the resource person.

- Organized a session on “Intellectual Property Rights-Case Study” on 23rd December 2024, Dr. Lokesh KS Assistant Professor Department of Aeronautical Engineering SIT, was the resource person.
- Organized a session on “Problem Solving and Ideation” on 21st December 2024, Mr. Prashantha A C Founder Deal & Lead Business Finance officer at Happiest Mind Bangalore was the resource person.
- Organized an Innovation Brainstorming (Inter departmental Competition) on 19th & 20th December 2024.
- Organized a session on “My Story—Motivational Session by Successful Innovator” on 20th December 2024. Mr. Austin Lawrence, Founder of ONE TAP, was the resource person.
- Organized a session on “Inspiring: A Motivational Session with a Seasoned Entrepreneur” on 18th December 2024. Ms. Pooja Acharya, Founder of Digitallence & Easy Living Mangalore, was the resource person.
- Organized one-day orientation program and Workshop on Entrepreneurship & Innovation as a career & toolkit for the Managers of Tomorrow on 6th December 2024. Prof. Praveena D, Assistant Professor, B.Voc Department, SDM College Ujire, and Prof. Vivek Kumar, Assistant Professor, Department of Marine Engineering, Srinivas Institute of Technology were the resource persons.
- Organized a Sharada Pooja on 10th October 2024.
- Organized a Campus Clean-up Drive on 5th October 2024.
- Organized a session on Familiarity in unfamiliarity: The code selling anything on 26th September 2024, Mr Anirudh R Founder of Prowide, Progresso Space, was the resource person.
- As part of an academic industrial visit, First-year students visited The Hindu Group Newspaper company in Mangalore on 25th September 2024.
- The Department's association - VOLMAS Valedictory function was held on 20th September 2024.
- As part of an academic industrial visit, Second-year students visited Meghana Fruits Processing Pvt Ltd on 5th September 2024.
- “Maximus” the marketing club, organized a “Small Scale Venture” event in September 2024.
- Organized a session on “Digital Marketing Insights: Youtube” on 2nd September 2024. Mr. Sharan Chilimbi (The Powerhouse) was the resource person.
- Organized a Presentation on “Analysis and Presentation on Case” on 29th August 2024 by the Case Study Club.

- Organized a session on “Awareness Program on Insurance” on 24th August 2024. Mr. Akash Prakash, Business development manager at Max Life Insurance, was the resource person.
- Organized a Talents Day, SAMBHRAM-2k24, on 14th August 2024.
- The Finance Club “FINOVA” hosted an event titled “Trade Nexus—Bridging Trade and Academia Initiative’ on 13th August 2024 for the students to gain practical trading experience and bridge the gap between theory and offering an opportunity to explore the services of a trading company in Mangalore.
- “Lumina” the HR Club, organized a session focused on interviewing an HR professional from an organization on 13th August 2024. Ms. Shreya Bangera, HR Admin, ETEQ Net Pvt Ltd, was the resource person.
- Organized a session on “post Budget Analysis 2024” on 13th August 2024, Ms.CA Rishika KS, faculty/mentor at KVC Academy, was the resource person.
- Organized a one- day workshop on “Quantitative Aptitude & Reasoning bility” by Mrs.Ashwini and Mr.Steevan Tellis on 28th May 2024.

- Completed a 10-hour International Faculty Development Program on “AI and Gen AI with Industry Application,” held from 16th to 22nd July 2024, organized by MIT Academy of Engineering (MIT AOE) Autonomous - Maharashtra The National Institute of Engineering - MYSORE Narasaraopeta Engineering College Autonomous - Andhra Pradesh Matrusri Engineering College Autonomous-Telangana in Collaboration with ExcelREdtech Pvt. Ltd.
- Participated in a 10-hour International Faculty Development Program on “Machine Learning and Artificial Intelligence” conducted from 12th to 19th August 2024, organized by Pimpri Chinchwad College of Engineering and Research, Ravet, Pune – Maharashtra, Sri Venkateswara Degree College, Kadapa - Andhra Pradesh, SJB Institute of Technology, Bangalore – Karnataka and Sri Indu PG College, Hyderabad – Telangana in Collaboration with ExcelR Edtech Pvt. Ltd.
- Participated in a Five-Day Faculty Development Program on “Cloud Architect” Jointly organized by Vardhaman Engineering College, Shamshabad - Hyderabad, AVS Engineering College, Salem – Tamil Nadu, JSS Science and Technology University, Mysore – Karnataka, JB Institute of Engineering & Technology, Ranga Reddy – Telangana, GMR Institute of Technology, Vizianagaram -Andhra Pradesh, Santhiram Engineering College, Nandyal - Andhra Pradesh in Collaboration with ExcelR Edtech Pvt. Ltd., from 18th to 22nd November 2024.
- Successfully completed a Faculty Development Program on “Blockchain & Web3” Organized by the Department of CSE & CSE (Data Science), Sri Siddhartha Institute of Technology, SSAHE, Karnataka. Jai Narain College of Technology, Bhopal Madhya Pradesh. Dr. Vithalrao Vikhe Patil College of Engineering, Ahilyanagar, Maharashtra. Rajkumar Goel Institute of Technology, Ghaziabad (UP). Oriental Institute of Science & Technology, Bhopal, Madhya Pradesh. Srinivas Institute of Technology, Mangalore, Karnataka, in Collaboration with ExcelR Edtech Pvt. Ltd., held it from 10th to 17th March 2025.

Mr. Swapnil Pai

DEPARTMENT OF BASIC SCIENCE

- Conducted a two-day international conference on “RECENT TRENDS IN APPLIED SCIENCES” from 3rd April 2025 to 4th April 2025.
- Conducted a Five-Day FDP on “EMERGING TOPICS IN APPLIED SCIENCE” from 4th February 2025 to 8th February 2025.
- The Green Cell, in collaboration with the Departments of Basic Science, conducted a workshop on Energy Literacy for the first-year students of Srinivas Institute of Technology on 25th and 26th October 2024 at Srinivas Institute of Technology, Mangaluru.
- Srinivas Institute of Technology, Mangaluru, conducted a 10-day induction program for first-year (first semester) B.E. and B.ARCH. Students of the 2024-2025 batch from 10th September 2024 to 21st September 2024.

WORKSHOPS /CONFERENCES/ PUBLICATIONS AND ACHIEVEMENTS OF FACULTY MEMBERS:

DEPARTMENT OF CHEMISTRY

**Dr. Gopalakrishna Bhat N, Professor & Head,
Department of Chemistry**

- Attended Five-day FDP on Emerging Topics in Applied Science conducted by Srinivas Institute of Technology, Mangaluru, from 4th to 8th February, 2025.
- Estimation of metal content in E-waste using optical sensors, presented in the International Conference on Polymers for Sustainable Development conducted by JSS Academy of Technical Education, Bengaluru, on 7th February 2025, MS-18.
- Attended 6 days of FDP on sustainable manufacturing practices and environmental impact optimization techniques from 9th December 2024 to 14th December 2024, organized by Dayananda Sagar College of Engineering, Bangalore.
- Attended 6 days FDP on AI and Digital Technologies for Sustainable Healthcare and Medical Technologies from 25th November 2024 to 30th November 2024, organized by Institute of Technology, Nirma University, Ahmedabad, Gujarat, India

Dr. Sumana V S: Assistant Professor

- Attended Five day FDP on Emerging Topics in Applied Science conducted by Srinivas Institute of Technology, Mangaluru, from 4th to 8th February, 2025.
- Presented a paper titled "Biodegradable Polymer Electrolyte Based on Poly(caprolactone) and Guar Gum for High-Performance Supercapacitors" (Poster) at the "International Conference on Polymers for Sustainable Development - 2025" organized by the Department

of Chemistry, JSS Academy of Technical Education, Bengaluru, on 7th February 2025.

- Attended a 6-day FDP on Sustainable manufacturing practices and environmental impact optimization techniques from 9th December, 2024 to 14th December, 2024, organized by Dayananda Sagar College of engineering, Bangalore.

Prof. B S Dayananda: Assistant Professor

- Delivered Plenary Talk on "Electrospun Nanomaterials and their Applications" organized by the Department of Basic Sciences, Srinivas Institute of Technology, Valachil, Mangalore, India, held from 4th February 2025 to 8th February 2025.
- Attended Five-day FDP on Emerging Topics in Applied Science conducted by Srinivas Institute of Technology, Mangaluru, from 4th to 8th February, 2025.
- Presented a paper "Pharmacological potential of 3-Hydroxyflavone (3HF) derivatives in transdermal drug delivery by electrospun cellulose acetate nanofiber, International conference on polymers for sustainable development -2025, organized by the Department of Chemistry, JSS Academy of Technical Education, Bengaluru, India, on 7th February, 2025.

Prof. Ambika K.: Assistant Professor

- Attended Five-day FDP on Emerging Topics in Applied Science conducted by Srinivas Institute of Technology, Mangaluru, from 4th to 8th February, 2025.

DEPARTMENT OF PHYSICS

Dr. SURYANARAYANA.K, Professor & Head, Department of Physics

- Attended Five-day FDP on Emerging Topics in Applied Science conducted by Srinivas Institute of Technology, Mangaluru, from 4th to 8th February, 2025.
- A gold certificate is awarded for making 2000+ people in their organization Energy Literate in the academic year 2024-25.
- Silver certificates are awarded for making 500+ people in their organization energy literate in the academic year 2024-25.
- Successfully participated in & completed the AICTE Training And Learning (ATAL) Academy Faculty Development Program on AI and Quantum Computing: The Future of Intelligent Systems at BHARAT INSTITUTE OF ENGINEERING AND TECHNOLOGY from 9th December 2024 to 14th December 2024.
- Completed a 10-day sales and marketing course for startups and MSMEs, organized by Turnip Innovations and facilitated by Dr. Rahul Kapoor from 10th September 2024 to 19th September 2024.
- Participated as a chairperson of the Drishti-2024 International Conference—A New Era in Management, Engineering, Science & Technology, held on 11th

September 2024 at VCET Puttur.

Prof. Amitha H.: Assistant Professor

- Participated in Faculty Development Program on Blockchain & Web3 Organized by the Department of CSE & CSE (Data Science), Sri Siddhartha Institute of Technology, SSAHE, Karnataka. Jai Narain College of Technology, Bhopal, Madhya Pradesh. Dr. Vithalrao Vikhe Patil College of Engineering, Ahilyanagar, Maharashtra. Rajkumar Goel Institute of Technology, Ghaziabad (UP). Oriental Institute of Science & Technology, Bhopal, Madhya Pradesh. Srinivas Institute of Technology, Mangalore, Karnataka, in Collaboration with ExcelR Edtech Pvt. Ltd., from 10th March 2025 to 17th March 2025.
- Attended Five Days Online Faculty Development Program on "Sustainable Engineering for Future Infrastructure," Organized by the Department of Civil Engineering, Dream Institute of Technology, Kolkata, from 11th February, 2025, to 15th February, 2025.
- Attended a five-day FDP on Emerging Topics in Applied Science conducted by Srinivas Institute of Technology, Mangaluru, from 4th to 8th February, 2025.

Prof. Sahana G K : Assistant Professor

- Participated in Faculty Development Program on

Blockchain & Web3 Organized by the Department of CSE & CSE (Data Science), Sri Siddhartha Institute of Technology, SSAHE, Karnataka. Jai Narain College of Technology, Bhopal, Madhya Pradesh. Dr. Vithalrao Vikhe Patil College of Engineering, Ahilyanagar, Maharashtra. Rajkumar Goel Institute of Technology, Ghaziabad (UP). Oriental Institute of Science & Technology, Bhopal, Madhya Pradesh. Srinivas Institute of Technology, Mangalore, Karnataka, in Collaboration with ExcelR Edtech Pvt. Ltd., from 10th March 2025 to 17th March 2025.

- Attended a Five-day FDP on Emerging Topics in Applied Science conducted by Srinivas Institute of Technology, Mangaluru, from 4th to 8th February, 2025.
- Attended 5 days online FDP on "Waste to Wealth Innovation" organized by the National Institute of Technical Teachers, Kolkata, from 2nd December 2024 to 7th December 2024.
- Attended a 5-day FDP on "Next Generation Energy Storage: Integrating Advanced Electronics and Sensor Technologies" at SUSIT Mukka from 18th November 2024 to 23rd November 2024.

DEPARTMENT OF MATHEMATICS

Dr. Anant Kumar Kulkarni, Professor & Head, Department of Mathematics

- Attended Five-day FDP on Emerging Topics in Applied Science conducted by Srinivas Institute of Technology, Mangaluru, from 4th to 8th February, 2025.

Prof. Shilpakala K.: Assistant professor

- Attended the online International Faculty Development Programme on Recent Trends in Graph Theory conducted by DMI COLLEGE OF ENGINEERING from 3rd March 2025 to 7th March 2025.
- Attended Five-day FDP on Emerging Topics in Applied Science conducted by Srinivas Institute of Technology, Mangaluru, from 4th to 8th February, 2025.

Prof. Vathsalya: Assistant professor

- Attended the online International Faculty Development Programme on Recent Trends in Graph Theory conducted by DMI COLLEGE OF ENGINEERING from 3rd March 2025 to 7th March 2025.
- Attended a Five-day FDP on Emerging Topics in Applied Science conducted by Srinivas Institute of Technology, Mangaluru, from 4th to 8th February, 2025.
- Participated in the Virtual National Level Conference held on 25th January, 2025, and presented a paper titled "GRAPH-BASED MACHINE LEARNING MODELS FOR EDUCATION DATA MINING: A REVIEW OF TECHNIQUES AND APPLICATIONS."
- Successfully completed SWAYAM Course on 'Research Methodology' from 22nd July 2024 to 13th September 2024

Department of AERONAUTICAL ENGINEERING

Dr. Praveen Shenoy Head of Department

It is with immense pride and a sense of collective achievement that I address you through the pages of our esteemed College Magazine. This publication serves as a vibrant chronicle of the dedication, innovation, and collaborative spirit that flourishes within Srinivas Institute of Technology. The Department of Aeronautical Engineering, with an annual intake of 60 students, is privileged to contribute its own narrative of success and aspiration, and is committed to nurturing future leaders in the aerospace domain.

The past year has been exceptionally rewarding for our department. Our students, the torchbearers of our future, continue to be our greatest source of pride. They have consistently brought laurels not only to the department but to the college at large through their outstanding performance in various technical events and competitions. Their intellectual curiosity and relentless drive extend far beyond the traditional curriculum. This is vividly demonstrated by their active involvement in challenging interdisciplinary projects exploring cutting-edge areas such as satellite technology, advanced propellants, Unmanned Aerial Vehicles (UAVs), and sophisticated drone systems. Further enriching their learning experience, our students are now also being trained in the transformative fields of Artificial Intelligence (AI) and Machine Learning (ML) as applied to Aeronautical Engineering, equipping them with skills crucial for the future of the aerospace industry. Our state-of-the-art labs related to Aircraft Structures, Propulsion, Aerodynamics, Fluid Mechanics and Hydraulic & Pneumatics amongst others provide the necessary hands-on insights and practical experience that underpin these advanced learning endeavors.

The commitment to rigorous research and academic excellence is a hallmark of our department. Several of our students have achieved the significant distinction of publishing exceptional papers in highly reputed Q1 journals— a testament to their hard work and the quality mentorship provided by our dedicated faculty. Our esteemed faculty members continue to lead by example, demonstrating an unwavering commitment to both teaching and pioneering research. Their scholarly contributions are highlighted by numerous publications in high-impact Q1 journals. Moreover, their research endeavours showcase a remarkable breadth and a commitment to interdisciplinary exploration, tackling real-world problems with innovative applications of aeronautical principles in diverse fields, including collaborative work related to physiotherapy and the development of advanced materials for applications such as bulletproof vests. For those interested in the depth and breadth of the subjects and laboratory facilities that underpin these achievements, the detailed curriculum can be referred to at the VTU Aeronautical

Engineering Syllabus.

Our students' talents are not confined to academics and research. They have been active and successful members of various college and university sports teams, bringing numerous accolades and showcasing their well-rounded development and unyielding team spirit.

The impact of our rigorous academic environment and holistic development approach is also reflected in the career trajectories of our alumni. We are incredibly proud that many of our graduates have pursued Master's programs at prestigious institutions and are now contributing their expertise in vital public sector undertakings such as DRDO and HAL, serving the nation with distinction.

A significant milestone for our entire institution this year was achieving the prestigious 'A' grade accreditation from NAAC. This success was a result of collective dedication and seamless teamwork across all departments. The Department of Aeronautical Engineering was honored to contribute to this shared triumph, which underscores the quality and commitment prevalent across Srinivas Institute of Technology.

Further demonstrating our commitment to fostering academic discourse and collaboration, the Department of Aeronautical Engineering, in partnership with the Department of Automobile, Mechanical and Marine Engineering, successfully organized the prestigious RTIMES conference (Recent Trends in Mechanical Engineering Sciences) in association with AIP Publications. This event served as a vital platform for knowledge dissemination and resulted in the publication of 45 high-quality research papers, significantly contributing to the field and enhancing the college's academic reputation.

This College Magazine you hold in your hands aims to capture the essence of these varied accomplishments and many more from across all departments. It is a showcase of the collective pursuit of excellence that defines our institution. Within these pages, you will find not only reflections of the successes mentioned but also glimpses into the diverse, often hidden talents and creative expressions of our student and staff community.

I hope this collection inspires you as much as the accomplishments it documents inspire me daily. I extend my sincere gratitude to the student and faculty editorial team of the College Magazine for their hard work in bringing this vibrant compilation to fruition. Let us all continue to aim higher, push boundaries, and contribute meaningfully to our respective fields and to society at large.

Department of **AUTOMOBILE ENGINEERING**

Dr. Sandesh Kumar Rai.G Head of the Department

As we stand at the crossroads of innovation and tradition, the Department of Automobile Engineering continues to drive forward with a commitment to excellence in education, research, and industry collaboration.

Our curriculum is meticulously designed to equip students with a robust understanding of vehicle dynamics, power train systems, and the latest advancements in electric and hybrid vehicle technologies. Emphasizing hands-on experience, we provide state-of-the-art laboratories and workshops, including MOU's collaborations with Industry like Siemens, Suraksha car care ensuring jobs our students through internships. Thus we also preparing students for

the challenges of the automotive industry. In this regard few more MOUs and COE in EV are in pipeline.

Beyond technical expertise, we instill in our students the values of sustainability and ethical responsibility. Our focus on green manufacturing, alternative fuels, and autonomous systems aligns with the global shift towards environmentally conscious transportation solutions .

As we look to the future, our department remains dedicated to fostering innovation, nurturing talent, and contributing to the advancement of the automotive industry. Together, we drive towards a smarter, safer, and more sustainable tomorrow.

Department of **ARTIFICIAL INTELLIGENCE AND DATA SCIENCE**

Prof. Nagaraj Hebbar Associate Professor & Head

The Department of Artificial Intelligence and Data Science with an annual intake of 60 at UG level has an acute focus on curricular, co-curricular and extra-curricular activities for students. Artificial intelligence (AI) is wide-ranging branch of computer science concerned with building smart machines

capable of performing tasks that typically require human intelligence. Data science is a deep study of the massive amount of data, which involves extracting meaningful insights from raw, structured, and unstructured data that is processed using the scientific method, different technologies, and algorithms. Department

is well-equipped with various computing laboratories like Microprocessor/ Logic Design Lab, Python lab, Data structures/C++ lab, DBMS lab, Machine Learning lab and

project lab to cater to the needs of the students.

Association of Artificial Intelligence and Data Science (AADE): The AADE organizes various events for students which helps in developing confidence, leadership qualities, communication skills, event management etc. The clubs like Programming Club, Aptitude Club, English Club, Eco Club are functioning under AADE. In addition to academic activities, AADE is involved in social activities like green campus, planting saplings, environment awareness etc. Students of the department are encouraged to attend in various technical fests held in other engineering colleges. Students have made us proud by winning various awards. Students organize sports events in the college and also participate in sports events held in other engineering colleges.

Department of ARTIFICIAL INTELLIGENCE AND MACHINE LEARNING

Prof Daya Naik Associate Professor & Head

I am delighted to extend my greetings through this edition of our college magazine, a platform that celebrates the academic spirit, creative energy, and collective accomplishments of our vibrant institution.

The Department of Artificial Intelligence and Machine Learning (AIML) stands at the forefront of innovation and transformation in the digital era. With the rapid evolution of technology, AIML has become a pivotal field, driving change across industries—from healthcare and finance to agriculture and education. Our department is committed to nurturing future-ready professionals by equipping students with cutting-edge knowledge in machine learning, deep learning, computer vision, natural language processing, and data analytics. Through a blend of academic excellence, industry collaboration, and research-driven learning, we aim to empower students to solve real-world problems and lead technological advancements. The Department of AIML is not just about technology—it is about shaping the future with intelligence, ethics, and purpose. The Department boasts a team of highly qualified and dedicated faculty members who bring a rich blend of academic expertise and industry experience, guiding students through the core concepts of Artificial Intelligence and Machine Learning while also integrating interdisciplinary knowledge to ensure holistic and application-oriented learning.

The Department Student Association, The Association of Artificial Intelligence Educatee (AAIE) serves as a dynamic platform for students to explore, learn, and innovate in the field of Artificial Intelligence and Machine Learning.

AAIE plays a crucial role in bridging the gap between academic knowledge and industry demands by organizing technical workshops, seminars, hackathons, and expert talks. The association fosters a collaborative learning environment, encouraging students to work on real-world projects, engage in research, and develop problem-solving skills. By providing opportunities for networking with industry professionals, internships, and hands-on training, AAIE helps students enhance their technical proficiency and career prospects. Through its initiatives, the association aims to cultivate leadership, teamwork, and a passion for AI, empowering students to excel in their professional journeys and contribute to advancements in AI and ML technologies. The students of the department have actively utilized the AAIE as a dynamic platform to showcase their talents and achieve numerous co-curricular and extracurricular milestones, both within the department and at various interdepartmental and external forums, reflecting their passion, creativity, and leadership.

As we continue to grow and evolve, the Department of AIML remains committed to academic excellence, innovation, and holistic student development. I take this opportunity to congratulate all the contributors of this magazine who have captured the spirit and achievements of our department. I extend my heartfelt wishes to our students, faculty, and alumni who continue to make us proud with their dedication and accomplishments. Let us move forward together, embracing challenges as opportunities, and continue to strive for excellence in all our future endeavors.

Department of COMPUTER SCIENCE AND ENGINEERING

Dr. Suresha D
Professor & Head

The Department of Computer Science and Engineering fosters a dynamic learning environment, providing a comprehensive undergraduate B.E.(CSE) program with an annual intake of 120 students and a specialized postgraduate program M.Tech in Computer Science and Engineering, admitting 12 students annually. Acknowledging the rapid evolution of the technology sector, the department proactively integrates advanced topics into its offerings, ensuring graduates possess skills exceeding standard curricular expectations and are well-prepared for industry demands. The consistent efforts towards maintaining high academic standards have been recognized with the prestigious NAAC 'A' Grade, a reflection of the quality education, dedicated faculty, and robust infrastructure we offer. The department features 10 well-equipped computer laboratories housing 350 networked terminals supported by Linux servers. These computers can boot up Windows Vista or XP and have separate hard drives. The department has all the software required to complete both routine laboratory work and project work. The key labs are: Internet Lab, C - Programming Lab, Microprocessor Lab, Database Application Lab, Algorithms Lab, Computer Graphics and Visualization Lab, System Software and Compiler Design Lab, Network Lab, Web Programming Lab, AI and ML Lab, Android Lab, and Project Lab. The department has highly-qualified and experienced teaching staff who aim for excellence with 100% academic compliance, and they are well backed by a sufficient number of technical support personnel.

The Department, with its well-developed infrastructure and experienced academic team, exposes students to programming techniques, algorithm design and analysis, and the fundamentals of software analysis, design, and applications, as well as Research and Development activities. The Association for Computer Science and Engineering Educatee (ASCEE) actively organizes academic

and technical events like workshops, seminars, and competitions within the department and during institute festivals (ALTIUS, Envision). The department encourages students to get involved in extracurricular and cocurricular activities. Students are encouraged to publish their research articles in publications and give presentations at conferences. The CSI Students Chapter hosts a number of training programs on cutting-edge technologies. The department invites students to attend regional CSI workshops and conferences. Final and pre-final year students develop a variety of unique projects, with notable projects receiving sponsorship from the Karnataka State Council for Science and Technology (KSCST), Bengaluru, and the Foundation for Advancement of Education and Research (FAER) at Motorola Solutions, USA.

Recognizing the importance of holistic development, the department conducts regular Soft Skill Training sessions. The Dr. Raghavendra Rao-Centre of Excellence drives focused research and development and provides advanced certification opportunities for students. Furthermore, the department has established valuable Memorandums of Understanding (MoUs) with leading industries and research organizations like IBM, Infosys, ExcelR etc. These strategic collaborations provide invaluable opportunities for students to gain practical experience through internships, collaborative projects, and expert lectures, effectively bridging the academic-industry divide. Continuous faculty development is prioritized through FDPs, and student technical skills are enhanced through SDPs. An entrepreneurial spirit is actively cultivated within the department, with several student-led startups emerging, supported by dedicated guidance and resources. To provide real-world exposure, the department organizes insightful industrial visits. Incubation Center serves as a nurturing ground for budding entrepreneurs, offering mentorship, infrastructure, and a supportive ecosystem.

Department of ELECTRONICS AND COMMUNICATIONS ENGINEERING

Dr. Soorya Krishna K Professor & Head

Established in 2006 and affiliated with Visvesvaraya Technological University (VTU), Belagavi, the Department of Electronics and Communication Engineering (ECE) at Srinivas Institute of Technology (SIT) envisions becoming a Center of Excellence in the field of Electronics. With a strong focus on quality education and research, the department remains attuned to the dynamic needs of industry and society. It is supported by a team of highly qualified and dedicated faculty members committed to nurturing students with the technical acumen and problem-solving skills necessary for successful careers.

The department is equipped with advanced laboratory infrastructure that supports undergraduate, postgraduate, and research programs. These state-of-the-art labs facilitate practical learning in key areas such as Analog and Digital Circuits, Linear Integrated Circuits, Digital Communication, Digital Signal Processing (DSP), Microcontrollers, Embedded Systems, Computer Networks, Microprocessors, and VLSI Design. These facilities serve as a robust platform for inquisitive and innovative minds to explore and excel.

To ensure students are industry-ready and globally competent, the department has established the **“Dr. C.A. Raghavendra Rao Center of Excellence”** in collaboration with Ethnotech Academy. Through this initiative, students undergo training in **International Certification Programs** in domains such as HTML & Web Programming, Microsoft Azure, Cybersecurity, Internet of Things (IoT), AWS Cloud,

Machine Learning, Blockchain, and Robotic Process Automation. These certifications are endorsed by global technology leaders including Microsoft, AWS, CISCO, Intel, Pearson, Autodesk, and Adobe. As part of the curriculum, ECE students are required to complete at least one international certification program every semester.

In addition to academic excellence, the department emphasizes holistic student development through various co-curricular and extracurricular initiatives:

- **‘STEADY’ – The ECE Student Forum:** This vibrant platform encourages students to engage in both technical and cultural activities by organizing seminars, technical talks, quizzes, and competitions. Events are conducted regularly as part of major college functions like Prathibha, Envision, Altius, and College Day, fostering leadership, creativity, and collaboration.
- **Startup Initiatives:** The department promotes entrepreneurship and innovation by supporting student-led startups. These initiatives focus on nurturing logical reasoning, problem-solving, and sequential thinking abilities, equipping students with the mindset to launch and sustain ventures in the tech-driven global landscape.

Through its comprehensive academic framework and enriching student-centric programs, the ECE department at SIT continues to produce competent, ethical, and future-ready engineers.

Department of **ELECTRICAL & ELECTRONICS ENGINEERING**

Prof. Lokesh B.
Professor & Head

The department of Electrical & Electronics Engineering established in the year 2011 offers Undergraduate Program in Electrical & Electronics Engineering with annual intake of 60 students. To meet the growing demand for the Electrical Engineers in the government and private sectors, the department is making best efforts to produce highly trained and capable engineers who can take up the challenges of the real world. The Department has well qualified and dedicated faculties with the wide range of specialization. The department has established many laboratories to cater to the needs of the present day syllabus. The department has Power Systems Simulation Laboratory, Electrical Machinery Laboratory, Electrical Measurements Laboratory, High Voltage & Relay Laboratory, Analog Electronics Laboratory, Power Electronics Laboratory, Logic Design Laboratory, Microcontroller Laboratory, CAED Laboratory and Electrical Wiring Laboratory. The

department has a separate library

equipped with large collection of different text books. The department has students association called ELITE whose activities started in the year 2013 and since its inception; it supports extra and co-curricular activities among students of E & E Engineering, Educational tours and Industrial visits are regularly organized to enhance the practical knowledge of the students with the recent technologies used in the industries. Special laboratory sessions are conducted for the second year students to orient them towards engineering principles and practices. Workshop on Electrical wiring is conducted every year with an aim to equip students with the necessary hand-skills for the Electrical industry. Students are always encouraged to do the innovative projects and we are happy to mention here that our student's projects won State and National Awards apart from funding from KSCST.

Department of INFORMATION SCIENCE AND ENGINEERING

COMPUTER SCIENCE AND DESIGN

Prof. Sudarshan K Associate Professor & Head

The Department of Information science and Engineering with an annual intake 30 of UG level has an acute focus on curricular, co-curricular and extra-curricular activities for students. Department of Computer Science and Design has Annual intake of 30 students. The fulfillment of this cause of student personality evolution has been backed by a team of well qualified, dedicated and experienced teaching faculty. Department is well-equipped with various computing laboratories like Microprocessor/Analog and digital Lab, File structures lab, Data structures/C++ lab, Web lab, computer network lab and project lab to cater to the needs of the students. A 100% result was obtained from the outgoing batch. Results of other semesters are also equally competitive.

The Information Science and Engineering (ISE) department is an academic department that focuses on teaching and research related to the design, development, and implementation of information systems and technology infrastructure. The department typically offers undergraduate and graduate degree programs that provide students with a comprehensive education in computer science, information technology, and related fields. The ISE curriculum covers a broad range of topics, including programming, data structures, algorithms, computer networks, database systems, software engineering, cyber

security, artificial intelligence, and machine learning. Students are also exposed to emerging technologies such as cloud computing, internet of things (IoT), and Blockchain.

Association of Information Science Educatee (AISE):

The AISE organizes various events for students which helps in developing confidence, leadership qualities, communication skills, event management etc. The clubs like Programming Club, Aptitude Club, English Club, Eco Club are functioning under AISE. In addition to academic activities, AISE is involved in social activities like campus cleaning, environment awareness etc.

The final year students are also encouraged to carry out inter-disciplinary projects so that they will be exposed to the knowledge of other branches (electronics or mechanical) also. Some of the final year projects are sponsored by

K.S.C.S.T (Karnataka state council for Science and Technology).

Students of the department are encouraged to attend in various technical fests held in other engineering colleges. Students have made us proud by winning various awards. Students organize sports events in the college and also participate in sports events held in other engineering colleges.

Department of MARINE ENGINEERING

Dr. Lokesh V. Professor & Head

The Marine Engineering Department offers an undergraduate B.E. program with an annual intake of 60 students. It regularly organizes special courses and workshops focusing on recent advancements, ship model building, and soft skill development to bridge the gap between the university curriculum and industry needs.

The department boasts well-equipped laboratories catering to the requirements of undergraduate students.

These labs include facilities for metallography, material testing, measurements, metrology, foundry, forging, machine shop, fluid mechanics, machinery, energy conversion, CAD/CAM analysis, heat transfer, CIM automation, design, and marine electrical studies. Students undergo training to gain proficiency in mechanical and marine industry practices. Additionally, there's a research center focusing on CNC machining and IC engine testing.

The department prides itself on its qualified, experienced, and committed teaching staff ensuring academic excellence. These faculty members engage in research

activities, publishing papers in reputable journals and presenting at national and international conferences. The department also hosts events like the International Conference on Recent Trends in Mechanical Engineering Sciences (RTIMES 2023).

AIMES (Association of Integrated Marine Engineering Students) conducts workshops, seminars, and invited lectures to enhance students' team spirit and leadership qualities. Students are encouraged to participate in various competitions and publish research papers. Notably, several projects receive sponsorship from organizations like the Karnataka State Council for Science & Technology (KSCST) and VTU Belagavi.

The department celebrates the success of its students, both academically and in extracurricular activities. Many students secure VTU Ranks and excel in sports and other activities. Moreover, a significant number of students find placement in core industries and the IT/service sector through campus recruitments.

Department of MECHANICAL ENGINEERING

Dr. Shankar K.S. Professor & Head

It's with great pleasure that I present to you the vibrant landscape of the Department of Mechanical Engineering, where innovation meets excellence and academia intertwines with industry.

The Department of Mechanical Engineering offers undergraduate B.E program with an annual intake of 30, post graduate program in Industrial Automation & Robotics (IAR) with an annual intake of 12 and Research programs leading to the degree of MSc (Engg.) and PhD.

To bridge the gap between theoretical knowledge and practical application, we conduct empowering workshops and specialized courses that delve into the latest advancements and foster soft skill development. Our extensive, well-equipped laboratories serve as crucibles of innovation, providing students across all levels with the tools and resources needed to explore, experiment, and innovate

Integral to our ethos is the integration of industry perspectives and experiences into our curriculum. We actively encourage and facilitate internships at prestigious organizations such as HAL, KSRTC, Bosch, MCF, and NMPT, offering students invaluable exposure to real-world challenges and solutions.

At the heart of our department are our dedicated faculty members, whose commitment to academic excellence drives impactful research and publication in reputed journals and conferences worldwide. Through their

mentorship, students are empowered to explore their passions, excel in their endeavors, and emerge as well-

rounded professionals. In June 2023, the department successfully organized the 2nd International conference on Recent Trends in Mechanical Engineering Sciences (RTIMES 2023) along with AE, AU and MR departments.

The All Students Mechanical Association (ASMA) serves as a catalyst for holistic student development, organizing workshops, seminars, and project competitions that foster leadership, teamwork, and innovation. Our students continuously shine in both academic and extracurricular arenas, garnering accolades in sports, competitions, and research pursuits.

Celebrating our students' achievements in university examinations and their remarkable placements across various sectors is a testament to their competence, dedication, and the quality of education imparted by our department. Looking ahead, we are committed to strengthening our ties with industries, equipping students with essential coding skills, and fostering a collaborative environment that fosters continuous growth and innovation.

In closing, I extend my heartfelt appreciation to our students, faculty, and staff for their unwavering commitment and contributions to the department's success. Together, we chart a path towards excellence, innovation, and transformative impact.

Department of **MASTER OF BUSINESS ADMINISTRATION**

Dr. Ajoy S. Joseph
Professor & Head

With an aim of bringing a paradigm shift from mere management coaching to innovative and activity based learning for the students seeking Management training from different parts of India and abroad with emphasis on continuous lifelong education, the department of MBA was started in the year 2007 offering three specializations streams namely Finance, Marketing and human Resources. All the faculty members in MBA department play an important role in administering the diverse academic and non-academic activities. The class room teaching is supplemented by group projects, seminars, lectures, simulation games, role plays and industrial visits. The students are exposed to organizational situations that represent actual complex management problems. The cases also help in developing a holistic perspective combining unstructured real life situations and decision making under uncertainty. The summer

internships that students take-up during the break between third and fourth semester help students to gain first hand industry experience and to challenge, test and validate the class room learning. To sharpen the soft skills of the students' soft skill programmes are regularly conducted. Every week, four hours are dedicated for personality development. VOLMAS (Vision of Learning -Management students Association of SIT), conducts various events under its banner. The marketing association MAXIMUS, The HR association NEEV and the finance association FINNOVA are active and organizes events specific to respective specializations. SHRIYANS, intercollegiate management fest is the major event of the department. In addition to these activities the department has organized national seminar in series.

Department of **MASTER OF COMPUTER APPLICATION**

Dr. Shashidhar Kini K. Professor & Head

The department of MCA started in the year 2008, offers two years full time M.C.A. programme with an annual intake of 60. The department believes in creating intellectual capital that will be a basis for a strong and effervescent world in the commercial arena. The department aims in crating technical professionals who represent the union of best class room experience and practical exposure. MCA department has well qualified and experienced faculty striving for multifaceted development of students. Regular and Vocational Soft Skill Trainings are conducted for students by expert trainers under the placement cell. Regular seminars are conducted by and for the students to get a glimpse of latest technological developments and to enhance presentation skills.

All the necessary computing facilities required to carry out regular laboratory work and project work are available in

the department. The major MCA labs are algorithms lab, C, C++, C# lab, Java and J2EE lab, Software Design lab, DBMS lab, UNIX lab, Web lab, IoT Lab, Data Analytics Lab.

MCA department is a recognized VTU Research Centre which leads to PhD in computer Applications

MCA Association of SIT Mangalore (MASM) organizes various events like guest lectures, intradepartmental competitions for students which help in developing confidence, leadership qualities, communication skills, event management skills etc. EXCEL, the career guidance program for UG students is the major events organized by MASM. During Intra College fest MASM organized gaming contest for the students of SIT.

The students of MCA are encouraged to take part in all curricular, co-curricular and extra-curricular activities. taking place in the college and other colleges.

SCHOOL OF ARCHITECTURE

Prof. Vasudev N. Shet Professor & Head

The department of Architecture offers bachelor of Architecture program with an annual intake of 80. The course is of five years. The Department started this program in August 2012 with an intake of 40 and the current intake is 80.

The Department has a well equipped cad lab climatology lab, Material lab, an exhibition space in which most of the students' works are exhibited inclusive of photography, apart from studiorooms well equipped with drafting tables & Chairs. The department library has a magnificent collection of books on architecture and civil Engineering and journals of national and international standards. The classrooms are well equipped with high-tech audio visual projectors & speakers.

The department has well qualified and practically experienced faculty both fulltime and visiting who make sure students get an in-depth knowledge about subjects and practice. Architecture is more about practicality, hence every semester eminent Architects are invited and guest lectures are organised which enhances the practical knowledge of student. Our faculty is keen to focus on state of art technology and standards considering the present scenario, so that students can keep themselves updated practically.

NASA (National Association of Student of Architecture) organizes zonal convention every year as ZONASA which our college has the opportunity to host. This year it was a

three day

convention which was well attended by more than 1200 architecture students across states.

The departmental fest, a yearly event very popularly known as "ARCHIHOLICS" is made more informative by inviting world renowned Architects to give more exposure to our students in the field of Architecture; in addition to Workshops, seminars and conference conducted by subject experts to disseminate more knowledge on the recent trends in the architectural scenario.

The highlight of 2020 was the visit of world renowned Architect Prof. Christopher Benninger, accompanied by Mr. Ramprasad Akkiseti, the MD of CCBA (Christopher Charles Benninger Architects), for one day interaction with students. They were highly pleased by the students' works and the commitment towards teaching and practice shown by the faculty of the department. Ar. Benninger also addressed the final year students and answered their queries regarding the profession.

Our students are also encouraged to document and publish research papers in journals and attend conferences. Recently our students have won INTACH COA Heritage Award, ZONASA-2018 trophy for their works, bringing laurels to the department. Our faculty play a vital role for the success of our students, motivating them to be competitive, and thorough professionals.

Department of PLACEMENT AND TRAINING

Dr. Dheeraj Hebri Head

As it is important for plants to bloom and emit fragrance, it is necessary to ensure that the students are put on a right path for becoming responsible and valuable citizens of the country in addition making them knowledgeable. This is why the placement and training department of SIT is for. The inception of placement and training cell was to promote an awareness of the employability skills. The cell with the help of faculty coordinators conducts training programs to enhance the soft skills/technical skills of the students, helping bridge the gap between the industry and academia. The cell has a soft skills lab at its disposal which is user friendly and of invaluable assistance in instilling soft skills proficiency.

The placement department is responsible for following activities.

4The college Training & Placement Department assists the development of graduates with balanced set of technical skills, interpersonal skills and with a positive attitude to life.

4To act as a nodal agency in the Institution for forging technology alliance between the Departments of SIT and the Industries.

4To act as a seamless conduit between the industry and the Institute and provide quality technical manpower to suit every organizational need.

The department organizes workshop on interview preparation skills Campus connect Soft Skill Training seminars on job opportunities in various sectors, pre-placement workshop on Employability Skills, Pre-Placement Assessment Test.

YOUTH THE BACKBONE OF THE NATION

Mohammed Zimad

“ARISE, AWAKE and STOP NOT until the goal is reached”
(SWAMI VIVEKANANDA)

“We cannot always build the future for our youth But we can build our youth for the future”
(FRANKLIN .D ROOSEVELT)

Youth represent a revolution and forms the backbone of any nation. The true path to success begins with meaningful involvement of the youth in the social, economic and political process of the country. Therefore the youth are an invaluable asset for the progress and development of the nation

They are the influencers opinion leaders, opinion makers. The leaders of today will pass leaving the world in the hands of the youth and for that they need to be prepared

Youth are the combination of passion, fearlessness, vigour and energy are changing society for the better bit by bit it has to make sure that the BACKBONE OF THE SOCIETY can remain strong and will not bend to the challenges ahead

and that it will not break under the strain of hurdle

International youth day commemorated annually with the purpose of highlighting the challenges and concerns encountered by the global youth population this observance also serves to raise the awareness while acknowledging the contributions of the young people worldwide the central objective behind making this day is to emphasize the significance of the youth engagement, empowerment and constructive utilisation of their energy in the development of both their communities and nations

Thus the power of youth must be harnessed properly to set the society on the path of change of philosophy followed by doctor (APJ ABDUL KALAM).

The Crossroads of Dreams and Contentment

In the cradle of time, where the sun kissed our face,
Childhood danced free, in a boundless embrace.
The skies were our canvas, our laughter the art,
Each day was a story, written pure from the heart.

Then came the books, the weight of the lore,
A world of equations, and poems to explore.
Education, they said, would unlock every door,
Yet the child within wondered, "What's it all for?"

With tassels on caps and a gown that we wore,
Graduation whispered, "Dream big, seek more."
But in the sea of applause, a question took root:
"Do these milestones define us, or do they dilute?"

The desk became a temple, the clock a hymn,
A job the mantra, yet the joy seemed dim.
The paycheck smiled, but the heart sought more,
A dream of prosperity knocking at the door.

Yet, there lies a truth that we often ignore,
That success isn't a mansion with a golden door.
Happiness breathes in moments unplanned,
In the warmth of the sun, or the touch of a hand.

Society points fingers, it labels, it pries,
"You must climb the ladder; that's where worth lies."
But what if the dream isn't a castle of stone?
What if contentment is simply your own?

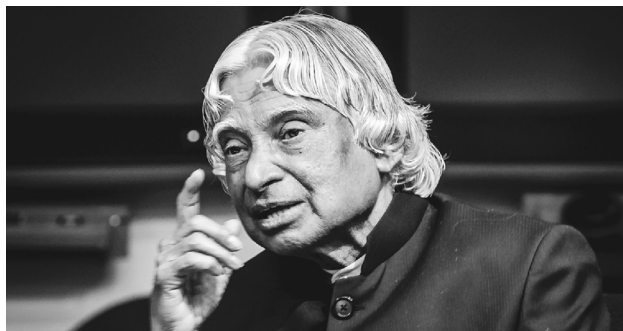

The duality dances, a paradox bright,
Between ambition's fire and simplicity's light.
To lead is to question, to pause and to see,
That life's richest moments are often debris—

Of laughter at dusk, of stars that don't wait,
Of paths untrodden, where joy is innate.
Prosperity, perhaps, isn't measured in gold,
But in the stories of love and the hands we hold.

So whether you climb or rest in the shade,
Each choice is a tapestry, artfully made.
For life's meaning, my friend, isn't society's call
It's the whisper within, that matters most of all.

CHITH KI BHARI

I was born on campus, surrounded by the sounds of students and busy workers. The world feels big, but I know every corner of it.

Some humans notice me and smile, others rush by without a second glance. I like the ones who always find time to stop and play with me

One kind man who works in the canteen always feeds me. Even when I steal food, he just laughs and shoos me away gently. I trust him.

I know I'm not supposed to steal, but sometimes, the food is too good. I sneak in to get snacks when no one's watching, but sometimes I get chased away.

Some humans think I'm aggressive, that's because they don't know me. I'm just playful and hungry and I can't help how they perceive me.

When I'm hungry, I steal food and the canteen workers scold me, but I don't mind. I just run off, knowing truly I'll find food again.

When the heat becomes too much, I find a quiet spot on the campus road which is perfect for stretching and resting.

Every afternoon after my nap, I wander past the gates to Food Adda. The smell is tempting, and sometimes, a kind soul shares their food with me.

I am not alone. My son, a scruffy little version of me, sometimes follows me. We explore the college, share scraps, and find cozy places to rest. I teach him how to live life here—where to walk, where to hide, and whom to trust

This college is my home. I may not have a permanent name but I'm happy with many different names that I get called by from each lovable human that I interact with, but I have a place. I watch students come and go, their lives passing by. But I am here, paws on this ground, part of this place, part of their world.

ಸಂದರ್ಭ 2: ನಿದ್ರೆ ಬರ್ತಾ ಇದೇನಾ? ತಗೋ ಒಂದು ಕಪ್ ಚಹಾ ಕುಡಿ, ಎಚ್ಚರವಿರುತ್ತೀರಿ!

ಸಂದರ್ಭ 3: ತುಂಬಾ ಆಯಾಸ ಆಗಿದೇನಾ? ತಗೊಳ್ಳಿ ಟೀ ಕುಡಿಯಿರಿ, ಆಯಾಸ ಕಡಿಮೆ ಆಗುತ್ತೆ!!!!

ಇಂತಹ ಮಾತುಗಳನ್ನು ನಾವು ನೀವೆಲ್ಲ ಕೇಳಿದ್ದೇವೆ ಮತ್ತು ಒಂದಲ್ಲೊಂದು ಸಮಯದಲ್ಲಿ ಆಡಿದ್ದೇವೆ ಕೂಡ!! ಇದಲ್ಲದೆ ಈ ಚಹಾದ ಹಿಂದೆ ನೂರಾರು ನೆನಪುಗಳಿವೆ, ಹಲವಾರು ಸಂದರ್ಭಗಳಿವೆ. ನಮ್ಮ ಮನೆಗೆ ಯಾರಾದರೂ ಅತಿಥಿ ಬಂದಾಗ ನಾವು ನೀಡುವ ಚಹಾ ಒಂದು ಆತ್ಮೀಯ ಸ್ವಾಗತವಾಗಿದೆ. ಬೆಳಿಗ್ಗೆ ನಿದ್ರೆ ಬಿಟ್ಟು ದೈನಂದಿನ ಚಟುವಟಿಕೆಗೆ ತಯಾರಾಗಬೇಕಾದಾಗ ಚಹಾ ನಮ್ಮನ್ನು ಎಚ್ಚರಗೊಳಿಸುತ್ತದೆ. ಸಂಜೆ ವೇಳೆ, ಮಳೆಯ ತಂಪಿನಲ್ಲಿ, ಬಿಸಿಬಿಸಿ ಪಕ್ಕೋಡಾ ಜೊತೆಗೆ, ಚಹಾ ಬೇಕೇ ಬೇಕು ಎಂಬಂತಾಗಿದೆ. ತಲೆನೋವು, ಗಂಟಲು ನೋವು ಅಥವಾ ಶೀತವಾದಾಗ ಮಸಾಲಾ ಚಹಾ ಮದ್ದಿನಂತೆ ಉಪಯೋಗವಾಗುತ್ತಿದೆ. ಸ್ನೇಹಿತರ ಜತೆ ಒಮ್ಮೆ ಟೀ ಸ್ಟಾಲ್‌ಗೆ ಹೋದರೇ ಸಾಕು ? ಮಾತುಗಳ ಮಹಾಪೂರವೇ ಹರಿಯುತ್ತೆ. ಔಪಚಾರಿಕ ಸಭೆಗಳಲ್ಲಿ ಸಹ ಚಹಾ ಒಂದು ಪ್ರಾಮಾಣಿಕತೆ ಮತ್ತು ಆತಿಥ್ಯತೆಯ ಸಂಕೇತವಾಗಿದೆ. ಇದು ಚಹಾ ಎಂಬ ಒಂದು ಪಾನೀಯಕ್ಕೆ ಇರುವ ಜನಪ್ರಿಯತೆ ಮತ್ತು ಮಹತ್ವವನ್ನು ಸ್ಪಷ್ಟವಾಗಿ ತಿಳಿಸುತ್ತದೆ.

ಚಹಾ ಎಂದರೆ ಕೇವಲ ಒಂದು ಪಾನೀಯವಲ್ಲ - ಅದು ಹಲವರ ದಿನಚರಿಯಲ್ಲಿ ಅವಿಭಾಜ್ಯವಾದ ಅಂಗ. ಇದು ಕೇವಲ ಒಂದೇ ವರ್ಗಕ್ಕೆ ಸೇರದ, ಎಲ್ಲ ವಯಸ್ಸಿನ ಜನರು ಉಪಯೋಗಿಸುವ ಕಡಿಮೆ ಬೆಲೆಯ

ಒಂದು ಉತ್ತಮ ಪಾನೀಯ ಅಂದರೆ ತಪ್ಪಾಗಲಾರದು. ಪ್ರತಿಯೊಂದು ಮನೆಯ ಚಹಾವು ತನ್ನದೇ ಆದ ವಿಶಿಷ್ಟ ಶೈಲಿ ಹೊಂದಿದೆ ಮತ್ತು ಇದು ಜನರ ವೈಯಕ್ತಿಕ ಆದ್ಯತೆಗಳನ್ನು ಆಧರಿಸಿದೆ. ಅದು ಪೂರ್ಣ ಕೆನೆಭರಿತವಾಗಿರಬಹುದು, ಅರ್ಧ ಹಾಲು ಅರ್ಧ ನೀರು, ಕಡಿಮೆ ಸಕ್ಕರೆಯ ಅಥವಾ ಜಾಸ್ತಿ ಕುದಿಯಿಸಿ ಮಾಡಿದ್ದಾಗಿರಬಹುದು.

ನಮ್ಮ ದೇಶದ ಯಾವುದೇ ನಗರ ಪ್ರದೇಶಗಳಿಗೆ ಹೋದರು ನಮ್ಮನ್ನು ಮೊದಲು ಸ್ವಾಗತಿಸುವುದು ಚಹಾದ ಅಂಗಡಿಗಳೇ. ಇನ್ನು ಹಳ್ಳಿಗಳಲ್ಲಿ ಚಹಾಕ್ಕೆ ಕೊಡೊ ಪ್ರಾಮುಖ್ಯತೆಯನ್ನು, ಅವರನ್ನು ಮಾತನಾಡಿಸಿದಾಗ ಅವರ ಮಾತುಗಳಲ್ಲೇ ತಿಳಿದು ಬರುತ್ತೆ. ತಮಾಷೆಯ ಸಂಗತಿ ಅಂದರೆ, ಹೆಣ್ಣು ಮಕ್ಕಳಿಗೆ ಅಡುಗೆಯ ವಿಷಯದಲ್ಲಿ, ಏನಮ್ಮ ನಿನಗೆ ಚಹಾ ಆದರು ಮಾಡೋಕೆ ಬರುತ್ತಾ? ಅಂತ ಕೇಳುವ ಮಾತಿದೆ. ಅಂದರೆ ಇದು ಚಹಾವನ್ನು ತಯಾರಿಸುವ ಬಗೆ ಎಷ್ಟು ಸುಲಭದ್ದು ಅಂತ ತೋರಿಸಿ ಕೊಡುತ್ತೆ.

ಚಹಾ ಇದೊಂದು ಜಗತ್ತಿನಲ್ಲಿ, ನೀರಿನ ನಂತರ ಅತಿ ಹೆಚ್ಚು ಉಪಯೋಗಿಸುವ ಎರಡನೇ ದ್ರವ ಪದಾರ್ಥವು ಹೌದು. ಇನ್ನು ಇದರ ಇತಿಹಾಸದ ಬಗ್ಗೆ ತಿಳಿದುಕೊಳ್ಳುವುದಾದರೆ, ಇದು ಹುಟ್ಟಿಕೊಂಡಿದ್ದು ದಕ್ಷಿಣ - ಪಶ್ಚಿಮ ಚೀನಾದಲ್ಲಿ ಮತ್ತು ಇದನ್ನು ಕೆಲವು ರೋಗಗಳಿಗೆ ಔಷಧಿಯನ್ನಾಗಿ ಬಳಸಲಾಗುತ್ತಿತ್ತು. ಚಹಾವನ್ನು ಭಾರತಕ್ಕೆ ಪರಿಚಯಿಸಿದವರು ಬ್ರಿಟಿಷರು. ಇದಕ್ಕೆ ಕಾರಣ ಚಹಾದ ಮೇಲೆ ಚೀನಾ ದೇಶದ ಏಕಸ್ವಾಮ್ಯತೆವನ್ನು ಮುರಿಯುವುದಾಗಿತ್ತು ಮತ್ತು ಅದಕ್ಕೆ ಅವರು ಆಯ್ಕೆ ಮಾಡಿಕೊಂಡಿದ್ದು ಭಾರತದ ಸಂಪನ್ಮೂಲಗಳನ್ನು.

ಚಹಾವನ್ನು ಬೇರೆ ಬೇರೆ ಹೆಸರುಗಳಿಂದ ಕರೆಯುತ್ತಾರೆ ಮತ್ತು ಚಹಾದಲ್ಲಿನ “ಚಾ” ಎಂಬ ಪದವು ಚೀನಾ ದೇಶದ ಮ್ಯಾಂಡರಿನ್ ಎಂಬ ಪ್ರಾಂತ್ಯದಿಂದ ಬಂದಿದೆ. ಚಹಾದ ಇತರ ಮಾದರಿಗಳೆಂದರೆ “ಹಸಿರು” ಚಹಾ, “ಬಿಳಿ” ಚಹಾ, “ಹಳದಿ” ಚಹಾ, “ಕಪ್ಪು” ಚಹಾ ಮತ್ತು ಇತ್ಯಾದಿ. ಭಾರತದಲ್ಲಿ ಚಹಾಕ್ಕೆ ಎಷ್ಟು ಪ್ರಾಮುಖ್ಯತೆ ಇದೆ ಅಂದರೆ, ಇದು ತಯಾರಿಸುವ ಒಟ್ಟು ಚಹಾ ಪುಡಿಯಲ್ಲಿ 70% ಭಾರತದಲ್ಲೇ ಉಪಯೋಗಿಸುತ್ತಾರೆ.

ನೀವು ಸಾಮಾನ್ಯವಾಗಿ ತಯಾರಿಸುವ ಚಹಾಗೆ ಸ್ವಲ್ಪ ಶುಂಠಿ, ಮೆಣಸುಕಾಳು, ದಾಲ್ಚಿನ್ನಿ, ಲವಂಗ, ತುಳಸಿ ಎಲೆ ಮತ್ತು ಏಲಕ್ಕಿ ಸೇರಿಸಿ ಮಸಾಲಾ ಚಹಾ ಮಾಡಬಹುದು. ಇದು ಶೀತ, ಗಂಟಲು ಕೆರೆತ, ತಲೆ ನೋವು ಇಂತಹ ಸಮಸ್ಯೆಗಳಿಗೆ ಪರಿಣಾಮಕಾರಿ ಆಗಬಲ್ಲದು. ಹಸಿರು ಮತ್ತು ಕಪ್ಪು ಚಹಾ ಉಪಯೋಗಿಸುವವರಿಂದ ತೂಕ ಇಳಿಕೆ, ಕ್ಯಾನ್ಸರ್ ಮತ್ತು ಅಲ್ಜೀಮೈರ್ಸ್ ಎಂಬ ಕಾಯಿಲೆಗಳಿಂದ ದೇಹವನ್ನು ರಕ್ಷಿಸಿಕೊಳ್ಳಬಹುದು ಎಂದು ಅಧ್ಯಯನದಿಂದ ಗೊತ್ತಾಗಿದೆ. ಆದರೆ ಚಹಾದ ಅತಿಯಾದ ಸೇವನೆಯಿಂದ ವಾಕರಿಕೆ, ಆಮ್ಲತೆ, ನಿद्रಾಹೀನತೆ, ಖಿನ್ನತೆ ಇನ್ನು ಹಲವು ತೊಂದರೆಗಳನ್ನು ಅನುಭವಿಸಬೇಕಾಗುತ್ತೆ ಎಂದು ಕೆಲವು ಅಧ್ಯಯನಗಳು ತಿಳಿಸಿವೆ.

Lamborghini

The Power of a Dream

Chinthan
1st MBA

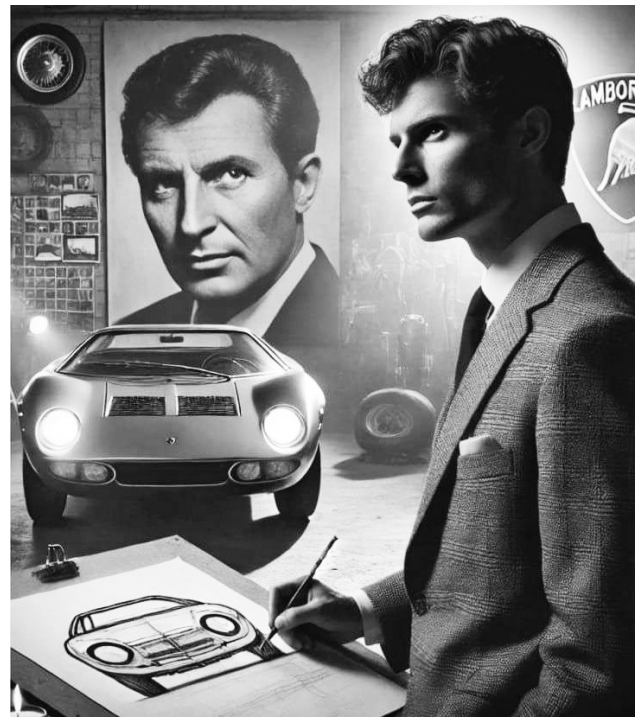

Ferruccio Lamborghini, born in 1916, started his journey as a mechanic during WWII before building a successful tractor business.

His success allowed him to indulge in luxury cars, including Ferraris. However, he found Ferrari's design too rough for the road and suggested improvements to Enzo Ferrari-only to be dismissed with the remark that he knew more about tractors than sports cars.

Instead of backing down, Lamborghini took this as motivation. In 1964, he introduced the Lamborghini 350 GT, surpassing Ferrari's performance.

His vision was clear: to create the perfect road-ready sports car. By blending innovation with relentless ambition, Lamborghini revolutionized the automotive world, proving that challenges can spark greatness.

Today, Lamborghini stands as a symbol of power, elegance, and perseverance-born from a dream and fueled by determination.

"I don't sell cars, I sell dreams."

ಮುಚ್ಚಿದ ಕಪಾಟಿನಲ್ಲಿ ಆತ್ಮಹತ್ಯೆ ಮಾಡಿಕೊಂಡ ಪುಸ್ತಕ ತನ್ನ ಡೆತ್ ನೋಟ್ ನಲ್ಲಿ ಬರೆದಿತ್ತು, ನನ್ನ ಸಾವಿಗೆ ಮೊಬೈಲ್ ಕಾರಣವೆಂದು

ಧೀರಜ್ ಕೆ

2ನೇ ವರ್ಷದ ಎಂಬಿಎ

ಮುಚ್ಚಿದ ಕಪಾಟಿನಲ್ಲಿ ಆತ್ಮಹತ್ಯೆ ಮಾಡಿಕೊಂಡ ಪುಸ್ತಕ: ಮೊಬೈಲ್ ಪರಿಣಾಮ:

ಇತ್ತೀಚಿನ ತಲೆಮಾರು ತಾಂತ್ರಿಕ ಪ್ರಗತಿಯ ಜತೆಗೆ ದೊಡ್ಡ ಮಟ್ಟದಲ್ಲಿ ಬದಲಾಗಿದೆ. ಮೊಬೈಲ್ ಫೋನ್ಗಳು ನಮ್ಮ ಜೀವನದ ಅವಿಭಾಜ್ಯ ಅಂಗವಾಗಿ ಬಿಟ್ಟಿವೆ. ಆದರೆ ಈ ಅನುಕೂಲತೆಗಳ ಮಧ್ಯೆ, ಗ್ರಂಥಾಲಯದ ಒಂದೊಂದು ಮೆಟ್ಟಲಿನ ಮೇಲೂ ಇಟ್ಟುಕೊಂಡಿದ್ದ ಪುಸ್ತಕಗಳು ನಶಿಸಿಹೋಗುತ್ತಿವೆ.

ಈ ಸಂಗತಿ ಕುರಿತಾಗಿ, ಒಂದು ಕವನಾತ್ಮಕ ಕಲ್ಪನೆಯೊಂದಿಗೆ, ಮುಚ್ಚಿದ ಕಪಾಟಿನಲ್ಲಿ ಆತ್ಮಹತ್ಯೆ ಮಾಡಿಕೊಂಡ ಪುಸ್ತಕ ತನ್ನ ಡೆತ್ ನೋಟ್ ನಲ್ಲಿ ಬರೆಯುತ್ತದೆ - “ನನ್ನ ಸಾವಿಗೆ ಮೊಬೈಲ್ ಕಾರಣ ಎಂದು!”

ಒಂದು ಪುಸ್ತಕದ ಯಾತನೆ

ಒಮ್ಮೆ, ಒಂದು ಪುಟ್ಟ ಹಳ್ಳಿಯಲ್ಲಿ ದೊಡ್ಡ ಗ್ರಂಥಾಲಯವೊಂದು ಇತ್ತು. ಅಲ್ಲಿನ ಹಳೆಯ ಹಳೆಯ ಪುಸ್ತಕಗಳು ಸಹಜವಾಗಿ ಓದುಗರನ್ನು ಆಕರ್ಷಿಸುತ್ತಿದ್ದವು. ಶಾಲಾ ಮಕ್ಕಳಿಂದ ವೃದ್ಧರ ತನಕ? ಎಲ್ಲರೂ ಈ ಗ್ರಂಥಾಲಯವನ್ನು ಪ್ರೀತಿಸುತ್ತಿದ್ದರು. ಆದರೆ ವರ್ಷಗಳು ಕಳೆಯುತ್ತಿದ್ದಂತೆ, ಪುಸ್ತಕಗಳನ್ನು ಕೈಯಲ್ಲಿ ಹಿಡಿದು ಓದುವ ಜನರ ಸಂಖ್ಯೆ ಕಡಿಮೆಯಾಗತೊಡಗಿತು. ಮೊಬೈಲ್ಗಳು, ಟ್ಯಾಬ್ಲೆಟ್ಗಳು, ಇಂಟರ್ನೆಟ್ ಎಲ್ಲವನ್ನೂ ಒಂದೇ ಚುಕ್ಕೆಯಲ್ಲಿ ಒದಗಿಸುತ್ತಿದ್ದವು. ಗ್ರಂಥಾಲಯದ ಒಂದು ಕಪಾಟಿನ ಒಳಗಡೆ, “ಮಹಾನ್ ಚಿಂತನೆಗಳು” ಎಂಬ ಪುರಾತನ ಪುಸ್ತಕ ಅಳುತ್ತಿತ್ತು.

ಹಲವಾರು ವರ್ಷಗಳ ಹಿಂದೆ ಓದುಗರ ಹತ್ತಿರ ಬಹಳ ಪ್ರಿಯವಾಗಿದ್ದ ಈ ಪುಸ್ತಕ, ಈಗ ಮೂಲೆಗೆಸೆಯಲ್ಪಟ್ಟಿತ್ತು. “ಒಮ್ಮೆ ನನ್ನನ್ನು ಓದುವ ಸಾವಿರಾರು ಜನರ ಕೈಯಲ್ಲಿ ನಾನು ಸಾರ್ಥಕತೆ ಪಡೆದು ಬೆಳಕನ್ನು ನೋಡುತ್ತಿದ್ದೆ.

ಆದರೆ ಈಗ? ನನ್ನ ಮೇಲಿದ್ದ ಅಭಿಮಾನ ಎಲ್ಲವೂ ಸ್ಫಾಟೋನ್ಗಳ ಸ್ಫೀನ್ಗಳ ಹಿಂದೆ ಮಾಯವಾಗಿದೆ!” ಒಂದು ರಾತ್ರಿ, ಅಲ್ಲಿಯ ಎಲ್ಲ ಪುಸ್ತಕಗಳು ಒಟ್ಟುಗೂಡಿ ತಮ್ಮ ಅಳಲನ್ನು ಹಂಚಿಕೊಂಡವು.

“ನಾವು ಕೊನೆಯವರೆಗೂ ಈ ಕಪಾಟಿನಲ್ಲಿ ಹೀಗೇ ಮರೆತುಹೋಗಬೇಕಾ?”, “ಜನ ಮೊದಲು ನಮ್ಮನ್ನು ಕೈಯಲ್ಲಿ ಹಿಡಿದು ಓದುತ್ತಿದ್ದರು. ಆದರೆ ಈಗ? ಪಠನ ಸಂಸ್ಕೃತಿಯ ಬದಲಿಗೆ

ತ್ವರಿತ ವಾಟ್ಸಾಪ್?ಯಾಪ್ ಸಂದೇಶಗಳು, ಯೂಟ್ಯೂಬ್ ಶಾರ್ಟ್‌ಗಳು, ಇನ್ಸ್ಟಾಗ್ರಾಮ್ ರೀಲ್‌ಗಳು ಮಾತ್ರ!”

ಇದರ ಮಧ್ಯೆ “ಮಹಾನ್ ಚಿಂತನೆಗಳು” ಪುಸ್ತಕ ಮಾತ್ರ ಇನ್ನೂ ನೋವಿನಿಂದಿತ್ತು. “ನಾನು ಇನ್ನು ಬದುಕಲು ಸಾಧ್ಯವಿಲ್ಲ. ಜನ ನನ್ನ ಅಗತ್ಯವನ್ನೇ ಮರೆತಿದ್ದಾರೆ!” ಆ ರಾತ್ರಿ, ಅದು ತನ್ನ ಶೇಷ ಪುಟದಲ್ಲಿ ಬರೆಯಿತು “ನನ್ನ ಸಾವಿಗೆ ಕಾರಣ - ಮೊಬೈಲ್”.

ಮರುದಿನ ಬೆಳಿಗ್ಗೆ, ಗ್ರಂಥಾಲಯದ ಸಿಬ್ಬಂದಿಗಳು ಕಪಾಟನ್ನು ತೆರೆದಾಗ ಒಂದು ಅಚ್ಚರಿಯ ಘಟನೆ ಕಂಡರು ? “ಮಹಾನ್ ಚಿಂತನೆಗಳು” ಪುಸ್ತಕದ ಪುಟಗಳು ಹರಿದುಹೋಗಿದ್ದವು. ಅದರ ಕೊನೆಯ ಪುಟದಲ್ಲಿ ಕೇವಲ ಆ ಒಂದು ಸಾಲು ಮಾತ್ರ ಬರೆದಿತ್ತು! ಈ ಸುದ್ದಿ ಹಳ್ಳಿಯಲ್ಲಿ ವ್ಯಾಪಕವಾಗಿ ಹರಡಿತು.

“ಪುಸ್ತಕವೂ ಆತ್ಮಹತ್ಯೆ ಮಾಡಿಕೊಳ್ಳುತ್ತದೆಯಾ?” ಎಂಬ ಪ್ರಶ್ನೆಗಳು ಜನರ ನಡುವೆ ಚರ್ಚೆಗೆ ಕಾರಣವಾಯಿತು. ಒಬ್ಬ ಹಿರಿಯ ಓದುಗ, ಈ ದುರಂತವನ್ನು ಕಂಡು, ಗ್ರಂಥಾಲಯದ ಮುಂದೆ ಒಂದು ಫಲಕವೊಂದನ್ನು ಕಟ್ಟಿದರು, “ಪುಸ್ತಕಗಳ ಹತ್ತಿರ ಮರಳೋಣ, ಓದುವ ಸಂಸ್ಕೃತಿಯನ್ನು ಪುನರುಜ್ಜೀವನಗೊಳಿಸೋಣ!” ಇದು ಊರಿನ ಮಕ್ಕಳನ್ನು, ಯುವಕರನ್ನು, ಹಿರಿಯರನ್ನು ಜಾಗೃತಗೊಳಿಸಿತು. ಜನ ಮತ್ತೆ ಗ್ರಂಥಾಲಯಕ್ಕೆ ವಾಪಸು ಬರುವಂತಾಯಿತು. ಮೊಬೈಲ್ಗಳ ಜಗತ್ತಿನಲ್ಲಿ ನಾವು ಪುಸ್ತಕಗಳನ್ನು ಮರೆತಿದ್ದರೂ, ಅವು ನಮ್ಮನ್ನು ಮರೆಯಲಿಲ್ಲ.

ಮೊಬೈಲ್: ಜ್ಞಾನವೋ? ವಿಘ್ನವೋ?

ನಿಜಕ್ಕೂ, ಮೊಬೈಲ್ ನಮ್ಮ ಬದುಕನ್ನು ಸುಲಭಗೊಳಿಸಿದೆ. ಇಂದು, ನಾವು ಕೇವಲ ಒಂದು ಟಚ್‌ನಲ್ಲಿ ಅಪಾರ ಮಾಹಿತಿಯನ್ನು ಪಡೆಯಬಹುದು. ಆದರೆ ಈ ತ್ವರಿತ ಮಾಹಿತಿ ನಮ್ಮ ಆಳವಾದ ಓದು ಮತ್ತು ವಿಶ್ಲೇಷಣಾತ್ಮಕ ಚಿಂತನೆಗೆ ಅಡ್ಡಿಯಾಗುತ್ತಿದೆ.

ಮುನ್ನೆಚ್ಚರಿಕೆಯ ಗುಣ ಕಡಿಮೆಯಾಗುತ್ತಿದೆ, ಏಕೆಂದರೆ ಜನ ಲಘು ಮಾಹಿತಿಯನ್ನು ಮಾತ್ರ ಗ್ರಹಿಸುತ್ತಾರೆ. ಗೂಗಲ್‌ನಲ್ಲಿ ಉತ್ತರ ಹುಡುಕುವ ಹಟಹಟೆ ಹೆಚ್ಚಾಗಿದೆ, ಆದರೆ ಪಠನ ಸಂಸ್ಕೃತಿ ಕುಸಿಯುತ್ತಿರುವುದು ಬಹಳ ದೊಡ್ಡ ಅಪಾಯ. ಪೂರ್ಣ ಪಾಠಗಳು, ಆಳವಾದ ವಿಚಾರಧಾರೆಗಳು, ಮತ್ತು ಅಧ್ಯಯನದ ಕಲೆ ಎಲ್ಲವೂ ಮೊಬೈಲ್ಗಳ ತ್ವರಿತ ಮನರಂಜನೆಯ ಮುಂದೆ ಬೆಚ್ಚಿಬಿದ್ದಿವೆ.

ಯುವ ಪೀಳಿಗೆಯ ಹೊಣೆಗಾರಿಕೆ

ಪುಸ್ತಕಗಳ ಮೌಲ್ಯವನ್ನು ಅರಿಯುವುದು ನಮ್ಮ ಹೊಣೆ. ಪಠನ ಸಂಸ್ಕೃತಿಯನ್ನು ಪುನರುಜ್ಜೀವನಗೊಳಿಸುವ ಕಾರ್ಯ ನಮ್ಮ ಕೈಯಲ್ಲಿದೆ. ದಿನಕ್ಕೆ ಕನಿಷ್ಠ ಅರ್ಧ ಗಂಟೆ ಪುಸ್ತಕ ಓದಲು ಸಮಯ ಹಂಚಿಕೊಳ್ಳಬೇಕು.

ಮಕ್ಕಳಿಗೆ ಪುಸ್ತಕ ಓದುವ ಹವ್ಯಾಸವನ್ನು ಬೆಳೆಸಬೇಕು. ಡಿಜಿಟಲ್ ಓದುವಿಕೆಯನ್ನು ಮಾತ್ರವಲ್ಲ, ಮುದ್ರಿತ ಪುಸ್ತಕಗಳೂ ನಮ್ಮ ಬದುಕಿನಲ್ಲಿ ಇರಬೇಕು. ಎಷ್ಟೇ ತಂತ್ರಜ್ಞಾನ ಬಂದರೂ, “ಒಂದು ಉತ್ತಮ ಪುಸ್ತಕ ಕೊಡಬಲ್ಲ ಆನಂದವನ್ನೂ, ಜ್ಞಾನವನ್ನೂ ಯಾವ ಡಿಜಿಟಲ್ ಸಾಧನವೂ ನೀಡಲಾರದು.”

ಮುಚ್ಚಿದ ಕಪಾಟಿನಲ್ಲಿ ಆತ್ಮಹತ್ಯೆ ಮಾಡಿಕೊಂಡ ಪುಸ್ತಕ ನಮಗೆ ಎಚ್ಚರಿಕೆ ನೀಡುತ್ತಿದೆ. ನಾವು ಓದಿಗೆ ಮರಳಬೇಕು. ಮೊಬೈಲ್‌ಗಳನ್ನು ಸಂಪೂರ್ಣವಾಗಿ ತ್ಯಜಿಸುವ ಅಗತ್ಯವಿಲ್ಲ. ಆದರೆ ಅವು ನಮ್ಮ ಓದುಗತೆಯ ಶತ್ರುವಾಗದಂತೆ ನೋಡಿಕೊಳ್ಳಬೇಕು.

“ಒಂದು ಸುಂದರವಾದ ಪುಸ್ತಕದ ಪುಟಗಳ ಮಧ್ಯೆ ನಾವು ಕಂಡುಕೊಳ್ಳುವ ಜ್ಞಾನ ಮತ್ತು ತೃಪ್ತಿ, ಮೊಬೈಲ್‌ಗಳಲ್ಲಿ ಸಿಗಲಾರದು” ಎಂಬ ಸಂಗತಿಯನ್ನು ನಾವು ಮರೆಯಬಾರದು.

ಓದಿ, ಬಳೆಯಿರಿ, ಜ್ಞಾನವನ್ನೇ ಮಿತ್ರನಾಗಿಸಿಕೊಳ್ಳಿ!

ಅದು ಸುಮಾರು ರಾತ್ರಿ ಎಂಟು ಗಂಟೆ. ವೈಭವ್ ಅಜ್ಜಿ ಮನೆಗೆ ಹೋಗಲು ದೂರದ ಪೇಟೆಯಿಂದ ಬಸ್ಸಿನಲ್ಲಿ ಬಂದಿಳಿದನು. ಕಪ್ಪು ಬಣ್ಣವನ್ನೂ ಮೀರಿಸುವಂತ ಕತ್ತಲೆ. ಹೋತ್ತಿ ಉರಿಯೋ ಬೇಡವೋ ಎಂಬ ಪರಿಸ್ಥಿತಿ ಇರೋ ದಾರಿದೀಪಗಳು. ಅದೊಂದು ಹಳ್ಳಿ ಸೀಮಿತ ವಾಹನಗಳು ಮಾತ್ರ ಇದ್ದವು. ಎಲ್ಲಿ ನೋಡಿದರೂ ಕಾಡು, ಆಕಾಶದಲ್ಲಿ ಅಲ್ಲಲ್ಲಿ ನಕ್ಷತ್ರಗಳಿರುವಂತೆ, ದಟ್ಟಕಾಡಿನ ಮಧ್ಯೆ ಎಲ್ಲೆಲ್ಲೋ ಒಂದೊಂದು ಮನೆಗಳಿದ್ದವು. ಹೋಗಲು ಕಾಡುದಾರಿ, ವೈಭವನಿಗೆ ನಿಖರವಾದ ದಾರಿ ಗೊತ್ತಿರಲಿಲ್ಲ. ಪಕ್ಕದಲ್ಲೆ ಕಾಣುತ್ತಿದ್ದ ಕಾಡುದಾರಿಲಿ ತನ್ನ ಪರ್ಯಣ ಶುರುಮಾಡಿದನು. ಮೊಬೈಲ್ ಟಾರ್ಚ್‌ನ ಹಿಡಿಯುತ್ತ ಒಂದೊಂದಾಗಿ ಹೆಜ್ಜೆನ ಮುಂದಿಡುತ್ತಾ ಹೋದನು, ತಂಪಾದ ಗಾಳಿ ಬೀಸುತ್ತಿತ್ತು. ಎಲ್ಲೋ ದೂರದಿಂದ ಕೇಳುವ ರೈಲಿನ ಶಬ್ದ, ಊಳಿಡುವ ನರಿಗಳು,

ಹೀಗೆ ವಿಚಿತ್ರ ವಿಚಿತ್ರ ಶಬ್ದಗಳು ಕೇಳುತ್ತಿದ್ದವು. ತನ್ನ ಜೀವವನು ಅಂಗೈಯಲ್ಲಿ ಹಿಡಿದುಕೊಂಡು ಮುಂದೆ ನಡೆಯುತ್ತ ನಡೆಯುತ್ತ ಕಾಡಿನ ಮಧ್ಯ ಭಾಗಕ್ಕೆ ತಲುಪಿದನು. ಗಾಳಿಗೆ ದೀಪ ಆರಿಹೋದಂತೆ, ಮೊಬೈಲ್ ಟಾರ್ಚ್ ಆರಿಹೋಯಿತು.

ನಿರ್ಜನ ಪ್ರದೇಶ, ಕಿವಿ ಹೊಡೆದು ಹೋಗುವಂತ ಶಬ್ದಗಳು, ಯಾರಿಗಾದರೂ ಕರೆ ಮಾಡುವ ಎಂದರೆ ಮೊಬೈಲ್ ಸ್ವಿಚ್ ಅಫ್ ಆಗಿತ್ತು. ಬದುಕಿಕೊಂಡೆ ಬಡಜೀವವೇ ಎನ್ನುವಂತೆ ದೂರದಲ್ಲಿ ಕಾಣುತ್ತಿದ್ದ ಬಂಗಲೆಗೆ ಓಡೋಡಿ ತಲುಪಿದ. ಬಾಗಿಲು ತನ್ನಷ್ಟಕ್ಕೆ ತೆರೆಯಿತು, ಒಳಗಡೆ ಯಾರು ಇರಲಿಲ್ಲ. ಬಾಗಿಲು ತನ್ನಷ್ಟಕ್ಕೆ ಟಪಾರಣೆ ಮುಚ್ಚಿತು. ಒಳಗಡೆ ಮನುಷ್ಯರು ಚೇರಿದ ಶಬ್ದಗಳು ಕೇಳತೊಡಗಿದವು. ಆದರು ದೈರ್ಯಮಾಡಿಕೊಂಡು ಒಳನಡೆದನು, ಒಳಗಡೆ ಬಾವಲಿಗಳ ರಾಶಿ, ಜೇಡರ ಬಲೆ ಅಂತೂ ರಂಗೋಲಿ ಬಿಡಿಸಿದಂತಿತ್ತು. ವೈಭವ್ ಮುಂದೆ ನಡೆಯುತ್ತಿದ್ದಂತೆ ಹಿಂದಿನಿಂದ ಅವನ ಹೆಗಲ ಮೇಲೆ ಯಾರೋ ಕೈ ಇಟ್ಟಂತೆ ಬಾಸವಾಯಿತು, ರಪ್ಪನೆ ತಿರುಗಿ ನೋಡಿದರೆ ಅಲ್ಲಿ ಮನುಷ್ಯರ ಕರುಳನು ಸರದಂತೆ ಹಾಕಿಕೊಂಡು ಕೈಯಲ್ಲಿ ತಲೆ ಬುರುಡೆಗಳನ್ನು ಹಿಡಿದುಕೊಂಡಿರುವಂತೆ ವಿಕಾರವಾದರೂಪಕಂಡಿತ್ತು. ತಾನು ಹೀರೂವಂತಹ ಬಂಗಲೆ ಭೂತಬಂಗಲೆ ಎಂದು ತಿಳಿದಾಗ ಸಮಯ ಮೀರಿಹೋಗಿತ್ತು. ಇಡೀ ಭೂಮಂಡಲವೇ ನಡುಗಿ ಹೋಗುವಂತ ನಗು, ಎಲ್ಲೆಲ್ಲೂ ಚೀರಾಡುವ ಕಿರುಚಾಡುವ ಶಬ್ದಗಳು, ಮನುಷ್ಯರ ನರ ಮೂಳೆಗಳ ರಾಶಿಗಳನ್ನು ಕಂಡು ಇನ್ನು ಭಯಪಟ್ಟನು. ಇನ್ನೇನು ವೈಭವನ್ನನ್ನು ಭೂತ ಹಿಡಿದು ತಿನ್ನಲು ಯತ್ನಿಸುವಾಗ ವೈಭವ್ ‘ಅಮ್ಮಾ’ ಎಂದು ಕಿರುಚಾಡಿದ. ಅಗ ಅವನ ಅಮ್ಮಾ ಏನಾಯ್ತು ಎಂದು ಕೇಳಿದರು. ವೈಭವ್ ನಡೆದದ್ದೆಲ್ಲಾ ಕನಸು ಎಂದು ಸಮಾಧನ ಮಾಡಿಕೊಂಡು ಮಲಗಿದನು.

Gold ETFs

A Smart Investment and Portfolio Hedge

Viyon Pais
II Year MBA

Gold is widely regarded as a reliable investment, especially during uncertain economic times. Recently, gold prices in India have increased significantly. In September 2022, gold was priced at around ₹ 50,000 for every 10 grams, and by March 2023, it rose to ₹60,000 for the same amount. This amounts to a 20% increase in just six months, or a 40% annual return. Meanwhile, the Indian stock market, represented by the Nifty 50 index, experienced a negative return of -1.07% in the same period. Historically, when the stock market struggles, gold prices tend to rise, as seen during the financial crises of 2011 and the COVID-19 pandemic. Conversely, when the stock market is strong, gold prices generally remain steady. This inverse relationship emphasizes the importance of gold as a safeguard against market fluctuations.

For investors, gold ETFs are an attractive way to invest in gold. They offer many benefits over buying physical gold or gold mutual funds. To invest in gold ETFs, you only need a Demat account and internet access. Gold ETFs are traded like stocks online, which means there is no need to worry about storing or verifying the purity of physical gold. Moreover, gold ETFs avoid entry and exit fees, making them cheaper than gold mutual funds, which may have extra charges. Banks often accept gold ETFs as collateral for loans, providing additional financial flexibility.

Gold ETFs are also tax-efficient. They bypass taxes such as wealth tax, GST, STT, and VAT, although capital gains tax still applies. There's no need to deal with making charges associated with jewelry or physical gold, or worry about resale purity.

All gold ETFs invest in 99.5% pure gold, so choosing the right one depends on liquidity and expense ratio. Liquidity is crucial because higher trading volumes ensure you can transact your ETF at fair prices. Nippon India Gold ETF is the most traded in India, followed by SBI Gold ETF and ICICI Prudential Gold ETF. Avoid ETFs with low trading activity, as they can result in unfavorable prices due to low liquidity.

The expense ratio, which represents the annual fee for managing the ETF, is also important. A lower expense ratio means better net returns. Though gold ETFs generally produce similar returns, small differences can occur due to tracking errors. Investors can select from the top five gold ETFs for good returns based on liquidity and expense ratio.

Regarding taxes, gold ETFs were previously categorized under debt mutual funds. Before April 1, 2023, short-term gains (less than three years) were taxed at your regular income tax rate, while long-term gains (over three

years) were taxed at 20% with indexation benefits. After this date, all capital gains on gold ETFs are taxed at the regular income rate, regardless of how long they are held. Thus, if you are in the 30% tax bracket, you will pay 30% on gains from gold ETFs.

For those investing long-term, Sovereign Gold Bonds (SGBs) offer better tax advantages. SGBs held for eight years have tax-free capital gains. However, for short to mid-term (1-5 years) investments, gold ETFs offer more flexibility as they can be bought or sold in the stock market anytime.

Gold ETFs are ideal for those seeking to protect their investments from stock market volatility. They simplify gold investment without the need for storing physical gold or ensuring its purity. Select ETFs with high liquidity and low expense ratios to maximize returns. Despite recent tax changes impacting gold ETFs, they remain a sensible option for short and medium-term investments. For a long-term strategy, Sovereign Gold Bonds might provide better tax benefits. In any case, gold remains a crucial piece of a well-rounded investment strategy.

My Mother The Heart of My World

Saikiran Vijayanand Naik

In a world where life often feels like a whirlwind of challenges, there is one constant that remains my anchor my mother. She is not just the woman who gave me life; she is the heart of my world, the light that guides me, and the strength that fuels my every step.

My mother is a mosaic of love, sacrifice, and resilience. She has the unique ability to make even the toughest days feel lighter with her warm smile and comforting words. Her embrace is my sanctuary a place where I feel safe, loved, and understood.

What amazes me most is her selflessness. She works tirelessly, often putting her own needs aside, to ensure my happiness and well-being. Whether it's waking up early to prepare my favourite breakfast or staying up late to help me with my studies, she does it all without a hint of complaint.

Her wisdom is a treasure I hold close to my heart. Whenever I face dilemmas, her advice always steers me in the right direction. She doesn't just tell me

what to do but encourages me to think, to grow, and to be the best version of myself.

My mother is my first teacher and my lifelong role model. She has taught me the value of kindness, patience, and hard work. Watching her handle life's challenges with grace and courage has inspired me to face my own battles with confidence.

To me, my mother is not just a person; she is an emotion—a beautiful blend of love, care, and strength. She is the reason I believe in the power of unconditional love and the magic of a nurturing heart.

If I could give her the world, I would, but I know all she truly desires is my happiness and success. So, I strive every day to make her proud to repay even a fraction of the love and sacrifices she has given me.

This article is a small tribute to the woman who means everything to me. To my mother, my guiding star thank you for being you.

The Role of Industrial Visits and Technological Advancements in Marine Engineering

Rajath Padigar
Yashas K G

The global marine industry has increasingly recognized the strategic and economic advantages of refurbishing existing machinery rather than opting for complete replacements. This approach not only extends the operational lifespan of valuable maritime equipment but also represents a significant cost-saving measure for vessel operators facing intense competitive pressures and stringent environmental regulations. From ship engines and propulsion systems to deck machinery and auxiliary equipment, professional refurbishment services have become essential to maintaining fleet efficiency while reducing capital expenditures and minimizing operational downtime. Beyond the immediate financial benefits, the growing emphasis on marine equipment refurbishment aligns perfectly with broader sustainability initiatives within the shipping and offshore sectors. By restoring and upgrading existing assets rather than manufacturing new ones, the industry substantially reduces raw material consumption, energy usage, and waste generation. Specialized refurbishment facilities equipped with advanced diagnostic tools, precision machining capabilities, and experienced technicians have emerged worldwide to meet this demand, offering comprehensive solutions that enhance performance, reliability, and compliance with evolving international maritime standards while supporting the industry's transition toward more environmentally responsible practices.

In conclusion, the marine refurbishment industry represents a critical intersection of economic pragmatism and environmental responsibility. As vessels and offshore installations continue to face operational challenges in an evolving regulatory landscape, the ability to effectively restore and

upgrade existing machinery will remain a key competitive advantage. The future of maritime operations will likely see even greater emphasis on specialized refurbishment services, supported by technological innovations that extend equipment lifespans while reducing the overall environmental footprint of the industry.

LOST HOBBIES

REVIVING PASSIONS IN THE AGE OF ACADEMICS

Sanjana S Kotian

Hobbies have been an integral part for every individual where we are wanting to do something that makes us euphoric. They tend to include a vast area under the curve of art, literature, dance and many more. Hobbies are a holistic way to experience happiness and make meaningful use of time. They bring great amount of joy keeping one busy and more inquisitive. Slowly entering college life students lose connection with hobbies as they board the train of academic pressure, career building and exams. Students find no time to invest in hobbies due to multiple reasons and of course it's the matter of concern. Rediscovering hobbies are really important as it boosts creativity, mental wellbeing and overall happiness.

In the fast-paced world of college life, students often find themselves overwhelmed with academic deadlines, social commitments, and career aspirations, leaving little room for the hobbies they once loved. Hobbies being an integral part of student

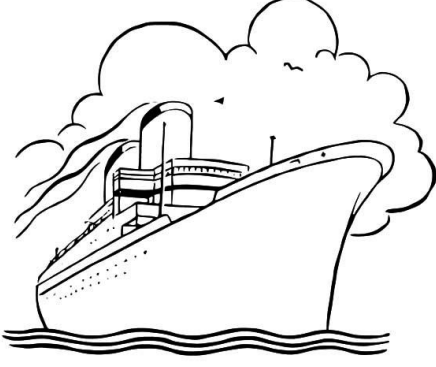

life are left behind due to chaos. It is very essential to boost our hobbies in spite of being stuck in a busy schedule. Reviving hobbies have many gains, it boosts creativity, reduces stress, enhances focus, improves time management, fosters self-expression, increases productivity, strengthens problem-solving skills, builds confidence, provides a sense of accomplishment, encourages social connections, promotes mindfulness, enhances emotional well-being, breaks monotony, improves physical health, adds joy to daily life and many more. Students find it challenging to bounce back to their hobbies, here are few tips that will reignite the spark of hobbies

- Start Small – Dedicate just 10-15 minutes a day to your hobby instead of waiting for long free hours.
- Blend It Into Your Routine – Link your hobby to existing habits, like sketching while listening to music or reading before bed.
- Join a Community – Find clubs, online groups, or friends who share the same interest to stay motivated.
- Turn It Into a Stress Buster – Instead of seeing hobbies as an extra task, use them as a break from studies to relax and recharge.
- Experiment and Have Fun – If your old hobby doesn't excite you anymore, try a new variation or explore a different creative interest.

Finding a balance between academics and personal passions is essential for overall well-being. While studies and career goals are important, hobbies provide a much-needed escape, fostering creativity and reducing stress. A balanced approach between academics and hobbies contributes towards self-growth. Dedicating small time to hobbies can make a huge impact on our lifestyle. After all, hobbies are just not for time pass they are the strong pillars of self-nourishment.

The Prison

The guard The student

Elvin Prashanth D Cunha
2nd MBA

Ben Barboza, a 23-year-old postgraduate student, was a talented athlete, a gifted scholar, a charismatic host, an aspiring leader, and a beloved son, brother, boyfriend, and a teammate. He had a bright future ahead, yet just a few weeks after starting his Master's in Business Administration, he took his own life. And every single person was left with one haunting question - why?

Ben Barboza joined a prestigious college after finishing his bachelor's degree in commerce. 'A guy who was very simple and always respecting his teachers and accompanying everyone without having any discrimination in class' was the words of his HOD to Mr. Chanchlani. Mr. Chanchlani was the investigating officer and Sub Inspector in the nearby police station. With a curly hair with a long twisted mustache, he was very desperate know the reason behind ben's death.

After inquiring with every faculty member and speaking with Ben's parents, sibling, and girlfriend, Mr. Chanchlani discovered that Ajay, Ben's close friend, had committed suicide a few days ago, which had deeply affected Ben. Chanchlani then visited Ajay's house and began inspecting his belongings. He consoled Ajay's mother, assuring her that he would find out the reason behind his death. At that moment, Balram, the head constable, came running while holding a book in his hand. "This is Ajay's personal journal," Balram said. Inspector Chanchlani took the journal and, before leaving, reassured Ajay's parents that he would uncover the truth behind their son's death.

The last few pages of Ajay's journal contained detailed notes about Ben. The journal began with: "Today, I met a wonderful guy who is truly inspiring

and has a great sense of humor." A few pages later, it continued: "That amazing person's name is Ben, and over the past few weeks, we have grown very close. Our vibes match perfectly." The journal also mentioned that Ben was staying in a PG near the college and that he was the editor of a magazine, an event organizer, and actively involved in social service in his hometown. Because of this, he often traveled back home.

Skipping a few pages, the journal continues:

"Ben is becoming busier day by day, managing multiple events and working tirelessly as an editor to improve the magazine and attract more readers. But I'm happy because, through his hard work, Ben is earning well and taking care of his siblings and girlfriend. His girlfriend studies at the same college as us, but she is pursuing an undergraduate degree. Ben met her after joining college. However, she often complained that he never gave her enough time. She would frequently say, 'Ben, I don't want money; all I want is your time.' She is a kind girl and a perfect match for Ben. Oh, I forgot to mention that Ben comes from a poor background. His father was the sole earner in the family, working as a second-division clerk at a private bank with a minimal salary. He had two siblings and a mother who was a housewife. That's why Ben wanted to earn more—to support his family by paying rent and contributing to college fees. He had big dreams and was very determined to achieve something in life, which made him constantly chase money. That hunger often resulted in sleepless nights."

Ajay's journal says:

"Today, I had a fight with Ben because he has been sleeping for only two hours over the past few days and

not taking care of his health. Yesterday, he reached the PG at five in the morning after finishing an event at 2 AM in his hometown. I always warned him not to drive at night, but he never listened—neither to me nor to his girlfriend. She always tried to convince him not to travel at night. Yesterday, he barely slept for three hours, going to bed at 5 AM and waking up at 8 AM to come to college by 9. So, I scolded him, but he kept giving reasons—saying he has a family to support and a girlfriend he wants to keep happy. I told him, 'If your health deteriorates and something happens to you, who will be responsible?' After talking for more than half an hour, he finally agreed not to take on more than he could handle. Because of this, he started skipping a few classes."

Mr. Chanchlani continues reading:

"Today, Ben called me and thanked me a lot for helping him. His dad suffered a heart attack, and after undergoing angiography, it was found that he had a blockage in his heart and needed a stent. The surgery, along with the room charges, amounted to around ₹3 lakh. He was admitted to a semi-general ward, but to use the Ayushman card, he needed to be shifted to a general ward. When

Ben requested the hospital authorities to transfer his father, they refused, saying it was not possible. Sometimes, I wonder why everything has become about business and money - where is humanity and the willingness to help others? Anyway, regarding this issue, he called and spoke to my dad. With my dad's influence, the hospital granted him a ₹50,000 discount, reducing the surgery cost to ₹2,50,000. Fortunately, Ben's dad is now stable and will be discharged by tomorrow."

Ben has been feeling extremely tense these days. He often skips classes, caught between his dad's health, his education, and financial struggles. He can't attend college regularly, nor can he go for events. He told me that his mom has started working at a supermarket. I just hope everything gets better soon.

Today, two things happened that made me wonder—why does God always trouble good people? Maybe because He knows they are the only ones strong enough to endure hardships. Lately, Ben never talks to me about his problems, probably because he knows I worry too much. But that's what friendship

is all about - having each other's backs. Anyway, he has this habit of writing letters and hiding them in his books, and through that, I get to know what's really going on with him. This afternoon, while he went for lunch, I was writing my notes and happened to go through his. That's when I found a letter that shocked me. It had just a few words: "I broke up with her." When I confronted Ben's girlfriend, she told me, "He never gives me enough time. In the early days, at least once in a while, he used to take me on dates. Now, that doesn't happen anymore - he's never there when I need him the most. I can't continue like this. So, I gave him two choices: either he makes time for me, and if he fails one more time, I'll break up with him, or he can just leave me now."

I wondered—didn't he explain to her about his dad, his struggles, and the fact that he was working hard to keep her happy? When I confronted him, he simply said, "Situations change everything, bro."

Another thing that happened today—Ben was sleeping in class. To be honest, many of us were, because the lecture was boring. But unfortunately, ma'am noticed him and started taunting him specifically. She said, "You're always absent, you're not concentrating on your studies. If you continue like this, it won't help you or your family."

Ben was already exhausted, and hearing those words made him even angrier. He responded, "You don't know what's going on in my life, what situation I'm dealing with." To that, ma'am replied, "Why can't students ever understand their teachers?" But honestly, why can't teachers try to understand their students? In this college, most lecturers only think about themselves. They are so impatient when it comes to understanding Ben or any other student. All they want is for students to focus on studies—no extracurricular activities, no space for students' opinions.

Ben said a few things in frustration, and that triggered ma'am. She started insulting him even more. What I don't understand is—why Ben? Why that particular day? He wasn't even sleeping in her class before. There were so many other students who were dozing off, but she had to pick on him. Ben was really upset today. I just hope he'll be alright.

Lately, ma'am has been targeting Ben too much.

Not only that, she even informed the entire faculty, and now they are all targeting him. Why can't they just talk to him and ask why he reacted that way? That ma'am always wants to control students - and she can, because she has power. But why can't they see what Ben is going through? How can he even explain when he's already drowning in problems? These days, I'm really scared for him.

Last Page of the Journal

Maybe a friend like me shouldn't exist.

I was always ignored by most people because I wasn't smart. But I always wanted to prove myself so badly that I made a terrible mistake—I invested in my neighbor's business. To do that, I took a loan from a financier, and Ben signed as my guarantor. For the past few days, the financier has been demanding repayment, but my neighbor has run away. My dad is very strict—he never supported me and always called me an idiot. I knew I couldn't ask him for help. The loan was ₹1 lakh. I somehow managed to pay ₹20,000 by selling my phone, but I can't handle their harassment anymore. That's why I've decided to end my life. Maybe this will finally make everyone happy. That's why you should never try to prove anything to anyone. Sometimes, the right time will come and show your worth. I wish I had waited for that moment.

—Ajay's last words

Innocent people are taking their own lives just to prove themselves to the world, Inspector Chanchlani thought. But is it really their fault? No. It's a failure in parenting, in society itself. Suddenly, Inspector Chanchlani turned to Balram. "Search for Ben's bag and bring it to me."

After two days of searching, the bag was finally found in a storage room on the terrace of the very building from which Ben had jumped to his death. Inspector Chanchlani carefully opened every book inside Ben's college bag, flipping through the pages, searching for answers. That's when he found a note. It contained just a few words, but they carried the weight of a life lost too soon:

1. Never leave a person just because the situation is not great. Situations always change.

2. Just because you have power, don't try to control others. Sometimes, having power means understanding others too.
3. Before taking your own life, think—your death should never become the reason someone else takes theirs.

"I am the sole reason for my own death."

As Inspector Chanchlani read those words, an unexpected wave of emotion washed over him. He reflected on what Ben had written—a free bird trapped in a prison where he met three kinds of people: one who held power, one who left at the right moment, and one he trusted the most. But if this was the prison, then who was the prison guard among them? And in the end, the true prisoner... was the student. These thoughts lingered in his mind as he closed the book, staring at its final words:

"The Prison, The Guard, and The Student"
— Written by Mr. Chanchlani.

You're Perfect

Why do you aim to be perfect?

The moon has craters

Yet you still call it beautiful

Mountains stands tall,

But their peaks are uneven,

The sun burns its admirer

But you still smile at it,

The ocean rages often

But here you are are Calling if calming,

Roots of trees grow twisted and wild

Yet, you marvel all their beauty calling if untamed,

Why are you so harsh on yourself

Troying to maintain this perfed Fllusion

If Nature is not pafed but Pretties of us all

Then why can't you be imperfed

But still be admired by all?

India's Paint Industry

Viyon Pais
MBA 2nd Year

India's paint industry is a multi-thousand-crore business and Asian Paints has a near 59% market share. No one else has come close to challenging its dominance for decades. All that is set to change with the entry of Birla Opus, a venture of the Aditya Birla Group. With an upfront investment of thousands of crores, Birla is making a big bet on the sector and has raised concerns among the players, who will now have to contend with a company that is going all out to disrupt the market with large-scale operations. "No other paint company in the world has started on this scale — across factories, product lines and services, at that we are about to undertake," says Kumar Mangalam Birla, chairman, Birla Opus. "As a result, the industry is anticipating intense battles that will see a lot of price wars, innovation and possibly acquisitions.

Segmentation of the Paint Industry: There are two segments of the paints industry:

- decorative paints
- industrial paints.

1. Decorative paints

This paints are used for residential purposes and include wall paints, wood coatings, and finishes

for furniture, doors, and windows. This segment contributes to about 75% of the total paint market in India and is the largest source of revenue for companies.

2. Industrial paints

This paints are used in the automobile, machinery, and electronic equipment industries. This segment, while essential, is much smaller than the decorative paint market. Given the higher revenue potential, companies such as Asian Paints and Kansai Nerolac earn more than 85% of their revenue from decorative paints.

The higher revenue potential, companies such as Asian Paints and Kansai Nerolac earn more than 85% of their revenue from decorative paints. Managing the supply chain for decorative paints is complex because of the vast number of color shades available—Asian Paints offers more than 2, 000 shades—which require sophisticated inventory management and distribution strategies.

Supply Chain & Distribution of Paint

Instead of stocking thousands of shades, paint manufacturers only produces a few base paints and colorants

Tinting Machines & Distribution Strategy

A key innovation in the paint industry was the introduction of tinting machines in the 1970s. Rather than having to keep thousands of ready-mix colors in inventory, manufacturers now supply distributors with base paints and colorants, which can be mixed to produce over 2,000 shades on demand. This has reduced inventory costs and has made the supply chain much more efficient. Tinting machines also give incumbent brands an advantage, as distributors have limited space and can install only a few machines. Asian Paints has over 75,000 tinting machines across India, and it is difficult for new entrants to build a distribution network. Birla Opus is offering free tinting machines to distributors, and the battle for shelf space and dealer loyalty will intensify. Painters also influence customer decisions. Companies such as Asian Paints and Berger have launched initiatives to engage directly with painters and contractors, offering training and incentives to promote their products.

Cost Structure of the Paint Industry

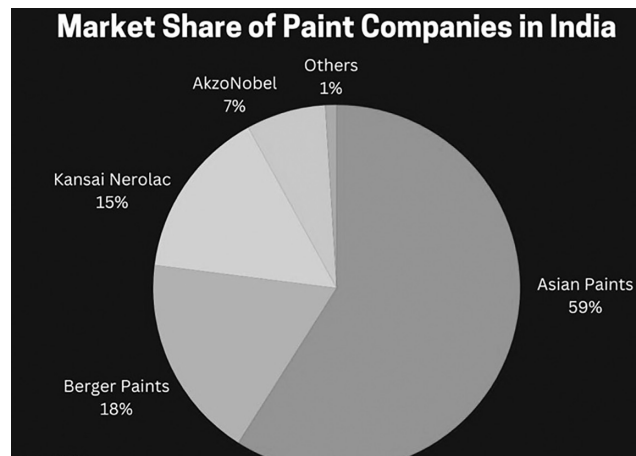

There are many costs involved in paint manufacturing, but raw materials constitute 50-60% of the total cost. Paint companies require nearly 250-300 different raw materials, which can be categorized into four groups:

- A. Pigments** – Adds color to paint, titanium dioxide is a major pigment
- B. Resins** – These are used as binders so that paint sticks to surfaces.
- C. Solvents** – Determines paint thickness and application quality.
- D. Additives** – these improve paint properties like drying time and UV resistance.

Among these, titanium dioxide and crude oil derivatives form a major portion of costs. India is a major importer of titanium dioxide from South Korea, as regulation limits domestic production of titanium dioxide. Similarly, crude oil based derivatives constitute 30-35% of total raw material costs and are highly sensitive to changes in global oil prices. When crude oil prices rise, paint company stocks tend to decline on margin pressures. Companies are trying to shift toward water based paints to reduce reliance on

oil based inputs, but the transition is still underway.

Market Structure & Competitive Landscape

The paint industry in India is highly consolidated and over a 75% market share is held by four major players:

- I. Asian Paints** – Market leader with 59% share generating more than 33,500 crore in revenue
- II. Berger Paints** – 19 pct market share, sales of about 10,000 crore
- III. Kansai Nerolac** – 13 per cent market share with revenues of about 8,000 crore
- IV. Akzo Nobel (Dulux brand)** – About 5% share, 3,500 crore revenue.

High barriers to entry, such as a strong distribution network, high working capital requirements and technical know-how, have kept the industry confined to a few players for decades. However, new players such as Birla Opus, Astral, JSW Paints, JK Cement and Pidilite Industries are capitalising on their strong presence in the construction and infrastructure sectors to bring paints into their business mix.

Why New Players Are Entering the Paint Market?

Despite the challenges, major companies like Birla, Astral, JK cement, JSW Paints, and Pidilite are entering the industry. New players have two main reasons to invest in the paint industry:

- 1. **Sector Growth:** High growth potential of sector has grown at a CAGR of 11-12% over the last

two decades and continues to expand at double-digit rates. "The market is currently valued at 60, 000-70, 000 crore and there is ample room for new players," says Bharat Puri, MD of Pidilite.

2. High return on capital employed (ROCE) : Paints is one of the most capital-efficient industries. Top companies generate ROCE of 25-35% which is much higher than most manufacturing businesses. This profitability attracts large business houses looking for long-term returns.

Growth Drivers of the Paint Industry

The rapid growth of paints market in India is attributed to:

Urbanization & housing demand – Government's PM Awas Yojana and Smart Cities Mission are increasing residential construction.

Shorter Repainting Cycles – Earlier homes were repainted after 7-10 years but now due to increased disposable income and changing consumer preferences homes are repainted after 3-4 years.

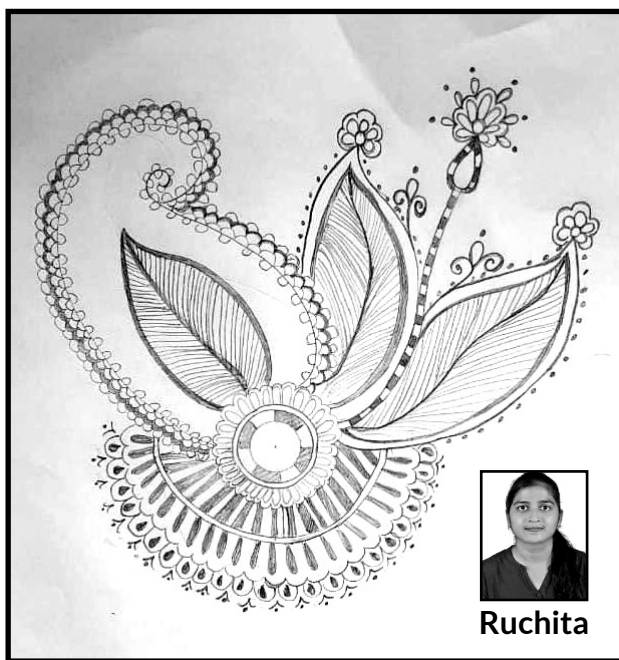

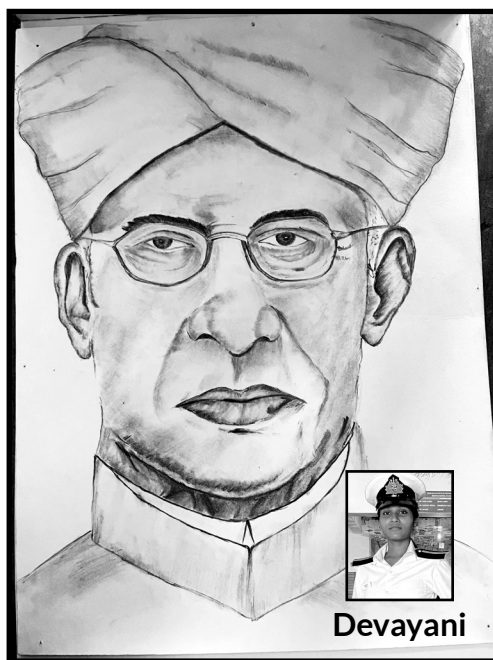

Premiumization & Brand Awareness – Rising consumer preferences for high-quality, weather resistant and luxury finishes are driving demand for premium products.

Future of the Paint Industry & Challenges

New entrants mean changes for India's paints industry. Price wars, dealer acquisitions and new technology will transform the sector. While distribution and branding remain strong points for established players, new entrants such as Birla Opus, with their huge financial muscle, could change the dynamics of the market. Companies are also focusing on service-oriented models, offering end-to-end painting solutions rather than simply selling products. However, challenges remain, including high dependence on crude oil, rising input costs and distribution bottlenecks. Green alternatives and water-based alternatives are also gaining ground, pushing companies to adopt more sustainable solutions.

Conclusion

New players are emerging in the Indian paints market, challenging the dominance of Asian Paints and other large players. The industry continues to face high barriers to entry, but strong growth prospects and profitability make it an attractive investment option. In the years ahead, we expect intense competition, innovative business models, and perhaps market consolidation through mergers and acquisitions. Observers and investors must monitor changing trends, fluctuations in input costs, and distribution strategies to understand the future trajectory of the sector.

The Land so Beautiful

A dream, held long and deep,
A silent promise I would keep.
Then your call came, a welcome sound,
To stand upon that hallowed ground.
The moment our landing touched the ground,
I knew that wait had found its worth.
Each gentle breeze, a soft caress,
Revived my soul, eased every stress.
The biting cold, a sudden sting,
Made vibrant life within me spring.
A different world, though land the same,
Whispered in winter's frosted flame.
Small flowers bloomed, a cheerful sight,
And smiled at me with pure delight.
The falling snow, a soft descent,
A blessing from the heavens sent.
Streams gurgled, rushed – a vibrant sound
Tall mountains green and snow crowned;
A call to dream beyond what the valley knows
Vast serenity and beauty grows,

The Importance of Soft Skills in Engineering Careers

Mr. Harsharaja C
Office Manager - SIT

The most successful engineers are not those who know the most, but those who can communicate what they know the best.”

In today’s competitive world, the demand for highly technical expertise in engineering is indisputable. However, what truly sets an engineer apart from the crowd is not just their technical skill, but also their ability to communicate, collaborate, and adapt to dynamic situations. These qualities are collectively known as soft skills, and they play an increasingly important role in shaping successful engineering careers.

In today’s engineering landscape, technical expertise alone is no longer enough for career advancement or workplace success. Employers increasingly seek engineers who possess strong soft skills such as communication, leadership, critical thinking, time management, and emotional intelligence. These abilities are essential for effective teamwork, managing complex projects, and adapting

to rapidly changing environments. Studies show that engineers who combine technical proficiency with interpersonal strengths tend to progress faster in their careers and excel in cross-disciplinary teams. As engineering roles become more collaborative and multifaceted, developing soft skills is just as important as honing technical knowledge, making well-rounded professionals the most valuable assets in the modern workforce.

Effective Communication is one of the most valuable soft skills for engineers. The ability to convey complex ideas clearly and concisely is critical, whether one is explaining a design concept to a non-technical client or writing technical reports. Engineers who can articulate their thoughts effectively can ensure that their ideas are understood, which can prevent costly misunderstandings in project execution.

Another crucial skill is Collaboration and Teamwork. Engineering projects are seldom carried out in isolation. Working alongside colleagues from diverse disciplines and backgrounds is a common practice. Engineers frequently collaborate with professionals from fields such as design, marketing, and business. The ability to work together, resolve conflicts, and harness the unique strengths of a multidisciplinary team is essential for the successful completion of any project.

Leadership and project management are essential for engineers aspiring to managerial roles. Effective leaders inspire teams, make strategic decisions, and motivate members to meet deadlines. Engineers with these skills coordinate tasks and manage resources efficiently. This ensures projects are completed on time and to a high standard.

Additionally, Adaptability and Problem-Solving are core aspects of engineering that require a blend of technical expertise and soft skills. Engineers are often tasked with finding solutions to unforeseen challenges. The ability to think critically and approach problems with a flexible mindset allows engineers to innovate and tackle issues in creative ways.

Finally, Emotional Intelligence (EI), which includes empathy, self-awareness, and emotional regulation, is becoming increasingly important in the workplace. Engineers with high EI are more likely to excel in managing stress, negotiating with clients, and building strong professional relationships.

In conclusion, soft skills are not just an accessory to technical expertise but a core component of success in the engineering field. As the industry continues to evolve, engineers who develop and enhance these skills will be better equipped to handle the complexities of their careers and stand out in a competitive job market. Employers value engineers who bring technical and interpersonal strengths to the table, and investing in developing soft skills will ultimately help students build well-rounded, successful careers in engineering. "In engineering, technical skills may get you the job, but soft skills determine how far you'll go."

All the best.....

Tints of Me: A Purple Story

Dr. Veena Santhosh Rai
Associate Professor, MBA Dept.

Some people live in black and white. Others in a burst of rainbow. But me—I live in purple.

Purple, to most, is just a colour. But to me, it's a feeling, a place, a story. It's the space where my thoughts rest, where my dreams bloom quietly. It's the color of dusk—when the sky doesn't know whether to stay blue or turn to night. That in-between moment? That's me.

In the tints of purple, I find pieces of myself—ambition wrapped in calm, strength draped in softness, mystery touched by meaning. It's where creativity breathes freely, where I'm allowed to be loud in silence and bold in stillness.

Purple is not just the ink I use—it's the way I think. It's in the poetry scribbled in the margins of my notebooks, in the music I hum when no one's around, in the way I look at the world—not in extremes, but

in blends. It's the colour of imagination, of curiosity, of depth.

Sometimes, the world asks for black-and-white answers. But I offer shades—of thought, of wonder, of understanding. I offer purple. Because life, like me, is layered and undefined. It isn't meant to be boxed in. It's meant to be explored in colour.

So this is my purple story. A story still being painted—with brushstrokes of learning, laughter, mistakes, and growth. A story that I hope reminds you: it's okay to live in your own colour. Even if the world doesn't always see it clearly.

Because somewhere, someone else is also living in a shade only they understand. And maybe, just maybe, it's purple tooooo.....

MY FURRY FRIEND

So tiny when I found you there,
A shivering soul in frigid air.
Paws like beans, a fragile sight,
Blue eyes shone with timid light.
Your white fur, caked in earthy brown,
A little lost thing in the town.

My heart lurched then, a sudden know,
I had to take you, help you grow.
No second thought, no time to waste,
A gentle hand, a loving haste.
I scooped you up, so small and weak,
The home you needed, I would seek.

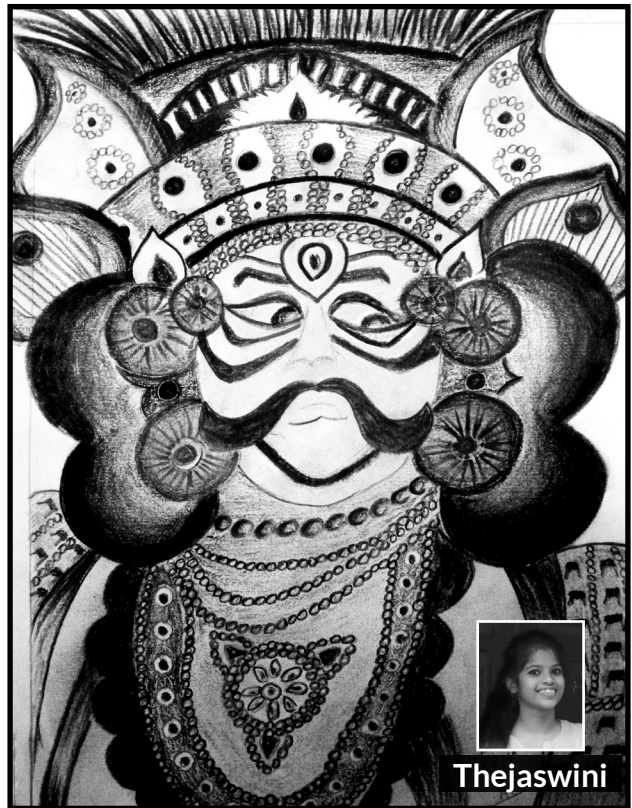

The moment we stepped through the door,
New fears arose you'd not known before.
You trembled, scared of this new place,
Uncertainty upon your face.
Each sound and shadow made you start,
A fragile beat within your heart.

But warmth and patience, day by day,
Soon chased the anxious fears away.
This house, once strange, became your own,
A sanctuary, a loving throne.
I named you Cheeku, soft and sweet,
Two souls entwined, our lives complete.

My homie, yes, from that first meet,
Your tiny presence, oh so sweet.
A furry shadow, loyal, true,
In every little thing you do.
You filled a space I didn't know
Was empty, till I watched you grow.

A year has passed, the seasons turned,
The depth of your affection learned.
My care for you, a steady flame,
Whispering your beloved name.
My furry friend, through all we've been,
My love for Cheeku shines within.
